Este documento incluye una lista de los medicamentos (lista) de nuestro plan que entra en vigor a partir del 11/01/2022. Para obtener una lista actualizada, comuníquese con nosotros. Nuestra información de contacto, junto con la fecha de la última actualización de la lista, aparece en la portada y en la contraportada.

Por lo general, debe usar las farmacias de la red para usar su beneficio de medicamentos recetados. Los beneficios, la lista, la red de farmacias o los copagos y coseguros pueden cambiar el 1 de enero de 2022 y de manera periódica durante el año.

¿Qué es la Lista de Medicamentos de Global Special Care (HMO C-SNP) y Global Special Care Savings (HMO C-SNP) ?

Es una lista de medicamentos cubiertos seleccionados por nuestro plan en consulta con un equipo de proveedores de atención médica, que representa las terapias recetadas consideradas como una parte necesaria de un programa de tratamiento de calidad. Nuestro plan, por lo general, cubrirá los medicamentos que figuran en nuestra lista, siempre y cuando el medicamento sea médicalemente necesario, la receta sea surtida en una farmacia de la red del plan y se cumplan otras normas del plan. Para obtener más información sobre cómo surtir sus recetas, consulte su Evidencia de Cobertura.

Para obtener una lista completa de todos los medicamentos recetados cubiertos por nuestro plan, visite nuestro sitio web o llámenos. Nuestra información de contacto, junto con la fecha de la última actualización de la lista, aparece en la portada y en la contraportada.

¿Puede cambiar la Lista (lista de medicamentos)?

La mayoría de los cambios en la cobertura de medicamentos se producen el 1 de enero, pero podemos agregar o eliminar medicamentos de la Lista de Medicamentos durante el año, moverlos a diferentes niveles de costo compartido o agregar nuevas restricciones. Debemos cumplir con las normas de Medicare para realizar estos cambios.

Cambios que pueden afectarle este año: En los siguientes casos, usted se verá afectado por los cambios en la cobertura durante el año:

- **Nuevos medicamentos genéricos.** Podemos eliminar inmediatamente un medicamento de marca registrada de nuestra Lista de Medicamentos si lo reemplazamos con un nuevo medicamento genérico que aparecerá en el mismo nivel de costo compartido o uno más bajo, y con las mismas o con menos restricciones. Además, al agregar el nuevo medicamento genérico, podemos decidir mantener el medicamento de marca registrada en nuestra Lista de Medicamentos, pero inmediatamente moverlo a un nivel de costo compartido diferente o agregar nuevas restricciones. Si actualmente usted está tomando ese medicamento de marca registrada, podríamos no avisarle con anticipación que realizaremos ese cambio, pero luego le proporcionaremos información sobre el cambio o los cambios específicos que hicimos.
 - Si realizamos ese cambio, usted o el recetador pueden solicitarnos hacer una excepción y continuar con la cobertura de su medicamento de marca registrada. El aviso que le enviaremos también incluirá

información sobre cómo solicitar una excepción, y puede encontrar información en la sección a continuación titulada “¿Cómo solicito una excepción a la Lista de Medicamentos de Global Special Care (HMO C-SNP) y Global Special Care Savings (HMO C-SNP)?”

- **Medicamentos retirados del mercado.** Si la Administración de Alimentos y Medicamentos considera que un medicamento incluido en nuestra lista de medicamentos no es seguro, o si el fabricante del medicamento lo retira del mercado, lo retiraremos de nuestra lista de inmediato y se lo notificaremos a los miembros que toman el medicamento.
- **Otros cambios.** Es posible que realicemos otros cambios que afecten a los miembros que actualmente toman un medicamento. Por ejemplo, podemos agregar un medicamento genérico que no es nuevo en el mercado para reemplazar un medicamento de marca registrada que se encuentra actualmente en la lista de medicamentos, o podemos agregar nuevas restricciones al medicamento de marca registrada, moverlo a un nivel de costo compartido diferente, o ambas cosas. También podemos realizar cambios basados en nuevas pautas clínicas. Si retiramos medicamentos de nuestra lista de medicamentos, agregamos una autorización previa, límites de cantidad o restricciones de terapia escalonada para un medicamento, o cambiamos un medicamento a un nivel de costo compartido más alto, debemos notificar a los miembros afectados sobre el cambio al menos 30 días antes de que el cambio entre en vigor, o cuando el miembro solicita un nuevo surtido del medicamento, momento en el cual recibirá un suministro por 30 días del medicamento.
 - Si realizamos estos cambios, usted o el recetador pueden solicitarnos hacer una excepción y continuar con la cobertura de su medicamento de marca registrada. El aviso que le enviaremos también incluirá información sobre cómo solicitar una excepción, y también puede encontrar

información en la sección a continuación titulada “¿Cómo solicito una excepción a la Lista de Medicamentos de Global Special Care (HMO C-SNP) y Global Special Care Savings (HMO C-SNP)?”

