WELCOME TO GLOBALHEALTH

Thank you for choosing GlobalHealth. We value you as our member and want to gain your confidence in all we do.

As your chosen health Plan, we want to:

1. Help you ***achieve positive health outcomes***. If needed, our Care Management team can work with you and your doctor to create a plan to address your specific health needs.
2. Assist you in getting ***the most value out of your benefits***, such as Preventive Care.
3. ***Earn and keep your satisfaction***.

Please call our friendly, local Customer Care team if you have any questions at 1-877-280-2964 or visit www.GlobalHealth.com/commercial for more information on your Plan.

We are happy you are part of the GlobalHealth family and wish you good health.

Sincerely,
R. Scott Vaughn, CPA
President & CEO

CERTIFICATE OF COVERAGE

This Certificate of Coverage is issued according to the terms of your group health Plan.

Your employer group has contracted with GlobalHealth, Inc. to provide the benefits described. GlobalHealth, Inc., having signed a Group Agreement with the group, certifies that all persons who have:

- Enrolled in coverage under this certificate;
- Paid for the coverage; and
- Met the conditions in the “Eligibility and Enrollment” section are covered by this certificate.

Additional employees or Dependents may be added to the group in accordance with the terms in this *Member Handbook*.

In the absence of Fraud, all statements made by the employer or you shall be deemed representations and not warranties.

Beginning on your effective date, we agree to provide you the benefits described. You can find the effective date on your Member ID card.

Amendments may be added to this Certificate of Coverage because of changes in law, changes in your coverage, or the special needs of your group. Any provision in conflict with law is automatically amended to meet the minimum requirements of the statute on the effective date of this coverage or the law, whichever is later. No person or entity has authority to waive any provision or to make changes or amendments unless approved in writing by a GlobalHealth officer. Attach any amendment to this Certificate of Coverage.

You are subject to all terms, conditions, limitations, and exclusions, and to all the rules and regulations of the Plan. By paying Premiums or having Premiums paid on your behalf, you accept the provisions of this Certificate of Coverage.

This certificate replaces any previous certificates that you may have been issued.

WARNING: Any person who knowingly, and with intent to injure, defraud, or deceive any insurer, makes any Claim for the proceeds of an insurance policy containing any false, incomplete, or misleading information is guilty of a felony.

PLEASE READ THIS DOCUMENT CAREFULLY. It is important for you to know your benefits. No oral statement shall add or take away any benefits, limitations, or exclusions, under this Plan.

INTRODUCTION

Important Information

GlobalHealth, Inc. (GlobalHealth) is a health maintenance organization (HMO). HMOs emphasize Preventive Care in addition to treatment for illness and injury. With us, you get a wide range of services to meet your healthcare needs.

Member Materials

This *Member Handbook* applies to you if you enrolled in the Standard Plan.

Your comprehensive Member handbook has four booklets. Each one has a different purpose. **These documents are important legal documents. Keep them in a safe place.**

Booklet	Purpose
<i>Member Handbook for Standard Plan (Member Handbook)</i>	<ul style="list-style-type: none">• Tells you about your benefits.<ul style="list-style-type: none">○ What benefits are covered and how much you will pay.○ How they are covered (including limitations and exclusions).○ How to use them.
<i>Physicians and Health Providers Directory (Provider Directory)</i>	<ul style="list-style-type: none">• Lists our <u>Network</u> of doctors and <u>Facilities</u>.• Tells you if a <u>Facility</u> is preferred or not for each type of service.
<i>Pharmacy Directory</i>	<ul style="list-style-type: none">• Lists our <u>Network</u> of pharmacies including mail order.• Tells you if a pharmacy is a 24-hour or vaccine pharmacy.
<i>Formulary Drug List for Large Groups (Drug Formulary or Formulary)</i>	<ul style="list-style-type: none">• Lists drugs we cover.• Tells you what <u>Tier</u> a drug is in.• Tells you if there are any rules to getting a drug.

How to use the Member Handbook:

To get the most out of your benefits, it is important that you understand how they work. Read your booklets carefully. Many of the sections are interrelated. Reading only parts may mislead you. If you do not follow the rules, you might have to pay for care we would usually cover. It is your responsibility to understand the terms and conditions.

- When these booklets say “we”, “us”, or “our”, it means GlobalHealth, Inc.
- We tell you what words or phrases that start with a capital letter mean in the glossary.
- We tell you what abbreviations mean in the acronyms list.
- Hyperlinks lead to the glossary, the acronyms list, a specific section of this *Member Handbook*, another document, website, or email address.

Unless we specifically tell you otherwise:

- “Hours” mean clock hours.
- “Days” mean calendar days.
- “Months” mean consecutive calendar months. We count the months from the last time you had the service, not the date of the month.
- “Year” means Plan Year.

You can see and print these booklets online. You will need your group ID number to see materials for your Plan. It is on your Member ID card.

The *Drug Formulary*, *Provider Directory*, and *Pharmacy Directory* are updated as needed. You will find the most recent booklets online at www.GlobalHealth.com. Printed copies are current as of the date shown on the bottom of the first page.

Talk to your employer about documents for other benefits you may have.

Forms, Tools, and Resources:

Besides your comprehensive Member handbook booklets, our website has forms and tools to help you. Call us if you would like a printed copy of any material at no cost.

Get Care

You have the right and responsibility to fully participate in all decisions related to your healthcare. If you are unable to fully participate in treatment decisions, you have the right to be represented. See “[Appointment of Authorized Representation](#)” on page 135.

Here is a short overview of how to use your GlobalHealth benefits.

Action	What To Do
Choose a <u>PCP</u>	See “ Provider Network ” starting on page 18 for more information. <ul style="list-style-type: none"> Each family member may choose a different primary care physician (<u>PCP</u>). You may choose a pediatrician for your child (up to age 18). You may change your <u>PCP</u> at any time during the year. Your <u>PCP</u> change starts the same day. If you need to see a <u>PCP</u> before you get your new <u>Member ID</u> card, contact us.
See Your <u>PCP</u>	See your <u>PCP</u> first for all your medical care. <ul style="list-style-type: none"> Your <u>PCP</u> will coordinate and manage your medical care. Ask which Preventive Services are right for you. For same-day Urgent Care, call your <u>PCP</u>'s office for medical direction. After-hours, you may self-refer to an Urgent Care center. When it's an emergency, go to the nearest Hospital emergency room (<u>ER</u>) or call 911.
See a <u>Specialist</u>	To see a <u>SPECIALIST</u> , you need a <u>Referral</u> . <ul style="list-style-type: none"> If you need <u>Specialty</u> care, your <u>PCP</u> will send us a <u>Referral</u>. Preauthorization (<u>PA</u>) from us is required, which is valid for a 90-day period. When approved, we will send you a letter in the mail. Make your appointment with the <u>Specialist</u> as directed in the letter. The <u>Specialist</u> may submit additional <u>Referrals</u> for procedures and follow-up care related to the initial visit. Be sure to go back to your <u>PCP</u> for all other care. In most cases, you will need to go back to your <u>PCP</u> after 90 days for follow up. Behavioral health <u>Specialists</u> do not require a <u>Referral</u>. See “Behavioral Health Benefits” on page 37 for <u>PA</u> requirements.
Go to the <u>Hospital</u>	To go to the <u>HOSPITAL</u> , you need a <u>Referral</u> . <ul style="list-style-type: none"> A <u>Referral</u> and <u>PA</u> are required for scheduled stays. <ul style="list-style-type: none"> When approved, we will send you a letter of authorization. Go only to the <u>Hospital</u> listed in the letter.

Action	What To Do
	<ul style="list-style-type: none"> You do not need <u>PA</u> for stays in connection with childbirth.
Self-refer	<p>You may SELF-REFER for the following care (no <u>Referral</u> or <u>PA</u> needed at <u>In-network Providers</u>):</p> <ul style="list-style-type: none"> After hours or out-of-area <u>Urgent Care</u> Behavioral healthcare <u>Case Management</u> Chiropractic care Emergency care Eyeglasses or contacts Hearing aid evaluations Physical therapy evaluations Routine mammograms Services within an obstetrician/gynecologist's (<u>OB/GYN</u>) scope of practice Vision care during an office visit
Go to the pharmacy	<p>See the <i>Drug Formulary</i> at www.GlobalHealth.com to check specific drug coverage information and <u>PA</u> requirements. Be sure to view the <i>Drug Formulary</i> list that matches your <u>Plan</u>.</p> <ul style="list-style-type: none"> See the <i>Pharmacy Directory</i> also on the GlobalHealth website to find a pharmacy <u>In-network</u>. You can contact Magellan Rx Management, LLC (Magellan Rx Management) with any questions at 1-800-424-1789 (toll-free).
Go to <u>Urgent Care</u> or <u>ER</u>	<p>Your <u>PCP</u> is always your first contact for direction when you begin to feel you are becoming ill. \$0 <u>Copayment</u> - Not subject to the <u>Deductible</u>.</p> <ul style="list-style-type: none"> <u>Urgent Care</u> is care for an illness, injury, or condition serious enough that you need care right away, cannot get into your <u>PCP</u> in a timely manner, and is not serious enough to go to the <u>ER</u>. \$20 <u>Copayment/visit</u> - Not subject to the <u>Deductible</u>. <u>ER</u> is for sudden symptoms that are life threatening, causing serious impairment/dysfunction of bodily and cognitive functions. \$300 <u>Copayment/visit</u> - Subject to the <u>Deductible</u>.

Generally, Inpatient and certain Outpatient services must be preauthorized. You do not have to get PA for Emergency Services, stays in connection with childbirth, or self-referral services. If you get other care without authorization from us, you will have to pay for it. You must go to Network Providers for non-emergency services. You may go to any ER, but the Provider may send you a bill if you go to an ER that is not In-network. See "Balance Billing by an Out-of-network Provider" on page 125.

Member ID Cards

We will send a Member ID card to you at the start of your Plan Year. Your GlobalHealth card is the key to all your medical, behavioral health, and prescription benefits. Carry it with you at all times.

When making an appointment with your PCP, let them know you are a GlobalHealth Member. Show your Member ID card each time you get medical care. It contains valuable information about your benefits.

Please Note:

- Services are for your personal benefit. Never lend your card to someone else. You cannot share your benefits.
- Protect your card. If it is lost or stolen, tell us right away. We will send you a new card at no charge. You may also request or re-order cards on MyGlobal™ at www.GlobalHealth.com. You should get new or additional cards within two weeks after we receive the request.
- Your Member ID card is valid only as long as you are enrolled in the Plan. Having a card does not guarantee benefits.

Look at your Member ID card to make sure everything is correct, including the name of your PCP. Contact us if:

- Information is wrong.
- You need to order a new card.
- You have questions about your card.

Information	Sample
<p>Front of Card:</p> <ol style="list-style-type: none"> 1. Coverage ID number 2. Group ID number 3. <u>Member ID</u> number 4. The selected <u>PCP</u> 5. <u>PCP</u> phone number 6. <u>PCP</u> effective date 7. Relationship code to <u>Subscriber</u> 8. <u>Copayment</u> and benefit information

Get Help

Contact Customer Care if you have any questions. Our team of representatives can answer questions such as:

- How can I get printed copies of materials or forms at no cost?
- What are my benefits and how do they work? How much do I have to pay? Do I need a Referral?
- What doctors and Hospitals can I use?
- How can I file a Grievance or an Appeal?
- Why did I get a letter or bill in the mail? What does it mean?
- How can I enroll in one of the Special Programs?
- How can I get access to MyGlobal™?
- How can I change my PCP?
- What is the status of my Referral?
- What is the status of my Claim?

Please remember it usually takes some time to process a Referral or Claim. See “Utilization Management” on page 29 and “Claims and Payment” on page 125.

If you call after normal business hours, we will return your call on the next business day.

We tell you in this booklet if you need to contact someone else. For example, you will need to call Magellan Rx Mail Order Pharmacy if you have questions about Prescription Drug mail order.

Steps to Improve Your Healthcare Quality and Safety

Step	What To Do
1	If you are new to GlobalHealth, visit your <u>PCP</u> early in the year to get established. Have your medical records sent to your new <u>PCP</u> .
2	Visit your <u>PCP</u> at least once each year. See “ <u>Routine exam - adult</u> ” on page 86. Have <u>Preventive Care</u> services. See “ <u>Preventive Care Benefits</u> ” on page 99.
3	Write down your questions before your doctor visit.
4	Ask questions if you have any doubts or concerns about your treatment.
5	Keep and bring a list of all the drugs you take to each appointment. Include any over-the-counter (OTC) drugs and supplements. Your <u>PCP</u> will look for drug interactions. Ask questions about new prescriptions - when and how to take them, if they have side effects, and what to avoid while taking them.
6	Get the results of any test or procedure. Ask what the results mean.
7	Make sure you understand what will happen if you need surgery.
8	Talk to your doctor about all treatment options. Discuss which choice your doctor recommends for you and why. Make sure you understand what will happen if you choose not to treat medical conditions.
9	Make sure your <u>PCP</u> gets copies of records from any other doctors or <u>Facilities</u> where you get care.

PROVIDER NETWORK

You must almost always use Network Providers. We have a large Network of PCPs, Specialists, and Facilities to care for you. Providers follow generally-accepted medical practices when prescribing any Course of Treatment.

<u>Provider Type</u>	<u>Examples</u>
<u>Agencies</u>	<ul style="list-style-type: none"> • Home health • Hospice
<u>Facilities</u>	<ul style="list-style-type: none"> • <u>Hospital</u> • Imaging center • Laboratory • <u>Outpatient Facility</u> • Pharmacy • <u>Skilled Nursing Facility</u> • <u>Urgent Care Facility</u>
<u>Physicians and Practitioners</u>	<ul style="list-style-type: none"> • Behavioral Health Provider (<u>BHP</u>) • Lactation counselor • Medical group • <u>PCP</u> • <u>Specialist</u> • Therapists <ul style="list-style-type: none"> ○ (such as physical, occupational, or speech therapist) • Other healthcare professional <ul style="list-style-type: none"> ○ (such as, physician assistant, nurse practitioner, etc.)
<u>Suppliers</u>	<ul style="list-style-type: none"> • Durable medical equipment (<u>DME</u>) supplier • Vision (eye wear) <u>Providers</u>

You may choose any Network Provider acting within the scope of his or her license who is accepting patients.

