Note to existing members: This formulary has changed since last year. Please review this document to make sure that it still contains the drugs you take.

When this drug list (formulary) refers to “we,” “us”, or “our,” it means GlobalHealth, Inc. When it refers to “plan” or “our plan,” it means Generations State of Oklahoma Group Retirees (HMO).

This document includes a list of the drugs (formulary) for our plan which is current as of 11/01/2024. For an updated formulary, please contact us. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

You must generally use network pharmacies to use your prescription drug benefit. Benefits, formulary, pharmacy network, and/or copayments/coinsurance may change on January 1, 2024, and from time to time during the year.

What is the Generations State of Oklahoma Group Retirees (HMO) Formulary

A formulary is a list of covered drugs selected by our plan in consultation with a team of health care providers, which represents the prescription therapies believed to be a necessary part of a quality treatment program. We will generally cover the drugs listed in our formulary as long as the drug is medically necessary, the prescription is filled at our network pharmacy, and other plan rules are followed. For more information on how to fill your prescriptions, please review your *Evidence of Coverage*.

For a complete listing of all prescription drugs covered by us, please visit our website or call us. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

Can the Formulary (drug list) change?

Most changes in drug coverage happen on January 1, but we may add or remove drugs on the Drug List during the year, move them to different cost-sharing tiers, or add new restrictions. We must follow the Medicare rules in making these changes.

Changes that can affect you this year: In the below cases, you will be affected by coverage changes during the year:

- **New generic drugs.** We may immediately remove a brand-name drug on our Drug List if we are replacing it with a new generic drug that will appear on the same or lower cost-sharing tier and with the same or fewer restrictions. Also, when adding the new generic drug, we may decide to keep the brand-name drug on our Drug List, but immediately move it to a different cost-sharing tier or add new restrictions. If you are currently taking that brand-name drug, we may not tell you in advance before we make that change, but we will later provide you with information about the specific change(s) we have made.
 - If we make such a change, you or your prescriber can ask us to make an exception and continue to cover the brand-name drug for you. The notice we provide you will also include information on how to request an exception, and you can find information in the section below titled “How do I request an exception to the Generations State of Oklahoma Group Retirees (HMO)’s Formulary?”

Drugs removed from the market. If the Food and Drug Administration deems a drug on our formulary to be unsafe or the drug’s manufacturer removes the drug from the market, we will immediately remove the drug from our formulary and provide notice to members who take the drug.

- **Other changes.** We may make other changes that affect members currently taking a drug. For instance, we may add a generic drug that is not new to the market to replace a brand-name drug currently on the formulary, or add new restrictions to the brand-name drug or move it to a different cost-sharing tier, or both. Or we may make changes based on new clinical guidelines. If we remove drugs from our formulary, or add prior authorization, quantity limits and/or step therapy restrictions on a drug or move a drug to a higher cost-sharing tier, we must notify affected members of the change at least 30 days before the change becomes effective, or at the time the member requests a refill of the drug, at which time the member will receive a 30-day supply of the drug.
 - If we make these other changes, you or your prescriber can ask us to make an exception and continue to cover the brand-name drug for you. The notice we provide you will also include information on how to request an exception, and you can also find information in the section below entitled “How do I request an exception to the Generations State of Oklahoma Group Retirees (HMO)’s Formulary?”

Changes that will not affect you if you are currently taking the drug. Generally, if you are taking a drug on our 2024 formulary that was covered at the beginning of the year, we will not discontinue or reduce coverage of the drug during the 2024 coverage year except as described above. This means these drugs will remain available at the same cost-sharing and with no new restrictions for those members taking them for the remainder of the coverage year. You will not get direct notice this year about changes that do not affect you. However, on January 1 of the next year, such changes would affect you, and it is important to check the Drug List for the new benefit year for any changes to drugs.

The enclosed formulary is current as of 11/01/2024. To get updated information about the drugs covered by Generations State of Oklahoma Group Retirees (HMO) please contact us. Our contact information appears on the front and back cover pages. In the event of mid-year non-maintenance formulary changes, the formularies will be updated monthly and posted on our website.

How do I use the Formulary?

There are two ways to find your drug within the formulary:

Medical Condition

The formulary begins on page 14. The drugs in this formulary are grouped into categories depending on the type of medical conditions that they are used to treat. For example, drugs used to treat a heart condition are listed under the category, “Cardiovascular”. If you know what your drug is used for, look for the category name in the list that begins on 14. Then look under the category name for your drug.

