

Changes to GlobalHealth's Classic Rewards, Classic Plus and State of Oklahoma Group Retirees Formulary

GlobalHealth may immediately remove a drug from our formulary if we are replacing it with a certain new version of that drug that will appear on the same or lower cost-sharing tier and with the same or fewer restrictions. When we add a new version of a drug to our formulary, we may decide to keep the brand name drug or original biological product on our formulary, but immediately move it to a different cost-sharing tier or add new restrictions. If you are currently taking the brand name drug or original biological product, we may not tell you in advance before we make an immediate change, but we will later provide you with information about the specific change(s) we have made.

If a drug is withdrawn from sale by the manufacturer or the Food and Drug Administration (FDA) determines to be withdrawn for safety or effectiveness reasons, we may immediately remove the drug from our formulary and later provide notice to members who take the drug.

Before we make other changes during the year to our Drug List that affect members currently taking a drug and require us to provide advance notice, we will notify affected members of the change at least thirty (30) days before the change becomes effective, or at the time the member requests a refill of the drug for which the member will receive a one-month supply of the drug.

If you are affected by a change in drug coverage or restriction, depending on the type of change, there may be different options to consider. For example:

You may be able to use another drug on our Drug List to treat your medical condition. Alternative drug(s) are provided below to help your prescriber to find a covered drug that might work for you. Ask your prescriber if one of the possible alternative drug(s) is right for you.

You, your prescriber, or your authorized representative can also ask us to make an exception for you. The notice we provide you will also include information on the steps to request an exception. To learn more about coverage decisions and how to ask for an exception, see your *Evidence of Coverage*, or call Customer Care at 1-866-494-3927 (TTY: 711), 24 hours a day, 7 days a week.

The table below outlines changes to our formulary that may impact you.