Network Providers are not employees, agents, or other legal representatives of GlobalHealth. That means, among other things, that there is no employer/employee relationship between GlobalHealth and its Network Providers, and vice versa.

You could get care from Providers outside of our Network in very limited situations, usually only for emergencies or Urgent Care.

Notice: Although healthcare services may be or have been provided to you at a healthcare Facility that is a member of the Provider Network used by your health benefit Plan, other professional services may be or have been provided at or through the Facility by physicians and other healthcare Providers who are not members of that Network. You may be responsible for payment of all or part of the fees for those professional services that are not paid or covered by your health benefit Plan. Examples of service types include:

- Anesthesiology;
- ER doctors;
- Neonatology;
- Pathology;
- Radiology; and
- Surgical specialties.

See “[Balance Billing by an Out-of-network Provider](#)” on page 125.

Network Changes

You should join an HMO because you like the [Plan’s](#) benefits, not because a certain doctor is available.

- We cannot guarantee that any one doctor, [Hospital](#), or other [Provider](#) will stay contracted.
- We cannot guarantee that any one pharmacy will stay contracted with our pharmacy benefit manager, Magellan Rx Management.
- [Facilities](#) may change from preferred to non-preferred status during the year.
- You cannot change [Plans](#) mid-year because a [Provider](#) leaves our [Network](#) or becomes non-preferred.

For more information, see “[Physicians Leaving the Network](#)” on page 24.

Provider Directory

We list [Network](#) doctors, [Facilities](#), and suppliers in the *Provider Directory*. It shows which doctors are taking new patients. Contact our Customer Care if you would like a printed copy at no charge. If there are mistakes in our *Provider Directory* concerning your [Provider](#), please have them contact GlobalHealth to have the information corrected. See “[Helpful Numbers](#)” on page 4.

We update our online list of medical [Providers](#) at least weekly. Behavioral health and pharmacy online lists are updated monthly.

Search for doctors by first and last name, county, and zip code. You can narrow your search by [Network](#), [Specialty](#), clinic affiliation, or languages spoken. Click on the doctor’s name to view information such as:

- [Accepting New Patients](#);
- [Board Certification](#);
- Gender;
- [Hospital Affiliation](#);
- [Languages Spoken by the Physician or Clinical Staff](#);
- Office location(s);

Medical Service Providers

Our online list of medical Providers includes doctors such as PCPs and many types of Specialists. Types of Specialists include:

- Oncologists who care for patients with cancer.
- Cardiologists who care for patients with heart conditions.
- Orthopedists who care for patients with certain bone, joint, or muscle conditions.

You can search by type of Facility.

- Some types of Facilities tell you if you will pay a Preferred Facility or Non-preferred Facility Cost-share. Both types of Facilities are In-network, but you pay different Cost Sharing. They may or may not be part of a Hospital. Be sure to check for preferred status on the type of service you are having. The same Facility may offer preferred Cost Sharing for some services, but not others.
 - Chemotherapy, radiation, and dialysis centers.
 - Outpatient surgery centers.
 - Imaging centers.
- Other Facilities are neither preferred nor non-preferred. You pay the one Cost-share listed in this *Member Handbook*. For example:
 - ER departments.
 - Inpatient Hospitals.

If you have any questions regarding a Preferred Facility or Non-preferred Facility contact our Customer Care.

You can find information about Hospitals such as:

- Accreditation;
- Location; and
- Telephone number.

For nationally recognized Hospital quality information, see:

- Hospital Compare at <https://www.medicare.gov/hospitalcompare/search.html>.
- The Leapfrog Group at <http://www.leapfroggroup.org/>.
- Quality Check at <https://www.qualitycheck.org/>.

Enter the name of the Hospital or the state. Not every Hospital is listed on every site.

Please note:

If a Provider has restrictions on services performed, the *Provider Directory* indicates those services. For example, there are three indicators for an audiologist or ear, nose, and throat Specialist -

- Provider is accepting new patients for hearing aid and hearing aid evaluations only.
- Provider is accepting new patients for diagnostic testing and medical treatment only.
- Provider is accepting new patients for both hearing aid and hearing aid evaluations and diagnostic testing and medical treatment.

In addition, if a Provider has a restriction on Members served, the *Provider Directory* indicates who the Provider will see. For example, some PCPs only see patients up to age 18 and others only see patients over the age of 12.

Be sure you make an appointment with a Provider that performs the services that you are looking for.

Under the search bar in the top right corner "Find a Provider"

Step	What To Do
1	Select your <u>Network</u> or <u>Plan</u> type - GlobalHealth Group Plans Network. Click Next.
2	Select if you are looking for a Physician or a Pharmacy. (If you are looking for a pharmacy see “Online Search for a Pharmacy” below.)
3	Check the boxes according to the search you are looking for. Click search.
4	Narrow your search if you get too many results.

Pharmacy Directory

You have different ways to get your prescribed drugs. Your Cost-share may change based on where you fill your prescription.

The *Pharmacy Directory* is updated monthly and will tell you which pharmacies are in the Network. If the pharmacy you have been using leaves the Network you will have to find a new pharmacy that is in the Network. It is a good idea to periodically check the pharmacy Network on our website.

PCP

Your PCP is the person you will see first for your medical care. In most cases, your PCP will be able to take care of your medical problem.

Choose a PCP

Start your care with choosing a PCP from the list in the *Provider Directory*. Our PCPs include doctors trained in:

- Family practice or family medicine;
- Internal medicine; and
- General practice;
- Pediatrics.

You have complete freedom of choice in your selection. Choose any PCP in our Network who is accepting new Members. Each member of the family may have a different PCP. You may choose a pediatrician for your children.

Although you have direct access to certain doctors such as an OB/GYN or BHP, they are not your PCP. You will need to choose a PCP to coordinate medical care that they do not handle.

Your relationship with your PCP is an important one. It should be open and trusting. We recommend that you choose a PCP close to your home or work. Having your PCP nearby makes getting care much easier.

You can find a current list of PCPs on our website. We will assign a PCP to you if you do not choose one.

Get Established

Once you choose a PCP, try to make an appointment within the first 30 days if you can.

- Tell the office staff that you are new to GlobalHealth or to the doctor. They need to prepare paperwork for your medical records.
- Have your medical records sent from your prior Providers before your first visit. See “Medical Records” on page 27.
- Discuss any Specialty care you are receiving. See “Continuity and/or Transition of Care” on page 119.
- Discuss your medications - what they are, what they are for, what you need to have refilled. If any of the drugs are not on our Formulary, discuss your options. See “Prescription Drug Transition of Care” on page 120.
- Discuss Preventive Care that is right for you. You may have some of the Screenings during this visit. You may need to schedule more visits for other Preventive Care.

Schedule Routine Appointments

Call your PCP's office when you are ready to make an appointment. Your Member ID card lists the number.

- Call ahead for routine, sick, or follow-up visits. This will allow you and your PCP enough time to talk about your needs.
- Make an appointment for your routine adult or well-child visit early in the year to have or schedule your Preventive Care services.
- Make and go to follow-up visits if you have a Chronic Condition such as high blood pressure or asthma.
- Write a list of questions before the visit.
- Show your Member ID card at each visit.
- If your PCP orders tests, show your Member ID card when you arrive for the tests.
- If you must cancel an appointment, call your doctor as soon as you can.

When You Need Care Right Away

Call your PCP. If no urgent appointments are available, he or she may send you to an Urgent Care Facility. See “Urgent Care” on page 25.

Consultations

Your doctor may discuss special medical situations with colleagues. The team shares knowledge and experiences to recommend the best course of care for you. They follow state and federal privacy laws.

PCP Changes

You may change your PCP for any reason. It starts right away. Contact us for the following:

- Change your PCP. The form is also on our website or you can make the change on MyGlobal™ at www.GlobalHealth.com.
- Get help changing from a childcare doctor to an adult care doctor.
- See your PCP before you get your new Member ID card.

We recommend against changing your PCP if the change would be harmful to you. For example:

- You are an organ transplant candidate.
- You are receiving active medical care.

- You are in the third trimester of your pregnancy.

We cannot let you change if the new PCP:

- Is not taking new patients; or
- Is not in our Network.

You will need to choose another PCP.

Self-referral Services

Your PCP coordinates most Covered Services you get as a GlobalHealth Member, but there are a few exceptions. See the table below for a list of these services.

- You do not need a Referral from your PCP before you go. You do not need PA from us.
- You pay the Cost-share, if any, for non-preventive services.
- You must go to a Network Provider for services other than emergency or out-of-area Urgent Care. You pay for care from an Out-of-network Provider.
- See “Coverage Requirements” on page 37.

Help your PCP manage your care. Be sure your PCP:

- Gets the results of any exams or tests. See “Medical Records” on page 27; and
- Gets a list of any new prescriptions.

Service	Description
Chiropractic care	You may go to a chiropractor. See “ <u>Chiropractic care</u> ” on page 53.
Emergency room (ER)	Do not use an <u>ER</u> in non-emergency situations. However, in an emergency, go to the nearest <u>Hospital ER</u> or call 911. See “ <u>Emergency Care</u> ” on page 26.
Eye exams	You may go to an optometrist or ophthalmologist. See “ <u>Vision Benefits</u> ” on page 105.
Eyewear	You may go to an eyewear <u>Provider</u> for eyeglasses or contacts following cataract surgery. See “ <u>Vision Benefits</u> ” on page 105.
Hearing aid evaluations	You may go to a hearing Specialist to have an evaluation for hearing aids. See “ <u>Hearing services – evaluation for hearing aid</u> ” on page 66.
Mammograms	You may go to an imaging center for your routine mammogram. See “ <u>Mammogram</u> ” on page 71.
Mental health/substance use disorder services	You may go to a therapist, counselor, <u>Psychologist</u> , or <u>Psychiatrist</u> for assessment, therapy, and testing. You may also contact MDLive for telehealth services. See “ <u>Behavioral Health Benefits</u> ” on page 37.
OB/GYN services	<p>You may go to a healthcare professional who specializes in obstetrics or gynecology.</p> <p>The <u>Provider</u> must comply with procedures including:</p> <ul style="list-style-type: none"> • Following the process for <u>Referrals</u>; • Obtaining <u>PA</u> for some services, such as non-routine pap tests; and • Following the authorized <u>Course of Treatment</u>. <p><u>Contraception Services</u>: You have direct access to either your <u>PCP</u> or <u>OB/GYN</u> for contraceptive services. See “<u>Contraception services</u>” on page 55.</p> <p><u>Maternity</u>: You have direct access to your <u>OB/GYN</u> for all your maternity care – prenatal, delivery, and postnatal. See “<u>Maternity and newborn care</u>” on page 72.</p> <p><u>Well-woman Exam</u>:</p>

Service	Description
	<p>For a list of <u>Preventive Services</u> related to your well-woman exam, see “<u>Women’s benefits</u>” on page 101.</p> <p><u>Other Services:</u> You have direct access to your <u>OB/GYN</u>. He/she may perform any <u>Covered Services</u> within his/her scope of practice.</p>
<u>Physical therapy</u>	<p>You may go to a physical therapist for an evaluation only. The therapist must comply with procedures including:</p> <ul style="list-style-type: none"> • Following the process for <u>Referrals</u>; • Obtaining <u>PA</u> for up to 30 days of therapy; and • Following the authorized <u>Course of Treatment</u>. <p>See “<u>Physical therapy</u>” on page 81.</p>
<u>Urgent Care</u>	<p>First, call your <u>PCP</u> during office hours. But, you may self-refer to an <u>Urgent Care Facility</u> when your <u>PCP’s</u> office is closed or when you are out of our <u>Service Area</u>. The care must be urgent, non-preventive, and non-routine.</p> <p>See “<u>Urgent Care</u>” on page 25.</p>

Specialty Care

See your PCP first. If your PCP believes you need to see a Specialist, he/she will send us a Referral. See “Pre-service Authorization” on page 29.

- If you see a Specialist without authorization, you will have to pay for the care. This does not include self-referral services.
- You are only approved to have the services listed in the letter. But, some Specialist visits include Diagnostic Tests. You do not need separate PA for these tests. They should be performed during the authorized visit:
 - Routine lab work
 - X-ray
 - Ultrasound
 - EKG
- Any other care requires specific authorization from us.

Some PCPs work with integrated delivery systems or Provider groups. These doctors will most likely refer you to Specialists and Hospitals within those systems or groups. However, you may ask to get your care from any Network Provider qualified to meet your needs. You may ask the doctor to refer you to a Preferred Facility when available.

Physicians Leaving the Network

Enrolling in GlobalHealth does not guarantee services by a particular Provider listed in the *Provider Directory*. A Provider may no longer be part of our Network. This may happen when:

- He/she leaves our Provider Network.
- He/she is not able to be a Provider anymore.
- He/she has a closed panel or is open to existing patients only.

We will tell you within 30 days of the date we find out that your Provider has or will be leaving our Network.

- If the Provider is your PCP, we will send you a letter with the name of your new PCP. You will also get a new Member ID card in a separate mailing. If you do not want the PCP we chose for you, let us know. See “PCP Changes” on page 22.

- If your Provider is a Specialist, the letter will tell you what the next steps are.

You may be able to keep seeing your PCP or Specialist for a short time. See “Continuity and/or Transition of Care” on page 119.

Urgent Care

Urgent Care is care for an illness, injury, or condition serious enough that you need care right away, but you do not need to go to the ER.

An Urgent Care Facility offers a choice when it is not an emergency and you cannot see your PCP.

- It costs you less than an ER visit.
- A doctor may see you right away in an Urgent Care Facility.
- In an ER, you may have to wait longer.