Alphabetical Listing

If you are not sure what category to look under, you should look for your drug in the Index that begins on page 96. The Index provides an alphabetical list of all of the drugs included in this document. Both brand-name drugs and generic drugs are listed in the Index. Look in the Index and find your drug. Next to your drug, you will see the page number where you can find coverage information. Turn to the page listed in the Index and find the name of your drug in the first column of the list.

What are generic drugs?

Our plan covers both brand-name drugs and generic drugs. A generic drug is approved by the FDA as having the same active ingredient as the brand-name drug. Generally, generic drugs cost less than brand-name drugs.

Are there any restrictions on my coverage?

Some covered drugs may have additional requirements or limits on coverage. These requirements and limits may include:

- **Prior Authorization:** Our plan requires you or your physician to get prior authorization for certain drugs. This means that you will need to get approval from our plan before you fill your prescriptions. If you don't get approval, we may not cover the drug.
- **Quantity Limits:** For certain drugs, our plan limits the amount of the drug that our plan will cover. For example, our plan provides 30 per prescription for Rosuvastatin. This may be in addition to a standard one-month or three-month supply.
- **Step Therapy:** In some cases, our plan requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, we may not cover Drug B unless you try Drug A first. If Drug A does not work for you, we will then cover Drug B.

You can find out if your drug has any additional requirements or limits by looking in the formulary that begins on page 14. You can also get more information about the restrictions applied to specific covered drugs by visiting our website. We have posted online documents that explain our prior authorization and step therapy restrictions. You may also ask us to send you a copy. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

You can ask our plan to make an exception to these restrictions or limits or for a list of other, similar drugs that may treat your health condition. See the section, “How do I request an exception to the Generations State of Oklahoma Group Retirees (HMO)’s formulary?” on page 4 for information about how to request an exception.

What if my drug is not on the Formulary?

If your drug is not included in this formulary (list of covered drugs), you should first contact Customer Care and ask if your drug is covered.

If you learn that our plan does not cover your drug, you have two options:

- You can ask Customer Care for a list of similar drugs that are covered by our plan. When you receive the list, show it to your doctor and ask them to prescribe a similar drug that is covered by our plan.
- You can ask us to make an exception and cover your drug. See below for information about how to request an exception.

How do I request an exception to the Generations State of Oklahoma Group Retirees (HMO)'s Formulary?

You can ask our plan to make an exception to our coverage rules. There are several types of exceptions that you can ask us to make.

- You can ask us to cover a drug even if it is not on our formulary. If approved, this drug will be covered at a pre-determined cost-sharing level, and you would not be able to ask us to provide the drug at a lower cost-sharing level.
- You can ask us to cover a formulary drug at a lower cost-sharing level. You can ask us to cover a formulary drug at lower cost-sharing level unless the drug is on the specialty tier. If approved, this would lower the amount you must pay for your drug.
- You can ask us to waive coverage restrictions or limits on your drug. For example, for certain drugs, our plan limits the amount of the drug that we will cover. If your drug has a quantity limit, you can ask us to waive the limit and cover a greater amount.

Generally, our plan will only approve your request for an exception if the alternative drugs included on the plan's formulary, the lower cost-sharing drug or additional utilization restrictions would not be as effective in treating your condition and/or would cause you to have adverse medical effects.

You should contact us to ask us for an initial coverage decision for a formulary, tier, or utilization restriction exception. **When you request a formulary, tier, or utilization restriction exception you should submit a statement from your prescriber or physician supporting your request.** Generally, we must make our decision within 72 hours of getting your prescriber's supporting statement. You can request an expedited (fast) exception if you or your doctor believe that your health could be seriously harmed by waiting up to 72 hours for a decision. If your request to expedite is granted, we must give you a decision no later than 24 hours after we get a supporting statement from your doctor or other prescriber.

What do I do before I can talk to my doctor about changing my drugs or requesting an exception?

As a new or continuing member in our plan you may be taking drugs that are not on our formulary. Or, you may be taking a drug that is on our formulary but your ability to get it is limited. For example, you may need a prior authorization from us before you can fill your prescription. You should talk to your doctor to decide if you should switch to an appropriate drug that we cover or request a formulary exception so that we will cover the drug you take. While you talk to your doctor to determine the right course of action for you, we may cover your drug in certain cases during the first 90 days you are a member of our plan.

