Introduction

This booklet provides a list of GlobalHealth's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and GlobalHealth's formulary.

When this pharmacy directory refers to "we," "us", or "our," it means GlobalHealth, Inc. When it refers to "plan" or "our plan," it means Generations Classic (HMO), Generations Select (HMO), or Generations State of Oklahoma Group Retirees (HMO).

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 04/06/2020. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked preferred pharmacies with a "P" to distinguish them from other pharmacies in our network that offer standard cost-sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called ReadyFill at Mail®. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for Adair, Alfalfa, Blaine, Caddo, Canadian, Cherokee, Cleveland, Cotton, Craig, Creek, Dewey, Garfield, Garvin, Grady, Grant, Haskell, Hughes, Jefferson, Kingfisher, Kiowa, Lincoln, Logan, Major, Mayes, McClain, McIntosh, Muskogee, Noble, Nowata, Okfuskee, Oklahoma, Okmulgee, Osage, Pawnee, Pittsburg, Pontotoc, Pottawatomie, Pushmataha, Rogers, Seminole, Tillman, Tulsa, Wagoner, and Woods counties, which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, contact us at 1-844-280-5555 or, for TTY users, 711, 8:00 a.m. to 8:00 p.m., seven days a week, from October 1 – March 31, and 8:00 a.m. to 8:00 p.m., Monday – Friday, from April 1 – September 30,

We also list pharmacies that are in our network but are outside the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this pharmacy directory on Network Pharmacies outside the service area or contact Customer Care at 1-844-280-5555 (toll-free) or TTY, 711.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Pharmacies are categorized by type of pharmacy. Pharmacies are listed alphabetically by county and then alphabetically by city. To find a pharmacy closest to your home you would first look under the type of pharmacy, then county in which you reside, then the city, and then you can select from an alphabetical list of pharmacies.

Mail Order Pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery program.

If you have used mail order services with your current plan before, or if you opt in now, our pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting us at 1-866-494-3927, TTY 711. If you never had mail order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program called ReadyFill at Mail®. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 15 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling toll-free at 1-866-494-3927 or TTY, 711.

Typically, you should expect to receive your prescription within 10 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-866-494-3927 or TTY 711.

To get order forms and information about filling your prescriptions by mail, go to www.GlobalHealth.com/medicare or contact CVS Caremark Customer Care toll-free at 1-866-494-3927, TTY dial 711.
