

Step Therapy Criteria for Drugs on the 2019 Generations Classic (HMO) Formulary

The following are step therapy criteria for drugs on the 2019 Generations Classic (HMO) formulary. To determine if your drug has a step therapy requirement, use the GlobalHealth online prescription search specific to your plan at <https://globalhealth.com/pharmacy/drug-formularies/>. For information on how to request an exception (also called a coverage determination) to the step therapy criteria for any of these drugs [click here](#).

Updated 09/2019
