Section 1 – Introduction

This directory provides a list of GlobalHealth's network providers.

You will have to choose one of our network providers listed in this directory to be your **P**rimary **C**are **P**rovider (PCP). Generally, you must get your health care services from your PCP. Your PCP will provide a wide array of basic and routine services. Each provider type subsection in this Provider Directory tells you if you need a referral or not. For more information on services you may obtain without a referral, please see Chapter 4 of your *Evidence of Coverage*.

GlobalHealth is required to maintain written standards for timeliness of access to care (i.e., appointment wait times) that meet or exceed CMS' standards (§ 422.112 (a)(6). Appointment wait times for primary care and behavioral health services must meet the minimum standards as follows:

- Urgently needed services or emergency – immediately;
- Services that are not emergency or urgently needed, but the enrollee requires medical attention – within 7 calendar days; and
- Routine and preventive care – within 30 calendar days.

The network providers listed in this directory have agreed to provide you with your health care, vision, and dental services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

Please note: While you can get your care from an out-of-network provider, the provider must be eligible to participate in Medicare. Except for emergency care, we cannot pay a provider who has opted out of or been excluded or precluded from the Medicare Program. If you go to a provider who is not eligible to participate in Medicare, you will be responsible for the full cost of the services you receive. Check with your provider before receiving services to confirm that they are eligible to participate in Medicare.

Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

You may obtain emergency services from the closest available provider, and you may obtain urgently needed services from any qualified provider when out of the plan's service area or when network providers are unavailable.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor GlobalHealth will be responsible for the costs.

With the exception of emergencies, it may cost more to get care from out-of-network providers.

Sección 1: Introducción

En este directorio, se proporciona una lista de los proveedores de la red de GlobalHealth.

Deberá elegir uno de los proveedores de nuestra red que se enumeran en este directorio para que sea su Proveedor de Atención Primaria (PCP). Por lo general, debe recibir atención médica de su PCP. El PCP le brindará una amplia variedad de servicios básicos y de rutina. En cada subsección de tipo de proveedor de este Directorio de Proveedores, se indica si se requiere una remisión o no. Para obtener más información sobre los servicios que puede obtener sin una remisión, consulte el Capítulo 4 de su *Evidencia de Cobertura.*

GlobalHealth está obligado a mantener estándares escritos para la puntualidad del acceso a la atención (es decir, los tiempos de espera de las citas) que cumplan o superen los estándares de los CMS (§ 422.112 (a)(6). Los tiempos de espera de las citas para los servicios de atención primaria y salud conductual deben cumplir con los estándares mínimos de la siguiente manera:

- Servicios de urgencia o emergencia, de inmediato;
- Servicios que no son de emergencia o que se necesitan con urgencia, pero que el afiliado requiere atención médica, dentro de los 7 días calendario; y
- Atención de rutina y preventiva: dentro de los 30 días calendario.

Los proveedores de la red que se enumeran en este directorio aceptaron brindarle sus servicios de atención médica oftalmológica y odontológica. Puede consultar a cualquiera de los proveedores de nuestra red que se enumeran en este directorio. Sin embargo, algunos servicios pueden requerir una remisión. Si ha estado acudiendo a un proveedor de la red, no es necesario que continúe acudiendo a ese mismo proveedor. En algunos casos, es posible que obtenga servicios cubiertos de proveedores fuera de la red.

Tenga en cuenta lo siguiente: Si bien puede recibir atención de un proveedor fuera de la red,

este debe ser elegible para participar en Medicare. Excepto por la atención médica de emergencia, no podemos pagarle a un proveedor que haya salido o que haya sido excluido o descartado del Programa de Medicare. Si consulta a un proveedor que no es elegible para participar en Medicare, usted será responsable del costo total de los servicios que reciba.

Verifique con su proveedor antes de recibir los servicios a fin de confirmar que es elegible para participar en Medicare.

Los proveedores fuera de la red o no contratados no tienen la obligación de tratar a los miembros del Plan, excepto en situaciones de emergencia. Llame a nuestro número de servicio al cliente o consulte su Evidencia de Cobertura para obtener más información, incluido el costo compartido que se aplica a los servicios fuera de la red.

En los casos en que los proveedores fuera de la red le presenten una factura directamente a usted, usted no debe pagarla, pero debe enviarla al plan para su procesamiento y determinación de su responsabilidad, si corresponde.

Puede obtener servicios de emergencia del proveedor disponible más cercano, y puede obtener servicios urgentes de cualquier proveedor calificado cuando esté fuera del área de servicio del plan o cuando los proveedores de la red no estén disponibles.

Debe utilizar proveedores de la red, excepto en situaciones de emergencia o de urgencia, o para recibir diálisis renal u otros servicios fuera del área. Si recibe atención de rutina de proveedores fuera de la red, ni Medicare ni GlobalHealth serán responsables de los costos.

Con excepción de las emergencias, puede costar más recibir atención de proveedores fuera de la red.

¿Cuál es el área de servicio de mi plan?

Los condados que se encuentran en nuestra área de servicio se enumeran a continuación.