Urgent Care Facilities usually can perform these types of services:

- Exams
- X-rays
- Basic Screenings
- Prescribe medication

Urgent Care Facilities may treat situations such as:

- A sprained ankle
- Ear infections
- Minor burns or injuries
- Coughs, colds, sore throats

Urgent Care Facilities do not take the place of your PCP. You should see your PCP first when you need non-emergency medical care. If you cannot wait for an office visit, go to an Urgent Care Facility.

- Go to a Network Facility when you are in our Service Area.
- Have them send your records to your PCP. That helps maintain continuity of care.
- Have them send a list of new prescriptions. Your PCP needs to prescribe any refills.
- Go to your PCP for follow-up care.

When	What To Do
Normal Office Hours	<p>If you have an urgent medical illness or injury, call your <u>PCP's</u> office. Some <u>PCPs</u> have extended office hours.</p> <ul style="list-style-type: none"> • Your <u>PCP</u> may arrange to see you right away or give you medical advice and direction. • If your <u>PCP</u> cannot set up an urgent appointment, you may ask to see another <u>Provider</u> in that office. You may see another doctor, physician’s assistant, or nurse practitioner. • Your <u>PCP</u> may send you to an <u>Urgent Care Facility</u> if another <u>Provider</u> cannot see you. You pay the <u>Urgent Care Cost-share</u>.
After Office Hours	<p>If you need to see your <u>PCP</u> after the office has closed, you have two options:</p> <ol style="list-style-type: none"> 1. Call your <u>PCP</u>. <ul style="list-style-type: none"> • Leave a message. • When a nurse or doctor is on call, he/she will call you back and let you know what to do. Give the reason for your call. Be sure to leave your name and a call-back number. • Otherwise, follow the <u>PCP's</u> after-hours voicemail instructions. It may include sending you to an <u>Urgent Care Facility</u> or <u>ER</u>. 2. You may choose to go to an <u>Urgent Care Facility</u> if your condition cannot wait. You pay the <u>Urgent Care Cost-share</u>. You do not need <u>PA</u>.
Out of <u>Service Area</u>	<p>If you are traveling and need <u>Urgent Care</u> before you come back to our <u>Service Area</u>:</p>

When	What To Do
	<ul style="list-style-type: none"> • Call your <u>PCP</u>; or • Go to an <u>Urgent Care Facility</u>. You do not need <u>PA</u>. • You will pay your <u>In-network Urgent Care Cost-share</u>, but the <u>Provider</u> may also send you a bill. See “<u>Balance Billing by an Out-of-network Provider</u>” on page 125.

Emergency Care

An emergency is when you have sudden symptoms (including severe pain, psychiatric disturbances, and/or substance abuse symptoms) and a Prudent Layperson could expect failure to get medical help right away to result in:

- Placing his/her health (or the health of an unborn child) at serious risk;
- Serious impairment of body functions; or
- Serious dysfunction of a part of the body.

In addition, an Emergency Medical Condition includes a pregnant woman who is having contractions when:

- There is not enough time to go to another Hospital before delivery; or
- Transfer may be harmful to the mother or the unborn child.

Access

Do not use an ER visit in non-emergency situations. However, in an emergency, follow these steps:

Step	What To Do
1	Go to the nearest <u>Hospital ER</u> or call 911. You do not need <u>PA</u> for emergency care. You will pay your <u>In-network ER Cost-share</u> , but the <u>Providers</u> may also send you a bill if you go to an <u>Out-of-network ER</u> . See “ <u>Balance Billing by an Out-of-network Provider</u> ” on page 125.
2	Show your <u>Member ID</u> card.
3	Call your <u>PCP's</u> office and us within 48 hours.
4	<p>If you:</p> <ul style="list-style-type: none"> • Are in an accident and outside the <u>Service Area</u>; • Have no control over where you are taken; or • Could not go to a <u>Network Hospital</u>. <p>We may arrange to move you to a <u>Hospital</u> in our <u>Network</u> if you are admitted to an <u>Out-of-network Hospital</u>.</p>
5	<p><i>All follow-up care after being treated in the <u>ER</u> must be:</i></p> <ul style="list-style-type: none"> • Provided or arranged by your <u>PCP</u>. Do not go back to the <u>ER</u> for follow-up care. • Preauthorized by us if required. If you need care urgently, contact the <u>UM</u> Department. See “<u>Urgent Decisions</u>” on page 25.

Hospital Care

When you need to go to the Hospital, your doctor will arrange for you to stay at a Network Hospital where he/she is on staff. To get non-emergency services (other than for childbirth) you must have PA. Without a Referral and PA, you will be responsible for the charges.

Home Healthcare

Your doctor may decide to have a nurse visit you at home rather than keep you in the Hospital or Skilled Nursing Facility. We cover:

- Part-time or intermittent Medical Services you get in your home. A licensed nurse, or licensed speech, occupational, or physical therapist must provide care.

- Diabetes self-management training when given by a registered, certified, or licensed healthcare professional.
- Medical nutrition therapy training from a licensed registered dietician or licensed certified nutritionist.

Your behavioral health Provider may also visit you at home.

Medical Records

Since your PCP manages your care, it is important that he/she knows your medical history. We recommend you have your medical records sent to your new PCP's office before your first visit.

Your Providers are expected to visit on a regular basis about your care, especially when you are taking medication. Coordination of care between your doctors promotes patient safety and quality of care. The easiest way to be sure your PCP knows about other care you get is to have copies of your medical records from other Providers sent to him/her as it happens.

Have the results of any exams or tests sent to your PCP every time you seek care for:

- Emergency Services;
- Mental health or substance use disorder services;
- Self-referral services;
- Specialist services;
- Urgent Care Facility services.

Your PCP will provide follow-up care if appropriate. Be sure to share a list of any new prescriptions. Your PCP will be able to check for drug interactions.

The law requires Providers to protect patient medical information. You can find the *Oklahoma Standard Authorization to Use or Share Protected Health Information (PHI)* form on our website or at https://www.ok.gov/health/Organization/HIPAA_Privacy_Rules/Oklahoma_Standard_Authorization_Forms.html. **The form is required for requesting release of your medical records.**

You have the right to sign a release or not, but it is important for you to consider allowing these communications to happen.

Physician Credentials

Before our Credentialing Committee accepts a Provider to include in our Network, we conduct full credentialing and National Practitioner Database (NPDB) checks. The NPDB is a federal information repository. The Credentialing Committee reviews our Providers at least every 36 months. This process helps to ensure the quality of our Network. Providers must be competent and qualified to offer services.

Ask for Information

You have the right to find out your Providers' information. You can also call us if you want the following information:

- Name, address, telephone numbers.
- Professional qualifications.
- Specialty.
- Medical school attended.
- Residency completion.
- Board Certification status.

See below for online sources.

UTILIZATION MANAGEMENT

Medical and Behavioral Health UM

We have rules to make sure you get the right care at the right time. When a Provider prescribes care, it does not always mean it is a Covered Service or Medically Necessary.

Rule	What It Means
Care must be covered under your <u>Plan</u>	<ul style="list-style-type: none"> • Care must be a <u>Covered Service</u>. • Care must meet <u>Coverage Requirements</u>. • We cover services with limitations only as listed. • We do not cover <u>Excluded Services</u>. • See “<u>Benefits</u>” starting on page 35.
Care must be safe and effective	<ul style="list-style-type: none"> • Care must meet generally-accepted standards of care. • Care must be in the <u>Provider’s</u> scope of practice.
Care must be right for your illness, injury, or disease	<ul style="list-style-type: none"> • Care must be <u>Medically Necessary</u>. <ul style="list-style-type: none"> ○ Type of care; ○ Frequency of visits or treatments; ○ Extent of care; ○ Site of care; and ○ Duration of care.

When we are reviewing your services, we use guidelines. For consistency, we determine the guideline used as follows:

Type	Reviewed First	Reviewed If No Policy
Medical Services	<ul style="list-style-type: none"> • GlobalHealth Medical Policies 	<ul style="list-style-type: none"> • MCG™ Care Guidelines • Hayes, Inc.
Behavioral Health Services	<ul style="list-style-type: none"> • Beacon Health Options Policies 	<ul style="list-style-type: none"> • ASAM Criteria® • InterQual®

You may ask for the criteria if you are:

- A current Member;
- A potential Member; or
- A Network Provider.

Our Medical Directors make all medical necessity Adverse Determinations. A Medical Director is a licensed doctor in good standing.

Pre-service Authorization

We need to approve most services before you get them when your PCP does not provide them. Otherwise, you will have to pay the entire cost of the services. “Services” includes any treatment, tests, procedures, supplies, or equipment.

This process ensures:

- You get the right care at the right time and place for you.
- You pay the lowest Cost-share for your benefit.

- You stay In-network.

Authorizations are generally valid for 90 days. If a standing Referral is authorized, it is valid for one year.

Behavioral Health Service Steps:

Step	Description
1	You can go to any <u>Network Provider</u> to be assessed for the services you may need. If these services require <u>PA</u> , the <u>Provider</u> will send Beacon Health Options the request for you.
2	Beacon Health Options will send a letter after the service is approved. This letter will tell you the name and contact information for the doctor or <u>Facility</u> . It will tell you what services are authorized. Any other service requires separate authorization from Beacon Health Options.
3	Once Beacon Health Options gives <u>PA</u> to the <u>Provider</u> , he/she may begin services right away.

Medical Service Steps:

Step	Description
1	Your <u>PCP</u> will send us a <u>Referral</u> for other care you need. After the initial visit, <u>Specialists</u> may send <u>Referrals</u> directly to us for services such as surgery, testing, diagnostic procedures, etc. You may ask to use any <u>Provider</u> in our <u>Network</u> . If your doctor refers you to an <u>Out-of-network</u> doctor or <u>Facility</u> , we may select one in our <u>Network</u> for you. You are responsible for knowing your <u>Network</u> . Your <u>Provider</u> may not be familiar with GlobalHealth’s <u>Network</u> .
2	We will send a letter after we approve the service. This letter will tell you the name and contact information for the doctor or <u>Facility</u> . It will tell you what services we authorized. Any other service requires separate authorization from us. <u>PAs</u> are valid for 90 days. You must go back to your <u>PCP</u> after that.
3	Make an appointment. Wait until you get the letter before making any appointments. You must get this letter before you have care.

You can check the status of your medical Referral in MyGlobal™ at www.GlobalHealth.com.

Non-urgent Decisions:

We make non-urgent pre-service decisions within 15 days after we get the request. We may extend this period one time for up to 15 days if:

- It is necessary due to matters beyond our control;
- We tell your doctor, before the initial 15-day period ends, why it is needed; and,
- We tell your doctor the date by which we expect to make a decision.

If we have to extend the time because we do not have enough information to decide the authorization:

- We will tell your doctor what information we need; and,
- Your doctor will have 45 days from the time he/she gets our notice to send it.

Urgent Decisions:

We make urgent pre-service decisions within 72 hours after we get the request.

Please Note:

- Your doctor should send us Referrals for your services. But, it is your responsibility to make sure we have authorized your services.
- You should get all care from a Network Provider including ancillary services such as:
 - x-rays
 - lab services
 - anesthesia

- Although some services do not require PA, you must use Network Providers for:
 - Hospitalization related to childbirth; or
 - Self-referral services. See “Self-referral Services” on page 23.
- You must have services while you are a Member. We will not pay for benefits, even if authorized, after your coverage ends.
- You may track your Referral through your MyGlobal™ account at www.GlobalHealth.com.
- If we deny a requested service, in whole or in part, we will send a letter telling you why. We will also send a copy of Appeal Rights. See “Appeals and Grievances” on page 130.

Concurrent Review

We may assess your care while you are still in treatment. We want to be sure you are getting the right care at the right time and place. Our process checks:

- Need for continued treatment;
- Level of care; and
- Quality of care.

If you are in the Hospital past the authorized period, we will conduct a review.

If we have approved a Course of Treatment:

- Any change before the end of the Course of Treatment is an Adverse Determination. A change may be either fewer treatments or ending treatments. We will tell you before we make the change. We will allow you time to Appeal before we make the change. We will cover the benefit during the Appeal process.
- You may ask us to extend the Course of Treatment beyond what we approved. We will tell you our decision, whether or not it is in your favor. We do not cover the benefit during the Appeal process.
- We make urgent review decisions within 24 hours after we get your request. We will tell you the decision, whether or not it is in your favor.

You may not Appeal when your Plan is amended or ended. See “Appeals and Grievances” on page 130.

Discharge Planning

Proper planning can improve your health outcome. You may need services as you move to the next level of care. Some care may require PA to a doctor or another Facility. We work with your doctor and the Hospital case manager to have PAs in place before you leave.

We start discharge planning either:

- When you are admitted to the Hospital; or
- When we authorize the stay.

Post-service Review

After you get services, we review them to find quality or utilization issues, if any. We review Claims submitted for payment and the corresponding medical records. We send notification of the decision within 30 days of the request.

Requesting a Review

You or your doctor may call us during regular business hours (Monday - Friday, 9 a.m. - 5 p.m. Central Time). Language assistance is available.

You or your doctor may contact the UM Department outside of regular business hours. Leave your name and contact information and we will return your call on the next business day.

Prescription Drug UM

For certain Prescription Drugs, special rules restrict how and when we cover them. A team of doctors and pharmacists made these rules to:

- Help you use drugs in the way that works best.
- Help control overall drug costs, which keeps your Premium lower.
- Encourage you and your Provider to use a lower-cost option when possible that:
 - Works for your condition; and
 - Is just as safe.

If there is a rule for your drug, it means that you or your Provider will have to take extra steps in order for us to cover the drug. If you want us to waive the rule for you, you will need to use the exception request process. We may or may not agree to waive the rule for you. See “Exception Requests” below.

You or your doctor can view the *Drug Formulary* on our website to see which, if any, rules apply to each drug.

Call us to ask about these rules:

Rule Type	Description
Prior Authorization	Doctors must get <u>PA</u> for some drugs. Any corresponding supplies or equipment also require <u>PA</u> . It promotes appropriate, cost-effective use.
Quantity Limits	We limit the amount of some drugs. These drugs, if taken inappropriately, could be unsafe and cause side effects. All <u>Specialty Drugs</u> are limited to 30-day supplies.
Step Therapy	Step therapy means that you try one or more other drugs before we cover this drug.