For each of your drugs that is not on our formulary or if your ability to get your drugs is limited, we will cover a temporary 30-day supply. If your prescription is written for fewer days, we'll allow refills to provide up to a maximum 30-day supply of medication. After your first 30-day supply, we will not pay for these drugs, even if you have been a member of the plan less than 90 days.

If you are a resident of a long-term care facility and you need a drug that is not on our formulary or if your ability to get your drugs is limited, but you are past the first 90 days of membership in our plan, we will cover a 31-day emergency supply of that drug while you pursue a formulary exception.

If you are a current member in our plan, we will also cover a temporary transition supply if you have a change in your medications because of a level-of-care change. This may include unplanned changes in treatment settings, such as being discharged from an acute care (hospital) setting or being admitted to, or discharged from, a long-term care facility. For each drug that is not in our formulary, or if your ability to get your drugs is limited, we will cover a temporary 30- day supply (up to a 31-day supply if you are a resident of a long-term care facility) when you go to a network pharmacy.

Cuando en esta lista de medicamentos (lista) se hace referencia a "nosotros" o "nuestro", se hace referencia a GlobalHealth, Inc. Cuando se hace referencia a "plan" o "nuestro plan", se hace referencia a Generations State of Oklahoma Group Retirees (HMO).

Este documento incluye una lista de los medicamentos (lista) de nuestro plan que entra en vigor a partir del 11/01/2024. Para obtener una lista actualizada, comuníquese con nosotros. Nuestra información de contacto, junto con la fecha de la última actualización de la lista, aparece en la portada y en la contraportada.

Por lo general, debe usar las farmacias de la red para usar su beneficio de medicamentos recetados. Los beneficios, la lista, la red de farmacias o los copagos y coseguros pueden cambiar el 1 de enero de 2024 y de manera periódica durante el año.

¿Qué es la Lista de Medicamentos de Generations State of Oklahoma Group Retirees (HMO)?

Es una lista de medicamentos cubiertos seleccionados por nuestro plan en consulta con un equipo de proveedores de atención médica, que representa las terapias recetadas consideradas como una parte necesaria de un programa de tratamiento de calidad. Nuestro plan, por lo general, cubrirá los medicamentos que figuran en nuestra lista, siempre y cuando el medicamento sea médicamente necesario, la receta sea surtida en una farmacia de la red del plan y se cumplan otras normas del plan. Para obtener más información sobre cómo surtir sus recetas, consulte su Evidencia de Cobertura.

Para obtener una lista completa de todos los medicamentos recetados cubiertos por nuestro plan, visite nuestro sitio web o llámenos. Nuestra información de contacto, junto con la fecha de la última actualización de la lista, aparece en la portada y en la contraportada.

¿Puede cambiar la Lista (lista de medicamentos)?

La mayoría de los cambios en la cobertura de medicamentos se producen el 1 de enero, pero podemos agregar o eliminar medicamentos de la Lista de Medicamentos durante el año, moverlos a diferentes niveles de costo compartido o agregar nuevas restricciones. Debemos cumplir con las normas de Medicare para realizar estos cambios.

Cambios que pueden afectarle este año: En los siguientes casos, usted se verá afectado por los cambios en la cobertura durante el año:

- **Nuevos medicamentos genéricos.** Podemos eliminar inmediatamente un medicamento de marca registrada de nuestra Lista de Medicamentos si lo reemplazamos con un nuevo medicamento genérico que aparecerá en el mismo nivel de costo compartido o uno más bajo, y con las mismas o con menos restricciones. Además, al agregar el nuevo medicamento genérico, podemos decidir mantener el medicamento de marca registrada en nuestra Lista de Medicamentos, pero inmediatamente moverlo a un nivel de costo compartido diferente o agregar nuevas restricciones. Si actualmente usted está tomando ese medicamento de marca registrada, podríamos no avisarle con anticipación que realizaremos ese cambio, pero luego le proporcionaremos información sobre el cambio o los cambios específicos que hicimos.
 - Si realizamos ese cambio, usted o el recetador pueden solicitarnos hacer una excepción y continuar con la cobertura de su medicamento de marca registrada. El aviso que le enviaremos también incluirá información sobre cómo solicitar una excepción, y puede encontrar información en la sección a continuación titulada “¿Cómo solicito una excepción a la Lista de Medicamentos de Generations State of Oklahoma Group Retirees (HMO)?”
- **Medicamentos retirados del mercado.** Si la Administración de Alimentos y Medicamentos considera que un medicamento incluido en nuestra lista de medicamentos no es seguro, o si el fabricante del medicamento lo retira del mercado, lo retiraremos de nuestra lista de inmediato y se lo notificaremos a los miembros que toman el medicamento.
- **Otros cambios.** Es posible que realicemos otros cambios que afecten a los miembros que actualmente toman un medicamento. Por ejemplo, podemos agregar un medicamento genérico que no es nuevo en el mercado para reemplazar un medicamento de marca registrada que se encuentra

