Formulary Drug List for Federal Employee Health Benefits Program Employees ("*Drug Formulary*" or "Formulary")	• Lists drugs we cover. • Tells you what Tier a drug is in. • Tells you if there are any rules to getting a drug.

Member materials are available on our website. Contact Customer Care for printed copies at no charge. But, be aware that the most current *Drug Formulary* and *Provider Directory* lists are on the website.

When this document says "we", "us", or "our", it means GlobalHealth, Inc.

For specific questions about your coverage, please call the phone number printed on your Member ID card.

Preferred Drugs

Preferred drugs are listed in this *Drug Formulary*. Drugs on the list are selected based on quality (effectiveness and safety) as well as cost-effectiveness. Doctors and pharmacists have worked together to develop the Formulary, which includes generics and brand name drugs that are approved by the U. S. Food and Drug Administration ("FDA").

For the Member: Generic drugs contain the same active ingredients in the same amounts as brand name products. However, they may be a different color, shape, or size.

For the physician: Please prescribe preferred products and allow generic substitutions when medically appropriate. Thank you.

THIS DOCUMENT LIST IS EFFECTIVE AS OF THE DATE ON THE COVER. THIS LIST IS SUBJECT TO CHANGE. *You may find the most current list, including any Utilization Management requirements, on our website. Contact Customer Care for printed copies.*