Exception Requests

Call (877) 280-2964 to ask for an exception.

Others that may help with this process include.

- Your doctor or pharmacist.
- The parent of a child under 18 years of age.
- Your power of attorney with medical decision authority. We must have a copy of the signed power of attorney form on file.
- Your authorized representative. See “Appointment of Authorized Representative” on page 135. You will need to complete the form if you want us to share your PHI with anyone else, for example:
 - Your parent, if you are age 18 or over.
 - Your spouse.
 - Your caregiver, friend, neighbor, or other.

Exception Type	Process
Standard Exception	You can ask us to waive coverage rules and limits. You may ask us by mail, e-mail, or telephone. Generally, we will only approve a request if:

Exception Type	Process
	<ul style="list-style-type: none"> • The alternative drug is included on the <u>Formulary</u>; • The drug without utilization rules would not work as well for you; and • It would cause you to have harmful side effects. <p>We will not approve a request to lower your <u>Cost-share</u> for a drug.</p> <p>If you ask us to cover a drug that is not on our <u>Formulary</u>, your doctor must send:</p> <ul style="list-style-type: none"> • The reason you need the non-formulary drug; and • A statement that all <u>Formulary</u> drugs on any <u>Tier</u>: <ul style="list-style-type: none"> ○ Will not or have not worked; ○ Would not work as well; or ○ Would have harmful side effects. <p>You should contact us to find out how to ask for an exception. See “<u>External Review</u>” on page 133. They will send you their decision within 72 hours after getting your request for review. <p>We will cover your drug during the time we are reviewing. We will also cover your drug during an <u>External Review</u>.</p>
Expedited Exception	<p>You may ask for a fast exceptions process when:</p> <ul style="list-style-type: none"> • You are suffering from a health condition that may risk your life, health, or ability to regain maximum function; or • You are already using a non-formulary drug. See “<u>Prescription Drug Transition of Care</u>” on page 120. <p>We will tell you our decision within 24 hours after you ask us for a review if we have enough information.</p> <ul style="list-style-type: none"> • If we agree, we also cover appropriate refills of the prescription. • If we deny your request, you may ask for an <u>External Review</u>. See “<u>External Review</u>” on page 133. They will send you their decision within 24 hours after getting your request for review. <p>We will cover your drug during the time we are reviewing. We will also cover the drug during an <u>External Review</u>.</p>

Policy on Ensuring Appropriate Utilization

- We conduct a yearly analysis to ensure the UM Department bases its decisions on:
 - Whether the care is appropriate; and
 - Whether the care is covered.
- We do not reward anyone for denying coverage.
- We do not use financial incentives to encourage decisions that result in using fewer benefits.
- We do not use incentives to make it harder for you to get care.
- We do not make decisions regarding hiring, promoting, or terminating anyone because they are likely, or we think they are likely, to deny or support the denial of benefits.

Technology Assessment Process

We have a review process for new devices, medical or behavioral health procedures, or treatments including Prescription Drugs.

- A doctor-directed committee reviews requests.
- We look at both new technology and new ways to use existing technology.
- We use published scientific evidence to review technology. We seek input from relevant Specialists or other professionals who have expertise in the technology being evaluated. We may use information from appropriate government agencies.
- You or your doctor must send us evidence that it works and is safe. It must:
 - Be approved by a regulatory agency, such as the FDA;
 - Improve your net health outcome;
 - Be as beneficial as current treatments;
 - Be available outside of clinical tests;
 - Significantly improve your quality of life; and
 - Clearly show safe medical care.

BENEFITS

This section explains your Plan's benefits. It tells you what is and is not covered and how much you pay. It is not all-inclusive.

Your Share of the Cost

Benefit Charts

The benefit charts show your benefits and Cost Sharing.

- Behavioral Health Benefits on page 38.
- Medical Benefits on page 47.
- Prescription Drug Benefits on page 94.
- Preventive Care Benefits on page 100.
- Vision Benefits on page 105.

Copayments and Coinsurance

Copayments and Coinsurance are listed in the charts for each type of service. Your Cost-share is due for each visit, treatment, admission, prescription fill or refill, or occurrence (unless otherwise noted) up to your Maximum Out-of-pocket Limit (MOOP).

Our benefits are bundled. That means that if you have multiple services during a single office visit or Facility stay, you only pay the one Cost-share for the office visit or Facility.

The Facility Copayment for Inpatient Hospital or Outpatient surgery includes:

- Anesthesia;
- Diagnostic Tests;
- Doctor and professional services;
- Drugs;
- General nursing care;
- Laboratory/radiology;
- Medical supplies and equipment;
- Procedures and surgeries;
- Room and board at all levels of care;
- Specialized scans/imaging/diagnostic exams; and
- Treatment therapies.

The Cost-share for other settings (when provided during the visit) includes:

- Diagnostic Tests;
- Doctor and professional services;
- Drugs;
- Laboratory/radiology;
- Medical supplies and equipment;
- Procedures;
- Specialized scans/imaging/diagnostic exams; and
- Treatment therapies.

We cover benefits that are gender-specific for all Members for whom the service would be appropriate, without regard to gender assigned at birth, gender identity, or gender of record at GlobalHealth.

“Child benefits” are covered through the end of the month in which you or your child(ren) turn 19 years old.

“Adult benefits” start the next month.

Deductible

Your Plan has an annual Deductible. You must meet the Deductible each year before we pay for services subject to a Deductible.

All types of Covered Services count toward your Deductible. But, certain benefits are not subject to a Deductible and the Copayment or Coinsurance you pay does not count toward the Deductible. We cover Preventive Services at 100% with no Deductible. See the benefit charts for other services that are not subject to the Deductible.

Some expenses do not count toward your Deductible:

- Premium payments;
- Non-covered services;
- Services and medication not subject to the Deductible; and
- Balance Billing from an Out-of-network Provider.

Level	How To Meet It
<u>Member Deductible</u> \$300 per year	<ul style="list-style-type: none"> • You may meet this <u>Deductible</u> through expenses paid by any one <u>Member</u>. • A single family member who reaches the <u>Deductible</u> will begin paying the regular <u>Cost Sharing</u> for services subject to the <u>Deductible</u>. • This applies even if you have other family members also enrolled under the same <u>Subscriber</u>.
<u>Family Deductible</u> \$600 per year	<ul style="list-style-type: none"> • You may meet this <u>Deductible</u> through expenses paid by any combination of family members under the same <u>Subscriber</u>. • The amount paid for the <u>Member Deductible</u> contributes toward the family <u>Deductible</u>. • If one family member meets the <u>Member Deductible</u>, that person will begin paying only <u>Copayments</u> or <u>Coinsurance</u>. • The other family members will continue to pay the <u>Allowed Amount</u> for services subject to the <u>Deductible</u> until the family <u>Deductible</u> is met.

At the point of meeting the Deductible:

1. You pay the remaining Deductible.
2. You pay the Copayment or Coinsurance on the amount of the service cost that is left.
3. You will not pay more than our Allowed Amount of the service unless you have urgent or emergent services from an Out-of-network Provider. See “Balance Billing by an Out-of-network Provider” on page 125. Balance Billing doesn’t count toward your maximum out-of-pocket.
4. You will not pay more than the MOOP when you get Covered Services from a Network Provider.

Only expenses you paid while you are a GlobalHealth Member count toward the Deductible. Expenses you paid while covered under another company’s Plan do not count.

MOOP

A MOOP is a dollar amount that limits how much you have to pay for healthcare services. It includes Deductibles, Copayments, and Coinsurance that you pay for Covered Services. All types of Covered Services count toward your MOOP.

Some expenses do not count toward your MOOP.

- Premium payments;
- Non-covered services; and
- Balance Billing from an Out-of-network Provider.

Level	How To Meet It
<u>Member MOOP</u> \$6,850 per year	<ul style="list-style-type: none"> • The <u>Member MOOP</u> is met when a single <u>Member</u> pays <u>Deductibles</u>, <u>Copayments</u>, and/or <u>Coinsurance</u> up to this level. • If you reach the <u>Member MOOP</u>, you will not pay any more <u>Cost Sharing</u> for <u>Covered Services</u> you need for the rest of the year.

Level	How To Meet It
	<ul style="list-style-type: none"> This applies even if you have other family members also enrolled under the same <u>Subscriber</u>.
Family <u>MOOP</u> \$10,000 per year	<ul style="list-style-type: none"> The family <u>MOOP</u> is met when any combination of family members under the same <u>Subscriber</u> pays <u>Deductibles</u>, <u>Copayments</u>, and/or <u>Coinsurance</u> up to this level. The amount paid for the <u>Member MOOP</u> contributes toward the family <u>MOOP</u>. If one family member meets the <u>Member MOOP</u>, that person will not have to pay anything for <u>Covered Services</u>. Each other family member will continue to pay applicable <u>Cost Sharing</u> until the family <u>MOOP</u> is met. Then they will not pay any more <u>Cost Sharing</u> for <u>Covered Services</u> for the rest of the year.

Deductibles, Copayments, and Coinsurance paid before you enroll in a GlobalHealth Plan do not count toward your MOOP.

Tracking Expenses

It is a good idea for you to keep track of your expenses. You will know when you are close to meeting your Deductible or your MOOP. Our records may not match due to Claims lag. Claims lag is the time between when you received services and when we process the Claim. Let us know if you think you have met your Deductible or your MOOP.

You can call us to confirm your expenses.

Coverage Requirements

We cover benefits only when they meet the rules below.

Rule	Description
<u>All rules must be met for all types of benefits</u>	<ul style="list-style-type: none"> The care is <u>Medically Necessary</u>; Services meet generally-accepted standards of care; You show continual progress and improvement; A <u>Network Provider</u> provides your care unless: <ul style="list-style-type: none"> It is for <u>Emergency Services</u> or out-of-area <u>Urgent Care</u>; or You get <u>PA</u> to go to an <u>Out-of-network Provider</u>; The <u>Provider</u> acts within the scope of his/her license; and Usually, we require <u>PA</u>. We tell you which care does or does <u>not</u> need <u>PA</u>.
<u>We limit some benefits and do not cover others</u>	<ul style="list-style-type: none"> We do not cover services: <ul style="list-style-type: none"> When you can no longer improve from treatment; or The care is either custodial or only for the convenience of others. See "<u>Excluded Services and Limitations</u>" on page 108 for the full list.

Covered Services

We cover Inpatient and Outpatient behavioral health services for the diagnosis and treatment of:

- Mental health; and
- Substance use disorder, including alcohol, Prescription Drug, and illicit drug abuse.

Also see “Coverage Requirements” on page 37.

Outpatient services in a behavioral health therapy visit do not require a PA when given to you by a:

- Licensed Clinical Psychologist;
- LCSW;
- LADC;
- LMFT;
- LPC;
- BHCM;
- LBP; or
- Psychiatrist.

Medical Benefits

Covered Services

You may get some Covered Services in either a Preferred Facility or a Non-preferred Facility within our full Network. We tell you below which services have the choice. Be sure to check when you make an appointment which type of Facility it is *for the service you are having*. The Cost Sharing you pay depends on where you are having the service and what the service is. Call us if you have questions.

Note: If you are having surgery in a Hospital Facility, you should ask your Provider about whether you will be an Inpatient or Outpatient. Unless the Provider writes an order to admit you as an Inpatient, you are an Outpatient and pay the Cost Sharing amounts for Outpatient surgery. Even if you stay in the Hospital overnight, you might still be considered an "Outpatient".

Also see "Coverage Requirements" on page 37.

Prescription Drug Benefits

Covered Services

Your Prescription Drug benefit covers Outpatient drugs that need a prescription. “Prescription” means an order written for a medicinal substance which, under the Federal Food, Drug, and Cosmetic Act (FD&C Act), is required to state: “Caution: Federal law prohibits dispensing without a prescription” or “Rx Only”. Doctors or others licensed to prescribe may write a prescription.

We also cover some OTC drugs and products. See Patient Protection and Affordable Care Act (ACA) on page 97.

We encourage you to use the Prescription Drug cost calculator available at <https://www.globalhealth.com/pharmacy/drug-pricing/>. You can:

- Determine your financial responsibility for a drug, based on your pharmacy benefit.
- Find the location and contact information of a Network pharmacy.
- Conduct a pharmacy proximity search based on zip code.
- Determine the availability of generic substitutes.

You can get more help on our website:

- Initiate the exceptions process.
- Order a refill for an existing, unexpired mail-order prescription.

You can also call us for this information.

Please note:

- All drugs and products must be FDA-approved.
- Quantity limits, prior authorization criteria, and step therapies may apply. See your *Drug Formulary* for any restrictions.
- A Network Provider must write the prescription. We cover prescriptions by Out-of-network Providers in these situations:
 - ER or Urgent Care Providers; and
 - Dentists.
- Your regular doctor should handle all follow-up care, including writing or refilling your prescriptions. See “Provider Directory” on page 18.
- A Network pharmacy must fill the prescription.

- You will pay your Cost-share or the cost of the drug, whichever is less.
- A generic equivalent will be dispensed when available, unless your doctor specifically requests the brand name drug and specifies Dispense as Written. If your doctor requests a brand name drug, your doctor must complete a PA form. The PA form must include documentation explaining why the generic equivalent cannot be used.
 - If the PA request is approved, you will pay the Cost-share of the Tier that the brand name drug is in.
 - If the PA request is not approved and you choose to fill a brand name drug when a generic equivalent is available, your Cost-share will be:
 - The Cost-share of the Tier the brand name drug is in; **plus**
 - The cost difference between the brand name drug and the generic equivalent.

Also see “Coverage Requirements” on page 37.