actualmente en la lista de medicamentos, o podemos agregar nuevas restricciones al medicamento de marca registrada, moverlo a un nivel de costo compartido diferente, o ambas cosas. También podemos realizar cambios basados en nuevas pautas clínicas. Si retiramos medicamentos de nuestra lista de medicamentos, agregamos una autorización previa, límites de cantidad o restricciones de terapia escalonada para un medicamento, o cambiamos un medicamento a un nivel de costo compartido más alto, debemos notificar a los miembros afectados sobre el cambio al menos 30 días antes de que el cambio entre en vigor, o cuando el miembro solicita un nuevo surtido del medicamento, momento en el cual recibirá un suministro por 30 días del medicamento.

- Si realizamos estos cambios, usted o el recetador pueden solicitarnos hacer una excepción y continuar con la cobertura de su medicamento de marca registrada. El aviso que le enviaremos también incluirá información sobre cómo solicitar una excepción, y también puede encontrar información en la sección a continuación titulada “¿Cómo solicito una excepción a la Lista de medicamentos de Generations State of Oklahoma Group Retirees (HMO)?”

Cambios que no le afectarán si actualmente está tomando el medicamento. Por lo general, si usted está tomando un medicamento de nuestra Lista de Medicamentos 2024 que estaba cubierto al comienzo del año, no interrumpiremos ni reduciremos la cobertura del medicamento durante el año de cobertura 2024, salvo lo descrito anteriormente. Esto significa que estos medicamentos seguirán disponibles con el mismo costo compartido y sin nuevas restricciones para aquellos miembros que los tomen durante el resto del año de cobertura. Este año no se le notificarán directamente sobre los cambios que no lo afecten. Sin embargo, el 1 de enero del año siguiente, dichos cambios pueden afectarlo, y es importante revisar la Lista de Medicamentos del nuevo año de beneficios para ver si hay cambios en los medicamentos.

La lista adjunta entra en vigor a partir del 11/01/2024. Para obtener información actualizada sobre los medicamentos cubiertos por nuestro plan, comuníquese con nosotros. Nuestra información de contacto aparece en la portada y en la contraportada. En caso de que se produzcan cambios a mediados de año en la lista de medicamentos que no sean de mantenimiento, las listas se actualizarán mensualmente y se publicarán en nuestro sitio web.

¿Cómo utilizo la Lista de Medicamentos?

Existen dos maneras de encontrar su medicamento en la lista de medicamentos:

Afección Médica

La lista comienza en la página 14. Los medicamentos de esta lista de medicamentos están agrupados en categorías según el tipo de afección médica para la que se utilizan. Por ejemplo, los medicamentos utilizados para tratar una afección cardíaca se enumeran en la categoría “Cardiovascular”. Si sabe para qué se utiliza su medicamento, busque el nombre de la categoría en la lista que comienza en la página 14. Luego busque su medicamento en el nombre de la categoría.

Listado Alfabético

Si no está seguro en qué categoría buscar, debe buscar su medicamento en el Índice que comienza en la página 96. El Índice proporciona una lista alfabética de todos los medicamentos incluidos en este documento. Tanto los medicamentos de marca registrada como los medicamentos genéricos figuran en el Índice. Busque en el Índice para encontrar su medicamento. Junto con su medicamento, verá el número

de página donde puede encontrar información sobre la cobertura. Vaya a la página que aparece en el Índice y busque el nombre de su medicamento en la primera columna de la lista.

¿Qué son los medicamentos genéricos?

