Annual Notice of Changes for 2025

You are currently enrolled as a member of Generations Dual Support (HMO D-SNP). Next year, there will be changes to the plan's costs and benefits. ***Please see page 4 for a Summary of Important Costs, including Premium.***

This document tells about the changes to your plan. To get more information about costs, benefits, or rules please review the *Evidence of Coverage*, which is located on our website at www.globalhealth.com. You may also call Customer Care to ask us to mail you an *Evidence of Coverage*.

What to do now

1. ASK: Which changes apply to you

- Check the changes to our benefits and costs to see if they affect you.
 - Review the changes to medical care costs (doctor, hospital).
 - Review the changes to our drug coverage, including coverage restrictions and cost-sharing.
 - Think about how much you will spend on premiums, deductibles, and cost-sharing.
 - Check the changes in the 2025 "Drug List" to make sure the drugs you currently take are still covered.
 - Compare the 2024 and 2025 plan information to see if any of these drugs will be subject to different restrictions, such as prior authorization, step therapy, or a quantity limit, for 2025.
- Check to see if your primary care doctors, specialists, hospitals and other providers, including pharmacies, will be in our network next year.
- Check if you qualify for help paying for prescription drugs. People with limited incomes may qualify for "Extra Help" from Medicare.
- Think about whether you are happy with our plan.

2. COMPARE: Learn about other plan choices

- Check coverage and costs of plans in your area. Use the Medicare Plan Finder at the www.medicare.gov/plan-compare website or review the list in the back of your *Medicare & You 2025* handbook. For additional support, contact your State Health Insurance Assistance Program (SHIP) to speak with a trained counselor.

-
- Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan's website.

3. CHOOSE: Decide whether you want to change your plan

- If you don't join another plan by December 7, 2024, you will stay in Generations Dual Support (HMO D-SNP).
- To **change to a different plan**, you can switch plans between October 15 and December 7. Your new coverage will start on **January 1, 2025**. This will end your enrollment with Generations Dual Support (HMO D-SNP).
- Look in section 3.2, page 11 to learn more about your choices.
- If you recently moved into or currently live in an institution (like a skilled nursing facility or long-term care hospital), you can switch plans or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time. If you recently moved out of an institution, you have an opportunity to switch plans or switch to Original Medicare for two full months after the month you move out.

Summary of Important Costs for 2025

The table below compares the 2024 costs and 2025 costs for Generations Dual Support (HMO D-SNP) in several important areas. **Please note this is only a summary of costs.** If you are eligible for Medicare cost-sharing assistance under Medicaid, you pay \$0 for your deductible, doctor office visits, and inpatient hospital stays. If you are within our plan's one-month period of deemed continued eligibility, we will continue to provide all Medicare Advantage plan-covered Medicare benefits. However, during this period, we will not continue to cover Medicaid benefits that are included under the applicable Medicaid State Plan, nor will we pay the Medicare premiums or cost-sharing for which the state would otherwise be liable had you not lost your Medicaid eligibility. The amount you pay for Medicare-covered services may increase during this period.

Section 1.2 – Changes to Your Maximum Out-of-Pocket Amount

Medicare requires all health plans to limit how much you pay out-of-pocket for the year. This limit is called the maximum out-of-pocket amount. Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

Cost	2024 (this year)	2025 (next year)

Section 1.3 – Changes to the Provider and Pharmacy Networks

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered *only* if they are filled at one of our network pharmacies.

Updated directories are located on our website at www.globalhealth.com. You may also call Customer Care for updated provider and/or pharmacy information or to ask us to mail you a directory, which we will mail within three business days.

There are changes to our network of providers for next year. **Please review the 2025 Provider Directory, www.globalhealth.com, to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

There are changes to our network of pharmacies for next year. **Please review the 2025 Pharmacy Directory, www.globalhealth.com, to see which pharmacies are in our network.**

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers), and pharmacies that are a part of your plan during the year. If a mid-year change in our providers affects you, please contact Customer Care so we may assist.

Section 1.5 – Changes to Part D Prescription Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a Formulary or Drug List. A copy of our Drug List is provided electronically.

We made changes to our Drug List, which could include removing or adding drugs or changing the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

Most of the changes in the Drug List are new for the beginning of each year. However, we might make other changes that are allowed by Medicare rules that will affect you during the plan year. We update our online Drug List at least monthly to provide the most up-to-date list of drugs. If we make a change that will affect your access to a drug you are taking, we will send you a notice about the change.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your *Evidence of Coverage* and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Customer Care for more information.

We currently can immediately remove a brand name drug on our Drug List if we replace it with a new generic drug version and with the same or few restrictions as the brand name drug it replaces. Also, when adding a new generic, we may also decide to keep the brand name drug on our Drug List, but immediately add new restrictions.

Starting in 2025, we can immediately replace original biological products with certain biosimilars. This means, for instance, if you are taking an original biological product that is being replaced by a biosimilar, you may not get notice of the change 30 days before we make it or get a month's supply of your original biological product at a network pharmacy. If you are taking the original biological product at the time we make the change, you will still get information on the specific change we made, but it may arrive after we make the change.

Some of these drug types may be new to you. For definitions of drug types, please see Chapter 12 of your *Evidence of Coverage*. The Food and Drug Administration (FDA) also provides consumer information on drugs. See FDA website: <https://www.fda.gov/drugs/biosimilars/multimedia-education-materials-biosimilars#For%20Patients>. You may also contact Customer Care or ask your health care provider, prescriber, or pharmacist for more information.