Prescription Drug Limitations:

- Epinephrine autoinjectors limited to four per year.
- Inhaler extender devices and peak flow meters limited to three per year.
- The Pharmacy and Therapeutics Committee’s standard quantity limits, prior authorization criteria, and step therapies apply.
- Specialty Drugs limited to a one-month supply.
- Smoking cessation products limited to:
 - Two full 90-day courses of FDA-approved tobacco cessation products per year, if prescribed by your PCP.
 - Members who are at least 18 years old.
- Drugs prescribed or given to you by Out-of-network doctors in non-emergencies limited to those prescribed by dentists.
- Non-prescription contraceptive jellies, ointments, foams, or devices limited to those that are FDA-approved and prescribed by a Network doctor for a woman.
- Prescription Drugs for the treatment of sexual dysfunction, including erectile dysfunction, impotence, and anorgasm, hyporgasm, or decreased libido limited to post-prostate surgery indications.
- We may cover certain investigational uses of chemotherapy for cancer treatment.

Also see “General limitations” on page 110.

Prescription Drug Excluded Services (Not Covered):

- Products available without a prescription (OTC). Including but not limited to:
 - Dietary supplements
 - Foods
 - Formulas
 - Medications for irrigation
 - Non-preventive care drugs
 - Saline
- Drugs prescribed for a non-FDA approved indication, dosage, or length of therapy.

Also see “General Excluded Services” on page 112.

Formulary Drug List

We list preferred drugs in the *Drug Formulary*. We choose the drugs on the list based on quality (effectiveness and safety) as well as cost. It includes brand name drugs as well as generics and biosimilars that may save your money. It also shows any UM needed for each drug.

Sometimes a drug may appear more than once in our drug list. This is because different rules or Cost Sharing may apply for the drug prescribed by your Provider based on:

- Strength (for example, 10 mg versus 100 mg); or
- Form (for example, tablet versus liquid).

P&T Committee:

The Pharmacy & Therapeutics (P&T) Committee oversees the Formulary drug list.

The committee meets at least every three months. The committee reviews the list of drugs and UM rules at least once each year. The list of drugs and UM rules are updated as appropriate.

All new FDA-approved drugs are reviewed within 90 days. Within 180 days of its release onto the market, the committee decides whether or not to add the new drug to the Formulary.

Committee members include:

- Practicing doctors;
- Practicing pharmacists; and
- Other practicing professionals licensed to prescribe drugs.

Drug Tiers:

The *Drug Formulary* will tell you which Tier a drug is in and the UM rules that apply. The Cost-share and description for each Tier remains the same for the entire year. During the year, individual drugs may move between Tiers. If your Cost-share will go up, you will pay the new Tier Cost-share after we give you 60 days' notice. The *Drug Formulary* is reviewed at least monthly. The most current list is available on our website. It is current as of the date on the bottom of the first page.

The Prescription Drug Cost-share for anticancer drugs you take by mouth is no greater than for drugs you take by IV or injection.

For questions about your coverage, call the GlobalHealth phone number printed on your Member ID card.

Changes:

The list of drugs can change during the year.

- The FDA may release new brand name drugs or generic drugs.
- We will only stop or lower coverage for a drug when the FDA releases:
 - A new or lower cost drug that has the same purpose and effect; or
 - Information that the drug is not safe or does not work.
- If we make changes to a drug that you take, we will tell you at least 60 days before the changes take effect. Changes may be:
 - Removing a drug from our Formulary;
 - Adding new rules to getting a drug; or
 - Moving a drug to a higher Tier.
- If the FDA decides a drug on our Formulary is unsafe or the drug's manufacturer removes the drug from the market, we will remove the drug from our Formulary right away and tell you within 30 days.

Exclusions:

We don't cover some Prescription Drugs because we have formulary drugs for the same purpose and effect that:

- Are safe;
- Have fewer health risks; and/or
- Have lower overall healthcare costs.

ACA

Some products are available at no cost. Others have some Cost Sharing. This happens when there are multiple FDA-approved items that are for the same purpose. See the *Drug Formulary* for a list of drugs covered with and without Cost Sharing. Those without Cost Sharing are noted with “HCR” in Tier “0”.

Benefits are limited to recommended prescribing limits.

Breast Cancer:

Doctors may prescribe risk-reducing drugs for women who are at higher risk for breast cancer and at low risk for drug side effects. Examples are tamoxifen or raloxifene.

Cholesterol:

Doctors may prescribe statin drugs for adults age 40 – 75 at higher risk for cardiovascular disease (CVD).

Contraception Drugs and Devices for Women:

We cover at least one FDA-approved item or product in every contraceptive method. This means women can get the pill, the shot, the ring, contraceptive implants, diaphragms, cervical caps, and permanent contraceptive methods like tubal ligation. We cover some of these methods under your medical benefits. See “Contraception services” on page 55.

- Products from a pharmacy require a written prescription from your doctor, even if it is available OTC. See your *Drug Formulary* for any rules for getting the item.
- If the FDA has approved multiple services and items within a method, we will decide which items to cover without Cost Sharing. However, if your doctor recommends a particular service or FDA-approved item for you, we will cover it without Cost Sharing. We defer to your doctor. See “Exception Requests” on page 32 to get coverage.

OTC:

We cover some FDA-approved OTC drugs and products at no cost. Not all products of each type are included.

<u>Medicine or Product</u>	<u>Eligible Population</u>
<u>Aspirin</u>	For adults up to age 60
<u>Contraceptives</u>	For women capable of becoming pregnant
<u>Folic acid supplements</u>	For women planning a pregnancy or capable of becoming pregnant
<u>Iron supplements</u>	For children from birth – 12 months
<u>Oral fluoride supplements</u>	For children from birth – 5 years
<u>Tobacco cessation products</u>	For adults age 18 and older

To get benefits, you must:

- Use a Network pharmacy; and
- Have a prescription from your doctor.

Pre-exposure Prophylaxis:

Doctors may prescribe pre-exposure prophylaxis (PrEP) with effective antiretroviral therapy for adults who are at high risk of getting HIV.

Vaccines:

We cover immunizations listed in “Preventive Care Benefits Chart” on page 100 at no cost. Shots required for work, school, or travel are not covered unless also a Preventive Care immunization. Check with your PCP first.

Network Providers, including pharmacies, must give you the shots. See our website for a list of pharmacies that give them.

Off-label Uses

“Off-label use” is any use of the drug other than those on a drug’s label as approved by the FDA. To be covered, the drug must be for the FDA-approved:

- Disease or medical condition;
- Dosage; and
- Length of therapy.

Also, the drug must be prescribed within FDA safety guidelines:

- Standards for safety and effectiveness in clinical studies; and
- Warnings, precautions, and potential drug interactions.

Generally, we do not cover off-label use. There is one exception:

1. We cover off-label uses of drug(s) used in the study or treatment of cancer when recommended by the National Comprehensive Cancer Network® guidelines.

Compounded Drugs

We do not cover compounded drugs.

Prescriptions Received in an ER or Urgent Care Facility

You may fill drugs prescribed by ER or Urgent Care doctors at any Network pharmacy. You will pay your Prescription Drug Cost-share. UM rules may apply. Your regular doctor should prescribe refills, if needed.

Managing Your Pain

Opioid abuse is a serious public health issue. Drugs may be:

- Prescribed, such as OxyContin® or hydrocodone; or
- Illegal, such as heroin.

Our *Drug Formulary* includes many pain management drugs that are not opioids. Work with your doctor to choose these drugs when appropriate.

We cover Prescription Drugs within medication-assisted treatment programs. See page 42. Also see “Substance Use Disorder Treatment” on page 89. Call Beacon Health Options for help with these services. You can view the resources Beacon has available to members at <https://www.beaconhealthoptions.com/members/opioid-treatment-resources/>.

We also cover medical and other behavioral health benefits for pain management:

- See “Counseling” on page 39.
- See “Telehealth” on page 45.
- See “Chiropractic care” on page 53.

- See “Physical therapy” on page 81.

Visit with your doctor about these services and if they would be appropriate for you.

Overdose:

Call 911. We cover some naloxone-based products at no cost as a Preventive Care product.

Drug Disposal:

Be sure to dispose of drugs in a safe manner.

- Follow the instructions on the Prescription Drug labeling or patient information that comes with the drug. Do not flush drugs down the sink or toilet unless the instructions tell you to do so.
- Use programs that let you take unused drugs to a central location for proper disposal. Call your local law enforcement agencies to see if they sponsor drug take-back programs. Contact your local household trash and recycling service to learn about drug disposal options and guidelines for your area.
- Take unused drugs to collectors registered with the Drug Enforcement Administration (DEA). Authorized sites may be retail, Hospital or clinic pharmacies, and law enforcement locations. Some offer mail-back programs or collection drop-boxes. Visit the DEA’s website at <https://www.deadiversion.usdoj.gov/index.html> or call 1-800-882-9539 for more information and to find an authorized collector in your area.
- Participate in “National Take Back Day”. It is a program through the DEA to provide a safe, convenient, and responsible means of disposing Prescription Drugs. For more information visit their website at https://www.deadiversion.usdoj.gov/drug_disposal/takeback/index.html.

Preventive Care Benefits

Covered Services

The federal government has three agencies that are responsible for deciding what Preventive Services we must cover at no cost to you. Each agency issues guidelines.

Agency	Guidelines Description
United States Preventative Services Task Force (<u>USPSTF</u>)	<ul style="list-style-type: none"> • Evidence-based items or services • Have a rating of “A” or “B” • For more detailed information on each service, see the <u>USPSTF</u> website, http://www.uspreventiveservicestaskforce.org/Page/Name/uspstf-a-and-b-recommendations/.
Health Resources and Services Administration (<u>HRSA</u>)	<ul style="list-style-type: none"> • Evidence-informed exams, <u>Screenings</u>, shots, and counseling • Including <u>Preventive Care</u> and <u>Screenings</u> with respect to women
Centers for Disease Control (<u>CDC</u>)	<ul style="list-style-type: none"> • Immunizations recommended by the Advisory Committee on Immunization Practices • Prevention with respect to the individual involved

The list of Preventive Services may change as guidelines are updated. We will use reasonable medical management to determine coverage when the guideline does not specify:

- Frequency;
- Method;
- Treatment; or
- Setting.

Preventive Care Limitations:

- Limited to USPSTF, HRSA, and CDC guidelines.

Preventive Care Excluded Services (Not Covered):

- Screening services requested solely by you, such as commercially advertised heart scans.

Get Services

Make an appointment with your PCP early in the year for your routine adult exam or your child’s well-child exam. Your PCP will decide which services are right for you and perform some services at that time. You can talk about which other services you need and set up more Preventive Care visits.

Your PCP will send us any Referrals you need. There are three exceptions:

1. You have direct access to your OB/GYN for services he/she handles;
2. You have direct access to an imaging center for your mammogram; and
3. You have direct access to your BHP for services he/she handles.

You have to pay your normal Cost-share if the primary purpose of the service is for treatment rather than Preventive Care. Services are preventive when there are no prior symptoms for that condition. Services are for treatment purposes when you are having symptoms, have been diagnosed with a condition, or need more tests after a positive preventive Screening.

There are two exceptions. You may have these services at no cost even with prior symptoms:

1. You may go to your PCP for one annual adult routine physical or scheduled well-child visits; and
2. BRCA testing for women in certain situations. See “Breast cancer - Preventive Care” on page 51.

You will not need every Preventive Service. Each service has limits on when or how often it is covered if you have average risk factors. Talk to your doctor about any risk factors that mean you need Screenings earlier or more often.

When a doctor determines that a Preventive Service is right for an individual, we cover it without Cost Sharing regardless of sex assigned at birth, gender identity, or gender of record at GlobalHealth. For example, we cover a mammogram or pap smear for a transgender man who has residual breast tissue or an intact cervix.

Follow-up Care

We cover follow-up care for conditions found during Preventive Care services through our regular care processes. Your doctor will schedule an appointment, or send us a Referral if needed, for treatment. There is no cost for any

part of the Preventive Care service that led to the diagnosis, but you must pay your regular Cost-share for follow-up care should your doctor find something suspicious through the Screening process. Follow-up care begins when the doctor either tells you that you need to have more testing or start treatment.

Vision Benefits

Covered Services

We cover eye care services to find and treat diseases or injury.

You may go to a Network optometrist or ophthalmologist for office visits. Go to a Network eyewear Provider for eyeglasses or contacts after cataract surgery. We cover cataract surgery under Outpatient surgery benefits and Coverage Requirements.

You may get your eye exam and eyeglasses or contacts on different dates or at different locations. However, you must get complete eyeglasses at one time, from one Provider. You may choose either eyeglasses or contact lenses, but not both.

Also see “Coverage Requirements” on page 37.

ELIGIBILITY AND ENROLLMENT

Eligibility

The Dependent information in this section only applies when your employer offers coverage for Dependents.

Your employer determines your eligibility. In general, you are eligible to enroll with GlobalHealth if:

- You live or work in our Service Area (Subscriber or spouse).
- You are a U.S. citizen or national or are a non-citizen who is lawfully present in the U.S. and
 - You reasonably expect to be a citizen or national.
 - You are lawfully present for the entire period for which Enrollment is sought.
- You are not incarcerated.
- You meet the eligibility requirements defined by your employer.

The employee is the Subscriber to the Plan. The spouse and children are Dependents.

You or your employer should send all Enrollment forms to us. We must receive your form within the time periods listed in “Enrollment Periods” on page 117.

Your employer may choose to offer health coverage to your Dependents. Unless Consolidated Omnibus Budget Reconciliation Act (COBRA)-eligible, Dependents may only enroll if:

- The employee is also enrolled in the same Plan; and
- They meet the employer’s eligibility requirements.

Spouses

Your spouse may enroll with us if he/she lives or works in our Service Area. You must either be legally married or complete the Common Law Marriage Affidavit. We do not cover ex-spouses except through COBRA provisions. See “Continuation Coverage Rights Under COBRA” on page 148.

Children

Your children may be Dependents through the end of the month in which they turn 26 years of age, whether or not:

- They depend on you for financial support;
- They live with you;
- They are in school;
- They have a job;
- They are married;
- They are eligible for other coverage; or
- They have any combination of these factors.