Nuestro plan cubre tanto medicamentos de marca registrada como medicamentos genéricos. Un medicamento genérico es uno aprobado por la Administración de Alimentos y Medicamentos (Food and Drug Administration, FDA) que contiene el mismo ingrediente activo que el medicamento de marca registrada. Por lo general, los medicamentos genéricos cuestan menos que los medicamentos de marca registrada.

¿Existe alguna restricción en mi cobertura?

Algunos medicamentos cubiertos pueden tener requisitos o límites adicionales en la cobertura. Estos requisitos y límites pueden incluir:

- **Autorización Previa:** Nuestro plan necesita que usted o su médico obtengan una autorización previa para obtener ciertos medicamentos. Esto significa que necesitará obtener una aprobación de nuestro plan antes de obtener los medicamentos con receta médica. Si no obtiene la aprobación, es posible que no cubramos el medicamento.
- **Límites de Cantidades:** Para ciertos medicamentos, nuestro plan limita la cantidad del medicamento que cubrirá nuestro plan. Por ejemplo, nuestro plan proporciona 30 comprimidos por receta para rosuvastatina. Esto puede ser adicional a un suministro estándar para un mes o tres meses.
- **Terapia Escalonada:** En algunos casos, nuestro plan requiere que primero pruebe otros medicamentos para tratar su afección médica antes de cubrir otro medicamento para esa afección. Por ejemplo, si el medicamento A y el medicamento B tratan una condición médica, podemos no cubrir el medicamento B a menos que pruebe con el medicamento A primero. Si el medicamento A no funciona, le cubriremos el medicamento B.

Puede averiguar si su medicamento tiene requisitos o límites adicionales consultando la lista que comienza en la página 14. También puede obtener más información sobre las restricciones aplicadas a medicamentos cubiertos específicos visitando nuestro sitio web. Hemos publicado documentos en línea que explican nuestras restricciones de autorización previa y terapia escalonada. También puede solicitarnos que le enviemos una copia. Nuestra información de contacto, junto con la fecha de la última actualización de la lista, aparece en la portada y en la contraportada.

Puede solicitar que se haga una excepción a estas restricciones o límites en nuestros planes, o que le hagan una lista de otros medicamentos similares que puedan tratar su afección médica. Consulte la sección “¿Cómo solicito una excepción a la Lista de medicamentos de Generations State of Oklahoma Group Retirees (HMO)?” en la página 11 para obtener información sobre cómo solicitar una excepción.

¿Qué pasa si mi medicamento no está en la Lista de Medicamentos?

Si su medicamento no está incluido en esta lista (lista de medicamentos cubiertos), primero debe comunicarse con el Servicio de Atención al Cliente y preguntar si su medicamento está cubierto.

Si se entera de que nuestro plan no cubre su medicamento, tiene dos opciones:

- Puede solicitar al Servicio de Atención al Cliente una lista de medicamentos similares que estén cubiertos por nuestro plan. Cuando reciba la lista, muéstrasela a su médico y pídale que le recete un medicamento similar que esté cubierto por nuestro plan.
- Puede solicitar que nuestro plan haga una excepción para que cubra su medicamento. Consulte la siguiente sección para obtener información sobre cómo solicitar una excepción.

¿Cómo solicito una excepción a la Lista de Medicamentos de Generations State of Oklahoma Group Retirees (HMO)?

Puede solicitar que se haga una excepción a nuestras normas de cobertura en nuestro plan. Existen varios tipos de excepciones que puede solicitarnos.

- Puede solicitarnos que cubramos un medicamento incluso si no está en nuestra lista de medicamentos. Si se aprueba, este medicamento estará cubierto a un nivel de costo compartido predeterminado, y usted no podrá solicitarnos que le proporcionemos el medicamento a un nivel de costo compartido más bajo.
- Puede solicitarnos que cubramos un medicamento de la lista de medicamentos en un nivel de costo compartido más bajo, a menos que el medicamento se encuentre en el nivel especializado. Si se aprueba, esto disminuiría el monto que debe pagar por su medicamento.
- Puede solicitarnos que no apliquemos restricciones ni límites de cobertura a su medicamento. Por ejemplo, para ciertos medicamentos, el plan limita la cantidad del medicamento que cubriremos. Si su medicamento tiene un límite de cantidad, puede solicitarnos que no apliquemos el límite y que cubramos una cantidad mayor.