Changes to Prescription Drug Benefits and Costs

Beginning in 2025, there are three **drug payment stages**: the Yearly Deductible Stage, the Initial Coverage Stage, and the Catastrophic Coverage Stage. The Coverage Gap Stage and the Coverage Gap Discount Program will no longer exist in the Part D benefit.

The Coverage Gap Discount Program will also be replaced by the Manufacturer Discount Program. Under the Manufacturer Discount Program, drug manufacturers pay a portion of the plan's full cost for covered Part D brand name drugs and biologics during the Initial Coverage Stage and the Catastrophic Coverage Stage. Discounts paid by manufacturers under the Manufacturer Discount Program do not count toward out-of-pocket costs.

Changes to the Catastrophic Coverage Stage

The Catastrophic Coverage Stage is the third and final stage. Beginning in 2025, drug manufacturers pay a portion of the plan's full cost for covered Part D brand name drugs and biologics during the Catastrophic Coverage Stage. Discounts paid by manufacturers under the Manufacturer Discount Program do not count toward out-of-pocket costs.

If you reach the Catastrophic Coverage Stage, you pay nothing for your covered Part D drugs.

SECTION 3 Deciding Which Plan to Choose

Section 3.1 – If you want to stay in Generations Dual Support (HMO D-SNP)

To stay in our plan, you don't need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our Generations Dual Support (HMO D-SNP).

Section 3.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change plans for 2025 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- – OR – You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (www.medicare.gov/plan-compare), read the *Medicare & You 2025* handbook, call your State Health Insurance Assistance Program (see Section 5), or call Medicare (see Section 7.2).

As a reminder, GlobalHealth, Inc. offers other Medicare health plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from Generations Dual Support (HMO D-SNP).
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from Generations Dual Support (HMO D-SNP).
- To **change to Original Medicare without a prescription drug plan**, you must either:
 - Send us a written request to disenroll. Contact Customer Care if you need more information on how to do so.
 - *OR* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

If you switch to Original Medicare and do **not** enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan unless you have opted out of automatic enrollment.

SECTION 4 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2025.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get "Extra Help" paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

Because you have SoonerCare (Medicaid), you can end your membership in our plan any month of the year. You also have options to enroll in another Medicare plan any month including:

- Original Medicare *with* a separate Medicare prescription drug plan,
- Original Medicare without a separate Medicare prescription drug plan (If you choose this option, Medicare may enroll you in a drug plan, unless you have opted out of automatic enrollment.), or
- If eligible, an integrated D-SNP that provides your Medicare and most or all of your Medicaid benefits and services in one plan.

If you enrolled in a Medicare Advantage plan for January 1, 2025, and don't like your plan choice, you can also switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2025.

If you recently moved into or currently live in an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time. If you recently moved out of an institution, you have an opportunity to switch plans or switch to Original Medicare for two full months after the month you move out.

SECTION 5 Programs That Offer Free Counseling about Medicare and Medicaid

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In Oklahoma, the SHIP is called Senior Health Insurance Counseling Program.

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. Senior Health Insurance Counseling Program counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Senior Health Insurance Counseling Program at 1-800-763-2828. You can learn more about Senior Health Insurance

Counseling Program by visiting their website <https://www.oid.ok.gov/consumers/information-for-seniors/senior-health-insurance-counseling-program-ship/>.

For questions about your SoonerCare (Medicaid) benefits, contact SoonerCare (Medicaid) at 1-800-987-7767 (TTY 711), 8 am - 5 pm, Monday through Friday. Ask how joining another plan or returning to Original Medicare affects how you get your SoonerCare (Medicaid) coverage.

SECTION 6 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **"Extra Help" from Medicare.** Because you have Medicaid, you are already enrolled in "Extra Help," also called the Low-Income Subsidy. "Extra Help" pays some of your prescription drug premiums, yearly deductibles and coinsurance. Because you qualify, you do not have a late enrollment penalty. If you have questions about "Extra Help", call:
 - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day, 7 days a week;
 - The Social Security Office at 1-800-772-1213 between 8 am and 7 pm, Monday through Friday for a representative. Automated messages are available 24 hours a day. TTY users should call, 1-800-325-0778; or
 - Your State Medicaid Office.
- **Help from your state's pharmaceutical assistance program.** Oklahoma has a program called RX for Oklahoma that helps people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, check with your State Health Insurance Assistance Program

Evidence of Coverage

The *Evidence of Coverage* (EOC) is essentially your Member Handbook. It contains detailed information on your benefits, cost-shares, and coverage rules for your plan. For example, if you are unsure whether a service requires prior authorization or not, you can find that information in your plan's *EOC*.

Provider Directory

In most cases, you must receive care from an in-network provider.

Drug Formulary*

The *Drug Formulary* (List of Covered Drugs) provides you information about the prescription drugs covered under your plan, including tier placement, and availability of mail order. Additionally, if a prescription drug has prior authorization, step therapy or quantity limits, this information is provided in the *Drug Formulary*.

Pharmacy Directory*

In most cases, your prescriptions are covered only if they are filled at a network pharmacy. Our network includes pharmacies that offer standard cost-sharing and pharmacies that offer preferred cost-sharing. Your cost-sharing may be less at pharmacies with preferred cost-sharing.

Occasionally, the health plan may call current enrollees, including those in non-Medicare products, to discuss plan business (examples of this include calls to enrollees aging into Medicare from commercial products offered by the same organization's existing Medicaid plan enrollees to talk about its Medicare products, and calls to current MA enrollees to promote other Medicare plan types or to discuss plan benefits). If you do not wish to receive these calls, you may opt out by calling us on the number listed on the back of your Member ID card.