Also see Aging-off terminations under “Coverage Terminations” on page 122.

Disabled Dependents

Enrolled Dependents who reach the age of 26 may stay enrolled in the Plan if:

- He/she lives with you or your separated or divorced spouse;
- He/she is incapable of self-sustaining employment because of mental or physical handicap;
- He/she is chiefly dependent upon you for support and maintenance; *and*
- The mental or physical condition existed continuously before turning 26.

We may ask for verification of age, dependency, and/or disability status when first enrolling and again from time to time.

Dependents of Dependents

The Dependents of your Dependents are not covered. We do not cover your Dependent child's spouse or children, including newborns beyond the 48/96 hour routine Hospital admission.

Service Area

Our Service Area includes all 77 Oklahoma counties in their entirety.

Subscribers and spouses must live or work in our Service Area in order to enroll. If you are away from our Service Area for more than six months, contact your employer. There is a Special Enrollment Period (SEP) when you may enroll with another Plan that includes your new location in its Service Area. You should be close to your Plan's Provider Network to make it easy to get the care you need.

Dependents Living Out-of-Area

Dependents under the age of 26 who live outside of our Service Area may enroll. He/she must have an assigned Network PCP to manage routine or chronic care. Out-of-network coverage is for Emergency Services and Urgent Care only unless we authorize specific Out-of-network coverage.

Enrollment Periods

In order to get coverage, an eligible person must enroll in the Plan. You should submit your Enrollment through your employer. Make your Premium contribution through your employer. We must receive your Enrollment during Open Enrollment or within the time periods below.

Open Enrollment Period

You may enroll during your group's annual Open Enrollment each year. This is the time when eligible employees can:

- Enroll in coverage;
- Change Plans or drop coverage; and/or
- Add or drop Dependents from coverage.

SEP

You may be able to enroll outside of your Open Enrollment period if you have a Qualifying Life Event. If you have an event, see your employer to find out if you are eligible.

- You will have 30 days to enroll if you have a change in family status or coverage.
- You will have 60 days to enroll if you have a change in Medicaid or CHIP eligibility. See "Medicaid and CHIP Notice" on page 155.

To ask for special Enrollment or get more information, see your employer. Your employer will let you know your Plan options. You must send us proof of an SEP event. We will review it to verify your eligibility. Failure to send it will delay or prevent Enrollment.

Change in family status:

A change in family status opens an SEP for the entire family. Your Premium will change if your coverage type changes (such as, employee only to employee plus spouse). Your employer will let you know what your Plan options are.

<u>Dependent Type</u>	<u>Description</u>
<u>Adopted children</u>	<ul style="list-style-type: none">• We cover adopted children from the date placed in the home.• Subject to the "<u>Excluded Services and Limitations</u>" on page 108, we cover the medical costs related to the birth of the child who is 18 months or younger.

Death, divorce, or legal separation	<ul style="list-style-type: none"> ● We cover new <u>Subscribers</u> and <u>Dependents</u> from the first day of the month after enrollment if they qualify through <u>COBRA</u> or GlobalHealth <u>Plan</u>. ● You must enroll within 30 days after you lose coverage as a <u>Dependent</u> through a spouse or parent.

Change in coverage:

You may enroll when:

- You move from your Plan's Service Area.
- You lose Medicaid coverage or premium-free Medicare Part A eligibility.
- You gain lawful presence in the U.S. See "Eligibility" on page 116.
- You are enrolled in a Plan for which you don't qualify due to Enrollment errors.
- You declined coverage in writing when you were first eligible because you had other coverage and you no longer have the other coverage due to:
 - You or your eligible family member has exhausted COBRA under another group health Plan;
 - Work hours of the Subscriber end or are reduced;
 - Any other health Plan coverage ends;
 - The employer stopped paying part of your Premium; or
 - Death, divorce, or legal separation of the Subscriber.
- You are no longer incarcerated.
- You have exceptional circumstances such as in the case of a child of an incarcerated parent.
- You are a Dependent that becomes disabled and financially dependent on the Subscriber.

Change in employment:

You may enroll when:

- You are hired.
- You become eligible because of hours worked.

When Coverage Begins

Coverage for you and your eligible Dependents begins as of 12:01 a.m. on the effective date of your Enrollment. Your employer must certify your eligibility.

The group Plan Year begins on the effective date of your Group Agreement. It stays in effect for the next 12 months. Group effective dates may begin on the first day of any month and end on the last day of the twelfth month of coverage.

If you join a Plan after the group effective date because you qualify for an SEP or you are a new hire, your Plan Year begins when you enroll and ends at the same time as the group Plan Year.

- If we get your Enrollment between the 1st and the 15th of the month, your effective date will be the first of the next month.
- If we get your Enrollment between the 16th and the end of the month, your effective date will be the first of the second month.

These timeframes are subject to your employer's waiting period requirements. Your next Plan Year will be the same as the group's Plan Year.

Continuity and/or Transition of Care

If we authorize you for care through an Out-of-network Provider while we are transferring your care to an In-network Provider, we will pay at least Usual and Customary amounts for your services. You pay your In-network Cost-share.

Examples of conditions that may require continuity or Transition of Care:

- Behavioral health conditions during active treatment
- Currently hospitalized
- Currently taking drugs for which we require UM review
- Currently on a transplant list
- Impending Hospitalization
- Second or third trimester pregnancies
- Terminal illness
- Undergoing chemotherapy or radiation therapy.

The approved Out-of-network care ends when:

- You transfer to a Network Provider;
- You reach benefit limitations; or
- Care is excessive or not Medically Necessary.

The approval applies only to the condition and the Provider shown in the approval letter. An In-network Provider must treat all other conditions. If you need Referral services, we may authorize for In-network Providers only.

Others that may help with this process include.

- Your doctor or pharmacist.
- The parent of a child under 18 years of age.
- Your power of attorney with medical decision authority. We must have a copy of the signed power of attorney form on file.
- Your authorized representative. See "Appointment of Authorized Representative" on page 135. You will

need to complete the form if you want us to share your PHI with anyone else, for example:

- Your parent, if you are age 18 or over.
- Your spouse.
- Your caregiver, friend, neighbor, or other.

If we do not approve ongoing care through the Out-of-network Provider, you may Appeal the decision. See “Appeals and Grievances” on page 130.

Behavioral Health and Medical Transition of Care

If you are enrolling in GlobalHealth and changing from another Health Insurance company, you may be eligible for care with your present Provider while we are transferring your care to an In-network Provider.

You will need to complete the GlobalHealth Transition of Care Request Form. This is necessary, even if your PCP is also a GlobalHealth Provider. Some Specialists and Facilities currently scheduled for your care may differ from our Network. You can find the form on our website.

You must get approval from us to continue care with your current Provider. Approval from your prior Health Insurance company is not the same as authorization from us.

Requests for ongoing medical care are reviewed case-by-case. Once we have the request, we will review your case. You must have received services from the requested Provider under an ongoing Course of Treatment in the 90 days prior to your effective date with us to be considered.

We will tell you and your Provider if we are going to:

- Authorize continued services; or
- Move your care to one of our Network Providers right away. We will tell you about your right to Appeal the decision.

If approved for transition care, we cover care for up to 30 days while we are transferring your care to an In-network Provider. If you are pregnant, we cover transition care through six weeks postpartum, even if it is more than 30 days. If you remain enrolled in the same Plan across Plan Years, these timeframes apply across calendar years.

Prescription Drug Transition of Care

If you are new to GlobalHealth, you may ask us to:

- Cover non-formulary drugs; or
- Waive restrictions on Formulary drugs.

You must make the request within the first 90 days of your effective date of coverage. We urge you to work with your doctor and the Pharmacy Department as soon as possible to move to our Drug Formulary.

1. Complete the GlobalHealth Transition of Care Request Form - Prescriptions from our website.
2. We will verify previous drug therapy.
3. We will tell you our decision, whether or not it is in your favor. If approved, you will get one 30-day prescription fill per drug. If not approved, you may ask for an External Review.

For more information, see “Exception Requests” on page 32.

Behavioral Health and Medical Continuity of Care

If you are a current GlobalHealth Member and your Provider leaves the Network, you may keep getting care from that Provider in certain cases while we are transferring your care to an In-network Provider. Treatment for the condition must have been within the previous 30 days.

You must be in active treatment. “Active treatment” means:

- Ongoing treatment for a Life-threatening Disease or Condition;
- Ongoing treatment for a Serious Acute Condition;
- The second or third trimester of pregnancy through the postpartum period; or
- Ongoing treatment for which a treating doctor or other Provider attests that changing care to another doctor or Provider would make the condition or expected outcome worse.

If approved for continuity care, we cover care for up to 90 days while we are working to transfer your care. If you are pregnant, we cover continuity care through six weeks postpartum, even if it is more than 90 days. If you remain enrolled in the same Plan across Plan Years, these timeframes apply across Plan Years.

You must get approval from us to continue care. We will not cover continuing care when:

- The Provider’s contract ended due to quality of care issues.
- The Provider did not comply with regulatory or other contract requirements.

Changes to Enrollment

It is your responsibility to tell us about any changes that affect your eligibility. Changes that you must report include, but are not limited to:

- Social Security numbers for new Dependents;
- If you gain, lose, or make policy changes to any other group health coverage;
- Moving out of our Service Area; or
- Change in:
 - Name
 - Mailing address and zip code
 - Telephone number (home and work)
 - PCP
 - Disability status
 - Medicare status
 - COBRA
 - Family status
 - Retirement
 - Death
 - Divorce

You should make any change as soon as possible, but always within 30 days. See “Enrollment Periods” on page 117 for SEP deadlines for changes. Complete a new Membership Enrollment Form.

Talk to your employer about coverage options if you stop working because of:

- Disability
- Leave of absence
- Retirement
- Temporary layoff
- Termination of employment

Or, if you have a life changing event such as:

- Death of a spouse
- Divorce
- Your Dependent child is no longer eligible because of age

See “Continuation Coverage Rights Under COBRA” on page 148.

Changes to Your GlobalHealth Plan

If any federal or state law requires a change in benefits, we may change the Group Agreement or certain benefits. We will give you at least 60 days' written notice. We will also tell you when the change starts.

GlobalHealth and your employer may make changes to the Group Agreement or benefits without your consent or concurrence. Your employer is responsible for telling you in writing within 72 hours of any change to your Plan.

Coverage Terminations

A termination is when your coverage ends. It may be your choice to end it or not. If it was not your choice, we will tell you when and why your coverage ended. We will mail your notice within five business days.

Coverage ends at 12:00 midnight on the day of your termination. If a Dependent's coverage ends, it does not affect the coverage of other family members. If the Subscriber's coverage ends, the membership of all Dependents stops as well. See "Continuation Coverage Rights Under COBRA" on page 148.

Unless otherwise provided, your coverage ends on the earliest of the following:

If you have any of these situations, you may be eligible for an SEP to enroll with another Health Insurance company. Or you may choose continuation of coverage or COBRA if you qualify.

Continuation of Coverage

You may be able to keep coverage in the same Plan for 63 days beyond these timeframes. You must keep paying your Premium.

Continuation of coverage may not be available:

- If you fail to make timely Premium payments;
- If the group coverage ends in its entirety during your continuation period;
- If you become entitled to similar coverage from another source during the continuation of coverage period; or
- If you intentionally misuse your Member ID card or commit Fraud.

Conversion Privilege

If you lose your GlobalHealth group coverage, you may be eligible for COBRA continuation coverage. Ask your employer.

If you would like to purchase Health Insurance through the ACA's Health Insurance Marketplace, visit www.HealthCare.gov. This is a website the U.S. Department of Health and Human Services provides for Marketplace information, including how to enroll.

If You Are in the Hospital When Coverage Ends

You may continue to get benefits while you are hospitalized and under a doctor's care.

- We cover women giving birth through delivery and discharge.
- If your coverage is ending because your employer is terminating the Group Agreement, your coverage ends on the termination date of the Group Agreement.
- If your group coverage is ending because we are terminating the Group Agreement, your coverage will continue through discharge from the Hospital or expiration of benefits according to your Group Agreement.

Services must meet "Coverage Requirements" on page 37. We cover services only for the illness, injury, or condition for which you are hospitalized.

Insolvency

In the unlikely event of our insolvency, we will continue your benefits:

- For the period for which Premiums have been paid.
- If you are confined in a Hospital on the date of insolvency, until you are discharged or your benefits end.
- If you are pregnant, through delivery and discharge.

See "Notice of Protection Provided by Oklahoma Life and Health Insurance Guaranty Association" on page 159.

Balance Billing by an Out-of-network Provider

Balance Billing happens when a Provider asks you to pay the difference between its billed charge and the total amount the Provider received from your In-network Cost-share and our payment. In-network Providers may not balance bill you. Out-of-network Providers may balance bill you and you may have to pay the difference.

Special Situations

We maintain a comprehensive Network of Providers. As a general rule, you must get care from these Providers. However, there are some limited situations when you may see an Out-of-network Provider such as in an emergency or urgent situation or when we have authorized you to see an Out-of-network Provider. You pay your regular Cost-share. We pay at least Usual and Customary reimbursement. But, the Provider may send you a bill if:

- You must seek Urgent Care when out of our Service Area.
- You are treated for Emergency Services while Out-of-network.

If you believe a Provider has balance billed you in error, call us.

If You Receive a Bill

If you get a bill for services you already paid for in an emergency or urgent situation, send an itemized bill and proof of payment. Be sure to send them to the appropriate place. You should keep copies of any documents you send to Magellan Rx Management, Beacon Health Options, or us for your records.

Behavioral Health

Network behavioral health Providers will bill Beacon Health Options directly for services.

If you need to file a Claim for emergency Out-of-network services, mail the Claim to Beacon Health Options.

Coverage Decision:

When we get your request for payment, we will let you know if we need any other information from you. We will review your request and make a coverage decision. You must follow the “Coverage Requirements” on page 37.

