Mail Order Pharmacy

CVS Caremark is GlobalHealth's preferred mail-service pharmacy.

Specialty medications are limited to a maximum of 30-days or one-month supply, filled either via mail order or retail pharmacies.

- Save money: Get up to a 90-day supply on your medication(s) for less out of pocket than three separate 30-day fills, and standard shipping is free.
- Save time: Refill your medication(s) once every three months easily online or by phone.
- Peace of mind: Your medication(s) are mailed quickly and securely. Registered pharmacists check all orders and are available 24-hours a day, 7 days a week for assistance.

Getting Started

Choose one of these three simple steps to fill your medication(s):

1. Mail: Complete the Prescription Order Form found on our GlobalHealth website www.GlobalHealth.com and mail to the following address.
CVS Caremark
PO Box 659541
San Antonio, TX 78265-9541
2. Phone: Call 1-800-424-1789 with your prescription information.

Most prescription orders arrive within 7 days from the date your order is received.

Your Health Information Rights

Right to Inspect and Copy

You have the right to inspect and copy your PHI as provided by law. This right does not apply to psychotherapy notes. Your request must be made in writing. We have the right to charge you the amounts allowed by State and Federal law for such copies. We may deny your request to inspect and copy your records in certain circumstances. If you are denied access, you may appeal to our Privacy Officer.

Right to Confidential Communication

You have the right to receive confidential communication of your PHI by alternate means or at alternative locations. For example, you may request to receive communication from us at an alternate address or telephone number. Your request must be in writing and identify how or where you wish to be contacted. We reserve the right to refuse to honor your request if it is unreasonable or not possible to comply with.

Right to Accounting of Disclosures

You have the right to request an accounting of certain disclosures of your PHI to third parties, except those disclosures made for treatment, payment, or health care or health plan operations and disclosures made to you, authorized by you, or pursuant to this Notice. To receive an accounting, you must submit your request in writing and provide the specific time period requested. You may request an accounting for up to six (6) years prior to the date of your request (three years if PHI is an electronic health record). If you request more than one (1) accounting in a 12-month period, we may charge you for the costs of providing the list. We will notify you of the cost and you may withdraw your request before any costs are incurred.

Right to Request Restrictions on Uses or Disclosures

You have the right to request restrictions or limitations on certain uses and disclosures of your PHI to third parties unless the disclosure is required or permitted by law. Your request must be made in writing and specify (1) what information you want to limit; (2) whether you want to limit use, disclosure, or both; and (3) to whom you want the limits to apply. We are not required to honor your request. If we agree, we will make all reasonable efforts to comply with your request unless the information is needed to provide emergency treatment to you or the disclosure has already occurred or the disclosure is required by law. Any agreement to restrictions must be signed by a person authorized to make such an agreement on our behalf.

Right to Request Amendment of PHI

You have the right to request an amendment of your PHI if you believe the record is incorrect or incomplete. You must submit your request in writing and state the reason(s) for the amendment. not created by us or is not part of the medical record that we maintain; (3) the information is not a part of the record that you would be permitted to inspect and copy, or (4) the information in the record is accurate and complete. If we deny your amendment request, you have a right to file a statement of disagreement with our Privacy Officer.

Right to Be Notified of a Breach

You have the right to receive notification of any breaches of your unsecured PHI.
