Section 1 – Introduction

This directory provides a list of GlobalHealth's network providers.

You will have to choose one of our network providers listed in this directory to be your **P**rimary **C**are **P**rovider (PCP). Generally, you must get your health care services from your PCP. Your PCP will provide a wide array of basic and routine services. Each provider type subsection in this Provider Directory tells you if you need a referral or not. For more information on services you may obtain without a referral, please see Chapter 4 of your Evidence of Coverage.

The network providers listed in this directory have agreed to provide you with your healthcare vision, and dental services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

You may get covered emergency medical care whenever you need it, worldwide. Our plan covers ambulance services in the United States and its territories in situations where getting to the emergency room in any other way could endanger your health. For more information, see Chapter 4 of your Evidence of Coverage.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor GlobalHealth will be responsible for the costs.

In cases where out-of-network providers submit a bill directly to you, you should **not** pay the bill but should submit it to the plan for processing and determination your liability, if any.

Sección 1: Introducción

En este directorio, se proporciona una lista de los proveedores de la red de GlobalHealth.

Deberá elegir uno de los proveedores de nuestra red que se enumeran en este directorio para que sea su **P**roveedor de **A**tención **P**rimaria (PCP). Por lo general, debe recibir atención médica de su PCP. El PCP le brindará una amplia variedad de servicios básicos y de rutina. En cada subsección de tipo de proveedor de este Directorio de Proveedores, se indica si se requiere una remisión o no. Para obtener más información sobre los servicios que puede obtener sin una remisión, consulte el Capítulo 4 de su Evidencia de Cobertura.

Los proveedores de la red que se enumeran en este directorio aceptaron brindarle sus servicios de atención médica oftalmológica y odontológica. Puede consultar a cualquiera de los proveedores de nuestra red que se enumeran en este directorio. Sin embargo, algunos servicios pueden requerir una remisión. Si estuvo consultando a un proveedor de la red, no es necesario que siga consultando a ese mismo proveedor. En algunos casos, es posible que se cubran servicios brindados por proveedores fuera de la red.

Puede recibir cobertura de atención médica de emergencia cuando la necesite, en todo el mundo. Nuestro plan cubre servicios de ambulancia dentro de Estados Unidos y sus territorios en situaciones en las que el traslado a la sala de urgencias con otro medio de transporte podría poner en peligro su salud. Para obtener más información, consulte el Capítulo 4 de su Evidencia de Cobertura.

Debe utilizar proveedores de la red, excepto en situaciones de emergencia o de urgencia, o para recibir diálisis renal u otros servicios fuera del área. Si recibe atención de rutina de proveedores fuera de la red, ni Medicare ni GlobalHealth serán responsables de los costos.

Cuando los proveedores fuera de la red le envíen una factura directamente a usted, **no** debe pagarla, sino enviarla al plan a fin de que se la procese y se determine su responsabilidad, si la hubiera.

Los condados que se encuentran en nuestra área de servicio se enumeran a continuación.
