Important Information

This Network of Providers is available to all Members who enrolled in GlobalHealth through an employer group in the State of Oklahoma plan, including State, Education, and Local Government employees who enrolled through the State of Oklahoma benefits enrollment process.

With GlobalHealth, you get a wide range of services to meet your healthcare needs and a large network of Primary Care Physicians (PCPs) and Specialists. You are covered 24 hours a day, every day of the year.

You will need to choose a PCP from the list of physicians in this *Physician and Health Providers Directory (Provider Directory)* before you see a doctor. Feel free to choose any available PCP from the list, including a pediatrician for children. You and each Member of your family may choose the same PCP, or you may have different PCPs.

Member Materials

Please read this *Provider Directory* and other member materials carefully.

This is an important legal document. Please keep it in a safe place.

When this document says “we”, “us”, or “our”, it means GlobalHealth, Inc. Words or phrases that start with a capital letter are defined in the *Member Handbook* glossary.

Provider Search

Visit www.GlobalHealth.com to use the online provider search. Our online list of Network of Providers is updated at least weekly. Visit our website to find a current *Provider Directory* and search tool online for the latest information. Search by first and last name, county, and zip code. You can also narrow your search by specialty, languages spoken, or gender. Preferred Facilities are indicated with an asterisk.

Provider Network Criteria

GlobalHealth evaluates the characteristics of its Service Area, the needs of its proposed Members, and its proposed products including existing Referral patterns to establish a Provider Network in its Service Area.

Provider Listings

The information in this directory is accurate as of printing. This Provider Directory was printed on 09/01/2024. Some Network Providers may have been added or removed from our Network after this directory was printed. This information is updated at least monthly on the GlobalHealth website. The list may not be all-inclusive.

We do not guarantee that each Provider is still accepting new Members. Some Facilities may change from preferred to non-preferred status. To get the most up-to-date information about Network Providers in your area, see the Provider Search Tool on our website, www.GlobalHealth.com or call Customer Care at 1-877-280-5600 (TTY: 711).

Business Associates. We may use and/or disclose your PHI to business associates that we contract with to provide services on our behalf. Examples include consultants, accountants, lawyers, auditors, health information organizations, data storage and electronic health record vendors, etc. We will only make these disclosures if we have received satisfactory assurance that the business associate will properly safeguard your PHI.

Personal/Authorized Representatives. We may use and/or disclose PHI to your authorized representative. Family, Friends, Caregivers. We may disclose your PHI to a family member, caregiver, or friend who accompanies you or is involved in your medical care or treatment, or who helps pay for your medical care or treatment. If you are unable or unavailable to agree or object, we will use our best judgment in communicating with your family and others.

Limited Data Set. If we use your PHI to make a "limited data set," we may give that information to others for purposes of research, public health action or health care operations. The individuals/entities that receive the limited data set are required to take reasonable steps to protect the privacy of your information.

Most uses and disclosures of psychotherapy notes (where appropriate), uses and disclosures of PHI for marketing or fundraising purposes, and disclosures that constitute a sale of PHI require your written authorization. The information authorized for release may include records which may indicate the presence of a communicable or non-communicable disease required to be reported pursuant to State law.

Your Health Information Rights

Right to Inspect and Copy

You have the right to inspect and copy your PHI as provided by law. This right does not apply to psychotherapy notes. Your request must be made in writing. We have the right to charge you the amounts allowed by State and Federal law for such copies. We may deny your request to inspect and copy your records in certain circumstances. If you are denied access, you may appeal to our Privacy Officer.

Right to Confidential Communication

You have the right to receive confidential communication of your PHI by alternate means or at alternative locations. For example, you may request to receive communication from us at an alternate address or telephone number. Your request must be in writing and identify how or where you wish to be contacted. We reserve the right to refuse to honor your request if it is unreasonable or not possible to comply with.

Right to Accounting of Disclosures

You have the right to request an accounting of certain disclosures of your PHI to third parties, except those disclosures made for treatment, payment, or health care or health plan operations and disclosures made to you, authorized by you, or pursuant to this Notice. To receive an accounting, you must submit your request in writing and provide the specific time period requested. You may request an accounting for up to six (6) years prior to the date of your request (three years if PHI is an electronic health record). If you request more than one (1) accounting in a 12-month period, we may charge you for the costs of providing the list. We will notify you of the cost and you may withdraw your request before any costs are incurred.

Right to Request Restrictions on Uses or Disclosures

You have the right to request restrictions or limitations on certain uses and disclosures of your PHI to third parties unless the disclosure is required or permitted by law. Your request must be made in writing and specify (1) what information you want to limit; (2) whether you want to limit use, disclosure, or both; and (3) to whom you want the limits to apply. We are not required to honor your request. If do we agree, we will make all reasonable efforts to comply with your request unless the information is needed to provide emergency treatment to you or the disclosure has already occurred or the disclosure is required by law. Any agreement to restrictions must be signed by a person authorized to make such an agreement on our behalf.

Right to Request Amendment of PHI

You have the right to request an amendment of your PHI if you believe the record is incorrect or incomplete. You must submit your request in writing and state the reason(s) for the amendment. We will deny your request if: (1) it is not in writing or does not include a reason to support the request; (2) the information was not created by us or is not part of the medical record that we maintain; (3) the information is not a part of the record that you would be permitted to inspect and copy, or (4) the information in the record is accurate and complete. If we deny your amendment request, you have a right to file a statement of disagreement with our Privacy Officer.

Right to Be Notified of a Breach

You have the right to receive notification of any breaches of your unsecured PHI.

Right to Revoke Authorization

You may revoke an authorization at any time, in writing, but only as to future uses or disclosures and not disclosures that we have made already, acting on reliance on the authorization you have given us or where authorization was not required.

Right to Receive a Copy of this Notice

You have the right to receive a paper copy of this Notice upon request.

Changes to this Notice

GlobalHealth is required to comply with the requirements of this Notice currently in effect. We reserve the right to change this Notice and make the new provisions effective for all PHI that we maintain. The revised Notice will be made available to you on our website at www.GlobalHealth.com.
