## Mail Order Pharmacy

This booklet provides a list of GlobalHealth's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and GlobalHealth's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under GlobalHealth only if they are filled at a network pharmacy. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 01/01/2026. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called "Birdi Home Delivery®".

If you have used mail order services with your current plan before, or if you opt in now, our pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting us at 1-866-494-3927 (Toll-Free) or, for TTY users, 711. If you never had mail order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program Birdi Home Delivery®. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 15 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling toll-free at 1-866-494-3927 or TTY, 711.

Typically, you should expect to receive your prescription drugs within 10 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-866-494-3927 (Toll-Free) or, for TTY users, 711.

To get order forms and information about filling your prescriptions by mail, go to [www.GlobalHealth.com](http://www.GlobalHealth.com) or contact MedImpact Customer Care toll-free at 1-866-494-3927 (TTY 711).

## Farmacia de pedido por correo (Mail Order Pharmacy)

Este folleto ofrece una lista de farmacias de la red de GlobalHealth. Para ver una descripción completa de su cobertura para medicamentos con receta y cómo obtenerlos, consulte la Evidencia de cobertura y el Formulario de GlobalHealth. Las farmacias que figuran en esta lista son las “farmacias de la red”, ya que hemos acordado con ellas el suministro de medicamentos con receta para los inscritos del plan. En la mayoría de los casos, sus medicamentos con receta están cubiertos por GlobalHealth solo si los obtiene en una farmacia de la red. Una vez que acuda a una farmacia, no es necesario que continúe acudiendo a la misma farmacia para obtener su medicamento con receta, sino que puede cambiar a cualquiera de nuestras farmacias de la red. Puede obtener sus medicamentos con receta en farmacias fuera de la red solo en ciertas circunstancias contempladas en su Evidencia de cobertura.

Es posible que no todas las farmacias de la red se encuentren en este directorio. Tal vez se hayan agregado o eliminado algunas farmacias de la lista después de la impresión de este directorio. Esto quiere decir que es posible que las farmacias enumeradas aquí ya no sean parte de nuestra red, o que puede haber farmacias más nuevas en nuestra red que no figuren en la lista. Esta lista está vigente a partir del 01/01/2026. Para obtener la lista más actualizada, comuníquese con nosotros. Nuestra información de contacto aparece en las páginas de la portada y la portada posterior.

Puede pedir que le envíen los medicamentos con receta a su hogar a través del programa de entrega de pedido por correo de nuestra red. Si ha utilizado antes los servicios de pedidos por correo con su plan actual o si usted o opta por hacerlo ahora, nuestra farmacia abastecerá automáticamente y enviará las nuevas recetas recibidas directamente de sus médicos u otros profesionales que expiden recetas. Puede optar por no recibir las entregas automáticas de nuevas recetas en cualquier momento comunicándose con nosotros al 1-866-494-3927 (Libre de Costo) o, para usuarios TTY, 711. Si nunca estuvo en el servicio de entrega de pedidos por correo y/o decide suspender la reposición automática de nuevos medicamentos recetados, nos comunicaremos con usted cada vez que recibamos una nueva receta de un proveedor para verificar si quiere que se surta y se envíe el medicamento en ese momento. Esto le permitirá asegurarse de que la farmacia esté entregando el medicamento correcto (incluidas la concentración, cantidad y forma) y, de ser necesario, cancelar o retrasar la orden antes de que se le cobre y se envíe.

Para el resurtido de sus medicamentos, usted tiene la opción de inscribirse en un programa de resurtido automático llamado Birdi Home Delivery®. Con este programa, comenzaremos a procesar su próxima renovación automáticamente cuando nuestros registros nos muestren que se está quedando sin medicamento. Nos contactaremos con usted antes de enviar cada reabastecimiento para asegurarnos de que necesite más medicamentos. Puede cancelar los reabastecimientos programados si tiene una cantidad suficiente de su medicamento o si este ha cambiado. Si elige no utilizar el programa de renovación automática, contáctese con nosotros 15 días antes de que se terminen sus medicamentos para asegurarse de que el siguiente pedido se envíe a tiempo. Para cancelar su suscripción al programa de resurtido automático, comuníquese con nosotros llamando al 1-866-494-3927 (Libre de Costo), (TTY 711). Por lo general, debería recibir su receta dentro de los 10 días a partir del momento en que la farmacia de pedidos por correo recibe el pedido. Si no recibe sus medicamentos recetados en este plazo, comuníquese con nosotros al 1-866-494-3927 (Libre de Costo), (TTY 711). Para obtener formularios de pedido e información sobre cómo surtir sus recetas por correo, visite [www.GlobalHealth.com](http://www.GlobalHealth.com) o llame a Atención al cliente de MedImpact al 1-866-494-3927 (Libre de Costo), (TTY 711).