Cambios que no le afectarán si actualmente está tomando el medicamento. Por lo general, si usted está tomando un medicamento de nuestra Lista de Medicamentos 2022 que estaba cubierto al comienzo del año, no interrumpiremos ni reduciremos la cobertura del medicamento durante el año de cobertura 2022, salvo lo descrito anteriormente. Esto significa que estos medicamentos seguirán disponibles con el mismo costo compartido y sin nuevas restricciones para aquellos miembros que los tomen durante el resto del año de cobertura. Este año no se le notificarán directamente sobre los cambios que no lo afecten. Sin embargo, el

1 de enero del año siguiente, dichos cambios pueden afectarlo, y es importante revisar la Lista de Medicamentos del nuevo año de beneficios para ver si hay cambios en los medicamentos.

La lista adjunta entra en vigor a partir del 11/01/2022. Para obtener información actualizada sobre los medicamentos cubiertos por nuestro plan, comuníquese con nosotros. Nuestra información de contacto aparece en la portada y en la contraportada. En caso de que se produzcan cambios a mediados de año en la lista de medicamentos que no sean de mantenimiento, las listas se actualizarán mensualmente y se publicarán nuestro sitio web.

¿Cómo utilizo la Lista de Medicamentos?

Existen dos maneras de encontrar su medicamento en la lista de medicamentos:

Afección Médica

La lista comienza en la página 8. Los medicamentos de esta lista de medicamentos están agrupados en

categorías según el tipo de afección médica para la que se utilizan. Por ejemplo, los medicamentos utilizados para tratar una afección cardíaca se enumeran en la categoría “Cardiovascular”. Si sabe para qué se utiliza su medicamento, busque el nombre de la categoría en la lista que comienza en la página 8. Luego busque su medicamento en el nombre de la categoría.

Listado Alfabético

Si no está seguro en qué categoría buscar, debe buscar su medicamento en el Índice que comienza en la página 85. El Índice proporciona una lista alfabética de todos los medicamentos incluidos en este documento. Tanto los medicamentos de marca registrada como los medicamentos genéricos figuran en el Índice. Busque en el Índice para encontrar su medicamento. Junto con su medicamento, verá el número de página donde puede encontrar información sobre la cobertura. Vaya a la página que aparece en el Índice y busque el nombre de su medicamento en la primera columna de la lista.

¿Qué son los medicamentos genéricos?

Nuestro plan cubre tanto medicamentos de marca registrada como medicamentos genéricos. Un medicamento genérico es uno aprobado por la Administración de Alimentos y Medicamentos (Food and Drug Administration, FDA) que contiene el mismo ingrediente activo que el medicamento de marca registrada. Por lo general, los medicamentos genéricos cuestan menos que los medicamentos de marca registrada.

¿Existe alguna restricción en mi cobertura?

Algunos medicamentos cubiertos pueden tener requisitos o límites adicionales en la cobertura. Estos requisitos y límites pueden incluir:

- **Autorización Previa:** Nuestro plan necesita que usted o su médico obtengan una autorización previa para obtener ciertos medicamentos. Esto significa que necesitará obtener una aprobación de nuestro plan antes de obtener los medicamentos con receta médica. Si no obtiene la aprobación, es posible que no cubramos el medicamento.
- **Límites de Cantidad:** Para ciertos medicamentos, nuestro plan limita la cantidad del medicamento que cubrirá nuestro plan. Por ejemplo, nuestro plan proporciona 30 comprimidos por receta para rosuvastatina. Esto puede ser adicional a un suministro estándar para un mes o tres meses.
- **Terapia Escalonada:** En algunos casos, nuestro plan requiere que primero pruebe otros medicamentos para tratar su afección médica antes de cubrir otro medicamento para esa afección. Por ejemplo, si el medicamento A y el medicamento B tratan una condición médica, podemos no cubrir el medicamento B a menos que pruebe con el medicamento A primero. Si el medicamento A no funciona, le cubriremos el medicamento B.

Puede averiguar si su medicamento tiene requisitos o límites adicionales consultando la lista que comienza en la página 9. También puede obtener más información sobre las restricciones aplicadas a medicamentos cubiertos específicos visitando nuestro sitio web. Hemos publicado documentos en línea que explican nuestras restricciones de autorización previa y terapia escalonada. También puede solicitarnos que le enviemos una copia. Nuestra información de contacto, junto con la fecha de la última actualización de la lista, aparece en la portada y en la contraportada.

Puede solicitar que se haga una excepción a estas restricciones o límites en nuestros planes, o que le hagan una lista de otros medicamentos similares que puedan tratar su afección médica. Consulte la sección “¿Cómo solicito una excepción a la Lista de medicamentos de Global Special Care (HMO C-SNP) y Global Special Care”.

Savings (HMO C-SNP) ?” en la página 5 para obtener información sobre cómo solicitar una excepción.

¿Qué pasa si mi medicamento no está en la Lista de Medicamentos?

Si su medicamento no está incluido en esta lista (lista de medicamentos cubiertos), primero debe comunicarse con el Servicio de Atención al Cliente y preguntar si su medicamento está cubierto.

