Important Information

This Network of Providers is available to all Members who enrolled in GlobalHealth through an employer group in the State of Oklahoma plan, including State, Education, and Local Government employees who enrolled through the State of Oklahoma benefits enrollment process.

With GlobalHealth, you get a wide range of services to meet your healthcare needs and a large network of Primary Care Physicians (PCPs) and Specialists. You are covered 24 hours a day, every day of the year.

You will need to choose a PCP from the list of physicians in this *Physician and Health Providers Directory* (*Provider Directory*) before you see a doctor. Feel free to choose any available PCP from the list, including a pediatrician for children. You and each Member of your family may choose the same PCP, or you may have different PCPs.

Member Materials
Please read this *Provider Directory* and other member materials carefully.

Information Needed	Where to Find It
How your Plan works (what is covered, how it is covered, and how to access it) and your Cost-share responsibility (Deductible, Copayment, Coinsurance, and Out-of-Pocket Limit)	Refer to your HMO Member Handbook.
Lists of your covered drugs. It explains what Tier a drug is in and any restrictions for each drug.	Refer to your Formulary Drug List.
Lists of pharmacies	Pharmacy Directory
Lists of physicians and Facilities	This Provider Directory

Member materials are available on our website. Contact us for printed copies. But, be aware that the most current *Drug Formulary, Pharmacy Directory,* and *Provider Directory* lists are on the website.

This is an important legal document. Please keep it in a safe place.

When this document says “we”, “us”, or “our”, it means GlobalHealth, Inc. Words or phrases that start with a capital letter are defined in the *Member Handbook* glossary.

Provider Search
Visit www.GlobalHealth.com to use the online provider search. Our online list of Network of Providers is updated at least weekly. Visit our website to find a current *Provider Directory* and search tool online for the latest information. Search by first and last name, county, and zip code. You can also narrow your search by specialty, languages spoken, or gender. Preferred Facilities are indicated with an asterisk.

Provider Network Criteria
GlobalHealth evaluates the characteristics of its Service Area, the needs of its proposed Members, and its proposed products including existing Referral patterns to establish a Provider Network in its Service Area.

Provider Listings