Por lo general, nuestro plan aprobará su solicitud de una excepción únicamente si los medicamentos alternativos incluidos en la lista de medicamentos del plan, el medicamento de menor costo compartido o las restricciones de utilización adicionales no son tan eficaces para tratar su afección o harán que padezca efectos médicos adversos.

Debe comunicarse con nosotros para solicitarnos una decisión inicial sobre la cobertura de una excepción a la lista, el nivel o la restricción de utilización. **Cuando solicita una excepción a la lista, el nivel o la restricción de utilización, debe presentar una declaración de su recetador o médico que respalde su solicitud.** Por lo general, debemos tomar una decisión dentro de las 72 horas después de recibir la declaración de apoyo de su recetador. Puede solicitar una excepción acelerada (rápida) si usted o su médico creen que su salud podría verse gravemente afectada si espera hasta 72 horas por una decisión. Si se concede su solicitud acelerada, debemos darle una decisión a más tardar 24 horas después de recibir una declaración de apoyo de su médico u otro recetador.

¿Qué debo hacer antes de hablar con mi médico sobre cambiar mis medicamentos o solicitar una excepción?

Como miembro nuevo o existente de nuestro plan, es posible que esté tomando medicamentos que no están en nuestra lista de medicamentos. También puede suceder que esté tomando un medicamento que está en nuestra lista de medicamentos, pero su capacidad para conseguirlo es limitada. Por ejemplo, es posible que necesite nuestra autorización previa antes de que pueda obtener su receta. Debe hablar con su médico para

decidir si debe cambiar a un medicamento apropiado que cubramos, o solicitar una excepción a la lista de medicamentos para que cubramos el medicamento que toma. Mientras habla con su médico para determinar qué medida es adecuada para usted, podemos cubrir su medicamento en ciertos casos durante los primeros 90 días en los que usted es miembro de nuestro plan.

Para cada uno de sus medicamentos que no está en nuestra lista de medicamentos, o si su capacidad para obtener sus medicamentos es limitada, cubriremos un suministro temporal por 30 días. Si su receta médica está escrita por menos días, entregaremos renovaciones para proporcionar hasta un suministro máximo por 30 días de medicamentos. Después de su primer suministro por 30 días, no pagaremos estos medicamentos, incluso si ha sido miembro del plan durante menos de 90 días.

Si usted es residente de un centro de atención médica a largo plazo y necesita un medicamento que no está en nuestra lista de medicamentos, o si su capacidad para obtener sus medicamentos es limitada, pero ya pasaron los primeros 90 días de membresía en nuestro plan, cubriremos un suministro de emergencia por 31 días de ese medicamento mientras usted busca una excepción a la lista.

Si usted es un miembro actual de nuestro plan, también cubriremos un suministro de transición temporal si sus medicamentos cambian debido a un cambio en el nivel de atención. Esto puede incluir cambios no planificados en los entornos de tratamiento, como ser dado de alta de un centro de cuidados intensivos (hospital) o ser hospitalizado o dado de alta de un centro de atención médica a largo plazo. Por cada medicamento que no esté en nuestra lista de medicamentos o si su capacidad para obtener sus medicamentos es limitada, cubriremos un suministro temporal por 30 días (un suministro por hasta 31 días si usted es residente de un centro de atención médica a largo plazo) cuando vaya a una farmacia de la red.

Puede encontrar información sobre lo que significan los símbolos y las abreviaturas en esta tabla:

- **PA - Autorización Previa.** El plan necesita que usted o su proveedor obtengan una autorización previa para ciertos medicamentos. Esto significa que necesitará obtener nuestra aprobación antes de obtener los medicamentos con receta médica. Si no obtiene la aprobación, es posible que no cubramos el medicamento.
- **QL - El medicamento tiene un límite de cantidad.** Para ciertos medicamentos, nuestro plan limita la cantidad del medicamento que cubriremos. Por ejemplo, nuestro plan proporciona 30 comprimidos por 30 días por receta de rosuvastatina.
- **ST - Terapia Escalonada.** En algunos casos, nuestro plan requiere que primero pruebe otros medicamentos para tratar su afección médica antes de cubrir otro medicamento para esa afección. Por ejemplo, si el medicamento A y el medicamento B tratan una condición médica, podemos no cubrir el medicamento B a menos que pruebe con el medicamento A primero. Si el medicamento A no funciona, le cubriremos el medicamento B.
- **NM - No está disponible en nuestras farmacias de pedidos por correo.**