Si se entera de que nuestro plan no cubre su medicamento, tiene dos opciones:

- Puede solicitar al Servicio de Atención al Cliente una lista de medicamentos similares que estén cubiertos por nuestro plan. Cuando reciba la lista, muéstresela a su médico y pídale que le recete un medicamento similar que esté cubierto por nuestro plan.
- Puede solicitar que nuestro plan haga una excepción para que cubra su medicamento. Consulte la siguiente sección para obtener información sobre cómo solicitar una excepción.

¿Cómo solicito una excepción a la Lista de Medicamentos de Global Special Care (HMO C-SNP) y Global Special Care Savings (HMO C-SNP) ?

Puede solicitar que se haga una excepción a nuestras normas de cobertura en nuestro plan. Existen varios tipos de excepciones que puede solicitarnos.

- Puede solicitarnos que cubramos un medicamento incluso si no está en nuestra lista de medicamentos. Si se aprueba, este medicamento estará cubierto a un nivel de costo compartido predeterminado, y usted no podrá solicitarnos que le proporcionemos el medicamento a un nivel de costo compartido más bajo.
- Puede solicitarnos que cubramos un medicamento de la lista de medicamentos en un nivel de costo compartido más bajo, a menos que el medicamento se encuentre en el nivel especializado. Si se aprueba, esto disminuiría el monto que debe pagar por su medicamento.
- Puede solicitarnos que no apliquemos restricciones ni límites de cobertura a su medicamento. Por ejemplo, para ciertos medicamentos, el plan limita la cantidad del medicamento que cubriremos. Si su medicamento tiene un límite de cantidad, puede solicitarnos que no apliquemos el límite y que cubramos una cantidad mayor.

Por lo general, nuestro plan aprobará su solicitud de una excepción únicamente si los medicamentos alternativos incluidos en la lista de medicamentos del plan, el medicamento de menor costo compartido o las restricciones de utilización adicionales no son tan eficaces para tratar su afección o harán que padezca efectos médicos adversos.

Debe comunicarse con nosotros para solicitarnos una decisión inicial sobre la cobertura de una excepción a la lista, el nivel o la restricción de utilización. **Cuando solicita una excepción a la lista, el nivel o la restricción de utilización, debe presentar una declaración de su recetador o médico que respalde su solicitud.** Por lo general, debemos tomar una decisión dentro de las 72 horas después de recibir la declaración de apoyo de su recetador. Puede solicitar una excepción acelerada (rápida) si usted o su médico creen que su salud podría verse gravemente afectada si espera hasta 72 horas por una decisión. Si se concede su solicitud acelerada, debemos darle una decisión a más tardar 24 horas después de recibir una declaración de apoyo de su médico u otro recetador.

¿Qué debo hacer antes de hablar con mi médico sobre cambiar mis medicamentos o solicitar una excepción?

Como miembro nuevo o existente de nuestro plan, es posible que esté tomando medicamentos que no están en

nuestra lista de medicamentos. También puede suceder que esté tomando un medicamento que está en nuestra lista de medicamentos, pero su capacidad para conseguirlo es limitada. Por ejemplo, es posible que necesite nuestra autorización previa antes de que pueda obtener su receta. Debe hablar con su médico para decidir si debe cambiar a un medicamento apropiado que cubramos, o solicitar una excepción a la lista de medicamentos para que cubramos el medicamento que toma. Mientras habla con su médico para determinar qué medida es adecuada para usted, podemos cubrir su medicamento en ciertos casos durante los primeros

90 días en los que usted es miembro de nuestro plan.

Para cada uno de sus medicamentos que no está en nuestra lista de medicamentos, o si su capacidad para obtener sus medicamentos es limitada, cubriremos un suministro temporal por 30 días. Si su receta médica está escrita por menos días, entregaremos renovaciones para proporcionar hasta un suministro máximo por 30 días de medicamentos. Después de su primer suministro por 30 días, no pagaremos estos medicamentos, incluso si ha sido miembro del plan durante menos de 90 días.

Si usted es residente de un centro de atención médica a largo plazo y necesita un medicamento que no está en nuestra lista de medicamentos, o si su capacidad para obtener sus medicamentos es limitada, pero ya pasaron los primeros 90 días de membresía en nuestro plan, cubriremos un suministro de emergencia por 31 días de ese medicamento mientras usted busca una excepción a la lista.

Si usted es un miembro actual de nuestro plan, también cubriremos un suministro de transición temporal si sus medicamentos cambian debido a un cambio en el nivel de atención. Esto puede incluir cambios no planificados en los entornos de tratamiento, como ser dado de alta de un centro de cuidados intensivos (hospital) o ser hospitalizado o dado de alta de un centro de atención médica a largo plazo. Por cada medicamento que no esté en nuestra lista de medicamentos o si su capacidad para obtener sus medicamentos es limitada, cubriremos un suministro temporal por 30 días (un suministro por hasta 31 días si usted es residente de un centro de atención médica a largo plazo) cuando vaya a una farmacia de la red.
