IMPORTANT INFORMATION

This formulary applies to Members who enrolled in GlobalHealth through an employer group in the State of Oklahoma, including State, Education, and Local Government employees who enrolled through the State of Oklahoma benefits enrollment process.

Member Materials

Your comprehensive Member handbook has four booklets. Each one has a different purpose.

These documents are important legal documents. Keep them in a safe place.

Booklet	Purpose
<i>Member Handbook for State, Education, and Local Government Employees ("Member Handbook")</i>	• Tells you about your benefits. ○ What benefits are covered and how much you will pay. ○ How they are covered (including limitations and exclusions). ○ How to use them.
<i>Physicians and Health Providers Directory ("Provider Directory")</i>	• Lists our Network of doctors, and Facilities. • Tells you if a Facility is preferred or not.
<i>Pharmacy Directory</i>	• Lists our Network of pharmacies
<i>Formulary Drug List for State, Education, and Local Government Employees ("Drug Formulary" or "Formulary")</i>	• Lists drugs we cover. • Tells you what Tier a drug is in. • Tells you if there are any rules to getting a drug.

Member materials are available on our website. Contact Customer Care for printed copies at no charge. But be aware that the most current *Drug Formulary* and *Provider Directory* lists are on the website.

This is an important legal document. Please keep it in a safe place.

When this document says "we", "us", or "our", it means GlobalHealth, Inc. Words or phrases that start with a capital letter are defined in the *Member Handbook* glossary.

For specific questions about your coverage, please call the phone number printed on your Member ID card.

Preferred Drugs

Preferred drugs are listed in this *Drug Formulary*. Drugs on the list are selected based on quality (effectiveness and safety) as well as cost-effectiveness. Doctors and pharmacists have worked together to develop the Formulary, which includes generics and brand name drugs that are approved by the U.S. Food and Drug Administration (FDA).

For the Member: Generic drugs contain the same active ingredients in the same amounts as brand name products. However, they may be a different color, shape, or size.

For the physician: Please prescribe preferred products and allow generic substitutions when medically appropriate. Thank you.

**THIS DOCUMENT LIST IS EFFECTIVE AS OF THE DATE ON THE COVER. THIS LIST IS
SUBJECT TO CHANGE.** You may find the most current list, including any

We will also cover your drug during an <u>External Review</u>.
Expedited Exception	You may ask for a fast exceptions process when: • You are suffering from a health condition that may risk your life, health, or ability to regain maximum function; or • You are already using a non-formulary drug. We will tell you our decision within 24 hours after you ask us for a review if we have enough information. • If we agree, we also cover appropriate refills of the prescription. • If we deny your request, you may ask for an <u>External Review</u>. They will send you their decision within 24 hours after getting your request for review. We will cover your drug during the time we are reviewing. PREVENTIVE CARE INDEX

These drugs are available with no Cost-share to you. Drugs listed are based on the recommendations of the U.S. Preventive Services Task Force (USPSTF) in conjunction with the recommendations of Disease Control and Prevention (CDC) and the Health Resources and Services Administration (HRSA). Recommendations, ages, and populations may vary.

This list is subject to change as ACA guidelines are updated or modified.

Immunizations

Covered immunizations include those that are routine vaccines recommended by the CDC and that meet the FDA approved indications for age and/or gender limitations. Coverage also includes non-routine immunizations as designated by the CDC.

THERAPEUTIC CLASS INDEX

Tier 4* drugs in the table below are non-preferred specialty medications. You will pay the higher Cost-share for drugs shown below in Tier 4*.

Key

ACA: Affordable Care Act. Those drugs and products available at no Cost-share to the Member because they are part of Preventive Care.

DME: Durable Medical Supplies. Diabetic supplies that may be purchased at a pharmacy. You pay the Durable Medical Equipment Cost-share shown in your *Member Handbook*.

DS: Diabetic Supplies. Diabetic supplies that may be purchased at a pharmacy. You pay the diabetic supplies Cost-share shown in your *Member Handbook*.

OC: Oral Chemotherapy. You will not pay more than \$100 per prescription fill, regardless of the cost of the Tier.

OTC: Over-the-Counter. You can get these drugs at no cost (if ACA is also indicated) or at your Plan's lowest Cost-share amount (if LCG is also indicated). Otherwise, you will pay the preferred generic Cost-share amount. Your doctor must prescribe them. Present your prescription and Member ID card to the pharmacist.

PA: Prior Authorization. GlobalHealth requires you or your physician to get prior authorization for certain drugs. This means that you will need to get approval before you fill your prescriptions. If you don't get approval, we may not cover the drug.

QLL: Quantity Limit. For certain drugs, GlobalHealth limits the amount of the drug that we will cover.

ST: Step Therapy. In some cases, GlobalHealth requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, we may not cover Drug B unless you try Drug A first. If Drug A does not work for you, we will then cover Drug B.