- If we decide that the care is covered and you followed all the rules for getting the care, we will pay for our share of the cost. If you have already paid for the service, we will mail you a payment for our share of the cost. If you have not paid for the service yet, we will mail the payment directly to the Provider.
- If we decide that the care is not covered, or you did not follow all the rules, we will not pay for our share of the cost. We will send you a letter that explains the reasons why we are not sending the payment and a copy of Appeal Rights within 30 days after we get the Claim. See “Appeals and Grievances” on page 130.

Prescription Drugs

The pharmacy usually bills directly to Magellan Rx Management. However, if you fill a prescription without your Member ID card, the pharmacy may require you to pay. If this happens, call Magellan Rx Management. You will need to fill out a paper Claim form and send the receipts.

When You're Covered by More Than One Plan

You must tell us if you have other healthcare coverage.

Other healthcare coverage includes:

- Group and individual insurance coverage and Subscriber coverage;
- Uninsured arrangements of group or group-type coverage;
- Group and individual coverage through Plans no longer accepting new Members;
- Group-type coverage;
- The medical care benefits of long-term care coverage, such as Skilled Nursing Care;
- The medical benefits coverage in automobile “no fault” and traditional automobile “fault” type coverage;
- Medicare or other governmental benefits, as permitted by law, except as provided in a state Plan under Medicaid. That type of Plan may be limited to Hospital, medical, and surgical benefits of the governmental program; and
- Group and individual insurance coverage and Subscriber coverage that pay or reimburse for the cost of dental care.

If you have healthcare coverage in addition to your GlobalHealth Plan, either as a Dependent or a Subscriber, we will coordinate benefits. This means that we will determine which Plan will pay as primary (first) and which Plan will pay as secondary (second). You must follow the “Coverage Requirements” on page 37, whether we pay first or second.

Behavioral Health and Medical Coverage COB

Benefits we pay are subject to Coordination of Benefits (COB). We apply COB rules according to the National Association of Insurance Commissioners’ guidelines and applicable state laws. Your case may be different, such as when you enroll a newborn in other coverage, but not GlobalHealth, within the first 31 days.

Provisions	<u>COB</u> Order of Benefit Determination Rules
Only one <u>Plan</u> has <u>COB</u> provisions	<ul style="list-style-type: none"> • Generally, the <u>Plan</u> without a <u>COB</u> provision pays first. • The <u>Plan</u> with a <u>COB</u> provision pays second.
Both <u>Plans</u> have <u>COB</u> provisions	<ul style="list-style-type: none"> • The <u>Plan</u> covering the <u>Member</u> as a <u>Subscriber</u> pays first. • The <u>Plan</u> covering the <u>Member</u> as a <u>Dependent</u> pays second.
Both <u>Plans</u> have <u>COB</u> provisions - <u>Dependent</u> Child - Parents not separated or divorced	<ul style="list-style-type: none"> • The “Birthday Rule”: <ul style="list-style-type: none"> ○ The <u>Plan</u> of the parent with a birthday earlier in the calendar year, regardless of the year of birth, pays first. ○ If either <u>Plan</u> does not follow the Birthday Rule, then the rules of the <u>Plan</u> that does <u>not</u> have the Birthday Rule provision apply.
Both <u>Plans</u> have <u>COB</u> provisions - <u>Dependent</u> Child - Parents separated or divorced	<ul style="list-style-type: none"> • A <u>Dependent</u> child whose parents are separated or divorced, and the parent with custody has not remarried: <ul style="list-style-type: none"> ○ The <u>Plan</u> of the parent with custody pays first. ○ The <u>Plan</u> of the parent without custody pays second. • A <u>Dependent</u> child whose parents are divorced, and the parent with custody has remarried: <ul style="list-style-type: none"> ○ The <u>Plan</u> of the parent with custody pays first. ○ The <u>Plan</u> of the stepparent pays second. ○ The <u>Plan</u> of the parent without custody of the <u>Dependent</u> pays third. • A <u>Dependent</u> child whose parents are separated or divorced and a court decree establishes responsibility for healthcare expenses - the <u>Plan</u> of the parent with responsibility pays first.

When we pay second:

1. The primary payer pays its part.
2. You pay your GlobalHealth Plan Cost Sharing, if any.

3. We pay the rest of the bill, up to our Allowed Amount.

Notification:

When we need verification of other coverage to process a Claim, we will ask that you complete a *Coordination of Benefits (COB) Form*. Send the completed form when requested so the Claim is not delayed or denied. We may ask you to complete a form each year.

Prescription Drug Coverage COB

If you are covered by more than one Plan, we will coordinate your prescription benefits. Give both Prescription Drug cards to the pharmacy staff. Tell them who pays first. The pharmacy staff will enter the information. You pay your Cost-share for that Plan. Then the secondary coverage will be billed the remaining cost.

Your GlobalHealth Plan and Medicare

If you are a Medicare recipient, either through yourself or your spouse, we will coordinate benefits with Medicare. If Medicare benefits pay first, we will pay second for benefits less the amount paid by Medicare. If you have questions about Medicare, contact your local Social Security office or visit www.medicare.gov.

You must follow the “Coverage Requirements” on page 37, whether we pay first or second.

When GlobalHealth benefits are secondary:

1. The primary payer pays its part.
2. You pay your GlobalHealth Plan Cost Sharing, if any.
3. We pay the rest of the bill, up to our Allowed Amount.

Third-Party Liability

Workers’ Compensation

Our benefits do not replace or duplicate any benefits you get under Workers’ Compensation law. You must tell your employer about your condition in order to file for Workers’ Compensation benefits.

Third-Party

If you are injured through an act or omission of a third-party (such as a car accident) and are entitled to healthcare coverage, you agree:

- To make a Claim.
- To pay us for the cost of medical care we paid for if you receive a monetary recovery or settlement.
- That our right to payment is the first priority Claim against any third-party. This means that we will be paid before payment of any other Claims, including any Claim by you for general damages.

We may collect from the proceeds of any settlement or judgment you get, whether or not you have been fully compensated.

If you release the responsible party for a wrongful act or negligence, we may delay or deny the Claim. We may waive our option to deny the Claim for good cause in certain specific cases.

Note: See “[Subrogation, Third-Party Recovery, and Reimbursement](#)” on page 167.

If we deny any part of a [Claim](#) submitted for payment, we will review the [Claim](#) upon written request for [Appeal](#). See “[Appeals and Grievances](#)” on page 130.

[Claims Payment Recovery](#)

If we pay a [Claim](#) for services you received and you were not eligible for coverage at the time of the services, we may ask for a refund. You are then responsible for paying the [Provider](#). Payment is due when we notify you. Also, we have the sole right to determine that any overpayments, wrong payments, or excess payments made for you are a debt which we may recover. We do not waive our rights, even if we accept your [Premiums](#) or pay for benefits.

We will ask for a refund from your [Provider](#) within 24 months after we made the payment, unless:

- The payment was made because of [Fraud](#) committed by you or the healthcare [Provider](#); or
- You or the healthcare [Provider](#) has otherwise agreed to make a refund to us for overpayment of a [Claim](#).

APPEALS AND GRIEVANCES

Complaints and Grievances

You may file a complaint by contacting us. A Grievance is a more formal complaint that you, or your authorized representative, make in writing.

It may concern:

- Access
- Any aspect of the Plan operations
- Attitude/Service
- Billing/Financial
- Policies
- Procedures
- Quality of care
- Quality of Provider office site
- Other issue

Send written Grievances to our GlobalHealth, Appeals and Grievances address on page 3. Please include:

- Member's name and address;
- GlobalHealth Member ID#;
- Provider of services, if applicable;
- A description of the complaint and resolution desired; and
- Copies of Claims, records, or other relevant information.

If you wish to file a complaint or Grievance, give as much information as you can about the matter.

We will send a letter within five days after we get your request for a Grievance. This letter will let you know when you can expect a response in writing from us. You will get a final response within 30 days unless otherwise specified.

You, or someone on your behalf, may ask the Insurance Commissioner for help at any time whether or not you submit a written Grievance to us.

For help with Grievances related to discrimination, see "Notice of Non-discrimination" on page 157.

Appeals

You have the right to Appeal any decision we make that:

- Denies payment on your Claim;
- Denies your request for medical care coverage. See "Pre-service Authorization" on page 29; or
- Changes or reduces an approved Course of Treatment. See "Concurrent Review" on page 31.

You may not Appeal if the benefit change is because your Plan changed or ended.

You may ask for more explanation when we deny your Claim or request for coverage or we did not fully cover your care. There is no cost to you for requesting either an initial Appeal or an External Review.

Call us when you:

- Do not understand the reason for the denial;
- Do not understand why we did not fully cover the medical care;
- Do not understand why we denied a request for medical care coverage;
- Cannot find the applicable section in this *Member Handbook* or other Plan documents;
- Want a copy (free of charge) of documents, records, and other information relevant to your Claim;
- Want a copy (free of charge) of the guideline, criteria, or clinical rationale that we used to make our

decision; or

- Disagree with the denial or the amount not covered and you want to Appeal.

If your Claim was denied due to missing or incomplete information, you or your Provider may resend the Claim to us with the needed information.

Your Appeal request must be submitted in writing to the GlobalHealth, Appeals and Grievances address on page 3 **within 180 days** of receiving the Adverse Determination notice. Include the following:

- Member's name and address;
- GlobalHealth Member ID#;
- Provider of services;
- Date of service if appealing a denied Claim;
- Description of the denied service and why the Appeal is being requested; and
- Copies of documentation to support the Appeal request (such as, Claims, medical records, doctor statements, and any other relevant information).

You can get Appeal request forms on our website or by contacting us. You are not required to use the form, but you must have all the information on the form in your letter.

Full and Fair Review

We will conduct a full and fair review of your Claim or request for coverage of care. The review is conducted by people associated with us, but who were not involved in making the initial denial or their subordinate. You may give us other information, evidence, or testimony that relates to your Claim or care. You may ask for copies of information that we have that pertains to your Claim(s) or care.

Behavioral Health Appeals

Beacon Health Options administers your behavioral health benefits on our behalf. However, our Customer Care handles all behavioral health Appeals. Follow the process for Appeals above.

We will tell you our decision in writing within 30 days of receiving your Appeal. We will give you any new or additional evidence we used and tell you why we used it if you ask. We will give it to you free of charge. You may ask who the medical or other experts are whose advice we asked for, whether or not we used their advice in making the determination.

Initial Appeals Process

We will send a letter telling you we received your request within five business days. This letter will let you know when you can expect a determination in writing from us. If you do not get our decision within 30 days, you may ask for an External Review. See "External Review" on page 133.

We may extend this period one time for up to 15 days, if:

- It is necessary due to matters beyond our control;
- We tell you, before the initial 30-day period ends, why it is needed; and,
- We tell you the date by which we expect to make a decision.

If extra time is needed because we do not have enough information to decide the Claim, the notice will tell you what information we need. You will have 45 days from receipt of the notice to send it.

Depending on the nature of the Adverse Determination, there are two different types of internal review:

1. General Review (such as, Claims processing or clerical errors).
2. Independent Internal Review (such as, adverse medical necessity or coverage determinations). This review is conducted by people not involved in the original decision.

Expedited Appeal

You may ask for a fast internal review of our denial if:

- You have a medical condition that would seriously risk your life or health or your ability to regain maximum function if you do not get care right away; and,
- It concerns:
 - Availability of care;
 - Continued stay;
 - Emergency Services and you have not been discharged from a Facility; or
 - A Hospital stay.

You, or someone authorized to act on your behalf, may ask us for a fast internal review. Send the request to the address listed on page 3. Or call us to ask for one.

If we agree to process your Appeal as an expedited internal review, we will make a determination within 72 hours after we get your request. If your Appeal does not qualify for a fast review, we will tell you and process the Appeal within the standard timeframe.

Medical Appeals

For medical Appeals, follow the Appeals process on page 130. We will tell you our decision in writing within 30 days of receiving your Appeal. We will give you any new or additional evidence we used and tell you why we used it if you ask. We will give it to you free of charge. You may ask who the medical or other experts are whose advice we asked for, whether or not we used their advice in making the determination.

If we agree to process your Appeal as an expedited internal review, we will make a determination within 72 hours after we get your request. If your Appeal does not qualify for a fast review, we will tell you and process the Appeal within the standard timeframe.

Prescription Drug Exceptions

Magellan Rx Management is our PBM. However, our Customer Care handles all Prescription Drug exceptions. See “Exception Requests” on page 32.

For Prescription Drug exceptions, we will tell you our decision within 72 hours of receiving your exception request. We will give you any new or additional evidence we used and tell you why we used it if you ask. We will give you this information free of charge. You may ask who the medical or other experts are whose advice we asked for, and whether or not we used their advice in making the determination. We use a pharmacist to review pharmacy denials based on medical necessity.

Prescription Drug Expedited Exception Request

If your situation is critical your doctor may request a fast internal review. In that case, we will make a determination within 24 hours after we get the request.

External Review

If we denied your request either to have or to pay for medical care, you have a right to have our decision reviewed by independent healthcare professionals, who have no association with us, if our decision involved:

- A determination that the service or treatment is Experimental or Investigational.
- Appropriateness.
- Healthcare setting.
- How well the healthcare service or treatment works.
- Level of care.
- Medical necessity.

There are no filing fees or other cost for this review. If you would like additional information regarding independent Appeal rights, contact us.

Behavioral Health and Medical Reviews

You must ask in writing for an External Review **within four months** of the final Appeal determination notice.

Contact Method	Contact Information
Local	(405) 521-2828

Mail	Oklahoma Insurance Department 400 N.E. 50 th Street Oklahoma City, OK 73105
Website	www.ok.gov/oid/Consumers/External_Review_Process

If your request qualifies for External Review, the Insurance Department will randomly select a qualified Independent Review Organization (IRO) to conduct the External Review. You must authorize the release of medical records. The IRO needs to review them so it can reach a decision. The IRO will tell you its decision within **45 days** after it gets the request for review.

Expedited External Review

You may ask for a fast External Review of our denial if:

- You have a condition that would risk your life or health or your ability to get back maximum function if you do not get treatment right away;
- It concerns:
 - Availability of care;
 - Continued stay;
 - Emergency Services and you have not been discharged from a Facility;
 - A Hospital stay; or
- We determined that the medical care is Experimental or Investigational. Your doctor must certify in writing that the medical care would be significantly less effective if not started right away.

You can request an expedited External Review at the same time as an expedited internal Appeal process.

To request an expedited External Review, call the Oklahoma Insurance Department before sending your paperwork. They will give you instructions on the quickest way to send your request and supporting information.

If your request qualifies for External Review, the Insurance Commissioner will randomly select an IRO. The IRO will make a determination within 72 hours after they get your request for expedited External Review.

Note: You may not get a fast External Review when we deny payment for services you already had.

Prescription Drug Reviews

You must ask for an External Review **within 72 hours** of the exception request determination notice.

Notices

We will mail you a written Appeal determination after each level in the Appeal process. It includes:

- Specific reason(s) for the denial;
- A reference to the benefit provision, guideline, protocol, or other similar criterion on which a denial is based;

- The credentials of the person, or persons, involved in reviewing your Appeal; and
- Other Appeal rights, when applicable.

Appointment of Authorized Representative

Someone else may ask for an Appeal, exception request, or continuity or Transition of Care for you. You can name a relative, friend, advocate, attorney, doctor, or someone else to act as your authorized representative. If you want someone to act for you, you must send us a written statement authorizing that person to do so. Both you and the person you name must sign and date this document. You can find an *Appointment of Authorized Representative* form on our website or by contacting us. We must have a signed form on file before the Appeal, Grievance, exception request, or continuity or Transition of Care can proceed if someone is working on your behalf.

Appeal Questions

If you have any questions or would like a copy of the benefit policy, guidelines, protocol, or other criteria used to make a determination, contact us. Your doctor may contact our Medical Director to discuss denials.

SPECIAL PROGRAMS

Care Management

We believe managing and navigating healthcare should be easier. Our main areas of focus are:

- Keeping Members healthy;
- Managing Members with emerging risk;
- Member safety or outcomes across settings; and
- Managing multiple chronic illnesses.

You are the most important part of managing your health.

- Understand your health and decide the best Course of Treatment.
- Go to your doctor visits and take your medicine.
- Make healthy lifestyle choices, like working toward your diet and exercise goals.

We work to support you and can even provide a case manager who will focus on:

- Getting to know you and your medical needs.
- Helping you set up appointments with your doctor.
- Helping you get other care you need.
- Answering questions before or after your doctor visit.
- Helping you in a way that meets your cultural needs and preferences.

We have several programs that can help you get the right care for you including:

- Diabetes Prevention Program
- Medication Therapy Management Program
- Prenatal Outreach Program
- Proactive Outreach Program
- Site of Care Program
- Tobacco Cessation Program
- Value Max Program

You can find out more about each program below.

Diabetes Prevention Program

Case managers work with you if you are pre-diabetic. That is, you have higher than normal blood sugar, but have not yet been diagnosed with diabetes. You will have support to:

- Eat a healthy diet;
- Have an active lifestyle; and
- Lose weight.

The goal is to keep you from becoming diabetic. By making these changes, you may cut your risk of diabetes by as much as half. Your doctor or our case manager can help you find and enroll in a Network diabetes prevention program.

Medication Therapy Management Program

If you are taking multiple drugs for Chronic Conditions, our pharmacists and staff can support you with personalized service. Our team will review your drugs to help make sure that you are getting safe and appropriate care, and these reviews are especially important if you have more than one Provider who prescribes drugs for you.

During these reviews, we look for potential problems such as:

- Drugs that may not be necessary because you are taking another drug to treat the same medical condition;
- Drugs that may not be safe or appropriate because of your age or gender;
- Combinations of drugs that could harm you if taken at the same time; and
- Drugs that have ingredients you are allergic to.

If we see a possible problem, we will work with your Provider to correct it.

Ultimately, the goals of this program are:

- To slow disease progression by supporting drug compliance;
- To eliminate duplicate drug therapies;
- To reduce drug interactions and side effects; and
- To help you get the most out of your benefits by telling you about the lowest cost alternatives.

Prenatal Outreach Program

Prenatal care helps keep you and your baby healthy. Your doctor can spot and treat health problems earlier or maybe keep them from happening.

There are many things you can do to make sure you have the best pregnancy possible, and we want to help you along the way. You will have your own case manager who will call you when we know you are pregnant. Or, you can call us if you don't want to wait.

Keep in mind, routine prenatal care has no cost to you. See "Maternity and newborn care" on page 72.

Actions	Description
What to do	<ul style="list-style-type: none"> • Make and keep your prenatal doctor visits. Schedule your first visit within the first trimester. Talk to your doctor about: <ul style="list-style-type: none"> ○ Tests, lab work, and shots. ○ Childbirth classes for you and your partner. ○ How much weight you should gain. ○ Exercise. ○ Any questions you have. • Get informed. Read books, watch videos, go to a childbirth class, and talk with moms you know. • Be aware of your blood pressure and blood sugar measurements. • Take your prenatal vitamins every day. • Get plenty of rest and sleep. • Eat healthy foods and drink plenty of water. • Find ways to control stress. • Talk about and prepare for postnatal visits and well-child visits.
What <u>not</u> to do	<ul style="list-style-type: none"> • Don't use drugs, drink alcohol, or smoke. Stay away from second-hand smoke. • Don't start or stop taking medications (including <u>OTC</u> and herbal products) without talking to your doctor first. • Don't have an x-ray without telling your doctor or dentist that you are pregnant. • Don't eat uncooked or undercooked meat or fish. Don't eat fish with lots of mercury. • Don't use chemicals like insecticides, solvents, lead, mercury, and paint, even if there is no pregnancy warning on the label. • Don't be around rodents (even if pets) and cat litter.

Proactive Outreach Program

We help you manage your healthcare through our GlobalHealth Proactive Outreach Program. The goal is to decrease inpatient admissions, readmissions, and unnecessary ER visits by working with you and your doctor to:

- Evaluate health risks;
- Verify or create a workable care plan;
- Help you follow guidelines and the care plan from your doctor and take your drugs as prescribed; and
- Coordinate care.

The Proactive Outreach Program offers you two types of support:

1. Discharge Outreach

Provides support if you have recently experienced a Transition of Care. The Discharge team works with you to support and reinforce treatment plans to prevent readmission and unnecessary ER visits.

2. Case Management

Consists of what is traditionally known as complex Case Management and disease management. The goal is to promote quality, cost-effective health outcomes. Our case manager works with you, your doctors, and/or BHP to:

- Remove social, cultural and economic barriers;
- Create a health management plan;
- Coordinate care;
- Help you understand disease risk factors, signs and symptoms, and treatment options; and
- Contact you regularly to monitor, follow-up and answer your questions.

Site of Care Program

If you take certain Specialty Drugs through infusion, there are different locations to get them. Each setting has a different Cost-share.

- Preferred settings:
 - In your home.
 - In your doctor's office.
 - In an infusion suite/center.
- Non-preferred setting:
 - Outpatient Hospital Facility.

Our Site of Care program directs you to the most cost-effective, clinically appropriate location to have your infusions. It saves you money and is more convenient.

First Dose

Your first dose of medication may be given in an Outpatient Hospital Facility when:

- A preferred place of service cannot meet the requirements for first dose administration.
- You have specific factors preventing administration in a preferred setting.

After First Dose

You may continue to get your infusions in an Outpatient Hospital Facility if your doctor sends us information that it is Medically Necessary. Without the information, you will be directed to a preferred site of care.

Tobacco Cessation Program

Smoking and tobacco use can lead to disease and disability and harm nearly every organ in your body. Tobacco use can cause cancer, heart disease, stroke, lung diseases, diabetes, nicotine poisoning, and COPD, which includes emphysema and chronic bronchitis. Smoking also increases the risk for tuberculosis, certain eye diseases, and problems of the immune system, such as rheumatoid arthritis.

Tobacco products include:

- Candy-like products that contain tobacco
- Cigarettes
- Cigars
- Smokeless tobacco
- Smoking tobacco
- Snuff

Tobacco use is defined as:

- Using any tobacco product other than for religious or ceremonial use; and
- Using on average, four or more times per week within the past six months.

E-cigarettes:

Using E-cigarettes could be just as dangerous. E-cigarettes are not safe for youth, young adults, pregnant women, or adults who do not currently use tobacco products. E-cigarettes produce an aerosol that users inhale into their lungs. The aerosol can contain harmful and potentially harmful substances including:

- Nicotine
- Ultrafine particles that can be inhaled deep into the lungs
- Flavoring such as diacetyl, a chemical linked to a serious lung disease
- Volatile organic compounds
- Cancer-causing chemicals
- Heavy metals such as nickel, tin, and lead

For more information on how to prevent and detect E-cigarette use visit https://www.cdc.gov/tobacco/basic_information/e-cigarettes/about-e-cigarettes.html.

Quitting:

If you are looking to quit smoking, tobacco use, or the use of E-cigarettes we can help. Our tobacco cessation goals are to:

- Reduce the number of Members who use tobacco products;
- Increase awareness of tobacco cessation programs; and
- Improve the overall health of Members.

Steps to quit

1. Find your motivation.
2. Call your PCP, BHP, or the Oklahoma Tobacco Helpline for support and to set up your quit plan.
3. Talk with your doctor about medicines to help you quit.
4. Set a quit date within the next two weeks.
5. Make small changes. For example:
 - Throw away ashtrays in your home, car, and office so you aren't tempted to smoke.
 - Make your home and car smoke-free.
 - If you have friends who smoke, ask them not to smoke around you.
6. Plan for how you will handle challenges like cravings.

Our website has more helpful hints.

Cessation attempts

Studies show that the most effective way to stop smoking involves:

- Counseling;
- Social support; and
- The use of cessation medication.

Counseling and drugs both work for treating tobacco dependence. Using them together works better than using either alone. The most important thing to remember is to keep trying.

We cover two tobacco cessation attempts per year. One attempt is considered:

- Four tobacco cessation counseling sessions; and
- FDA-approved tobacco cessation drugs (including both prescription and OTC).

You do not need PA. You pay for other treatment or non-generic drugs.

For those under age 18 visit Smoke Free Teen at <https://teen.smokefree.gov/> for quit methods and tools.

Counseling

You or your Dependent age 13 or older may attend individual, group, or telephone counseling sessions for at least 10 minutes each through your PCP or BHP.

You may also call the Oklahoma Tobacco Helpline at 1-800-QUIT-NOW (1-800-784-8669). You will talk to a trained cessation expert. He or she will tailor a plan for you.

Clickotine® can be used alone or in conjunction with other tobacco cessation approaches, such as coaching and nicotine replacement therapy. With Clickotine® members have access to live coaching, a clinical call center and quitting aids, including nicotine replacement therapy. Clickotine® empowers individuals to take control of their own health and behaviors providing a personalized platform for overcoming nicotine addiction.

Free individualized support is available 24-hours a day, 7 days a week. For more information please visit <https://www.globalhealth.com/tobacco-cessation/> or <https://www.clickotine.com/>.

Contact Customer Care for the Client ID needed when you enroll in the Clickotine® program.

Prescriptions

Smoking cessation products are limited to two full 90-day courses of FDA-approved tobacco cessation products per year. Your PCP or BHP will write a prescription. This benefit is available to you and your enrolled Dependents who are at least 18 years old.

The covered drugs include:

- Bupropion SR 150 mg (generic for Zyban®).
- Chantix™ (varenicline);
- Nicotrol® Inhaler (nicotine); and
- Nicotrol® Nasal Spray (nicotine).

We also cover FDA-approved OTC products with a prescription written by your physician:

- Gum;
- Inhalers;
- Lozenges;
- Nasal sprays; and
- Nicotine patches.

Not all products that may be used for tobacco cessation are included. For example, we do not cover electronic cigarettes (e-cigarettes) or vaporizers.

Value Max Program

The Value Max program is available to GlobalHealth Members at no cost. This program is designed to identify the highest Copayment assistance available for eligible drugs, typically resulting in a lower Copayment for you. To benefit from this program, you must fill eligible prescriptions through Magellan Rx pharmacy, a mail-order pharmacy. You can find the current list of eligible drugs on our website at <https://globalhealth.com/pharmacy/value-max-program/>.

If you receive a drug on the Value Max drug list, you will be automatically enrolled in the Value Max program. You may disenroll from the program at any time. If you do not already receive your prescriptions from Magellan Rx Pharmacy, you must disenroll from the program to continue to receive your prescriptions at your local pharmacy.

If you have any questions about the Value Max program, please contact Magellan at 1-800-424-1789 (toll-free) or GlobalHealth at 1-877-280-2964 (toll-free). You can also review the Value Max Program Frequently Asked Questions on our website at <https://globalhealth.com/pharmacy/value-max-program/>.

How to enroll

Each of these programs is a team effort and that team includes you, your caregiver (if you wish), your doctors, and our GlobalHealth team members.

We will automatically enroll you in these programs, except the Medication Therapy Management and Tobacco Cessation Programs, if you meet the criteria. You, your caregiver, discharge planner, or doctor can ask us to enroll you in any of these programs. Participation is voluntary, confidential, and available at no cost to you. You may opt out at any time.

Call us if you have any questions.

Quality Improvement Program (QIP)

The QIP helps us improve our functions and the services you get from Network Providers. It provides a systematic, integrated approach to measure and improve quality. The QIP:

- Meets statutory requirements.
- Follows other standards, guidelines, and contractual requirements.
- Identifies issues that we use as opportunities to improve. Work groups, made up of our employees, Members, and Network Providers:

- Monitor performance indicators.
- Analyze data.
- Identify practices that result in positive health outcomes.
- Implement changes to improve performance.
- Monitor progress.

The QIP goals are to:

- Improve processes, patient safety, and outcomes of care.
- Fulfill Member and Provider needs.
- Reduce the cost of healthcare.

You may ask about our QIP and work plan. Call us and ask to talk to the Quality Department or send an e-mail to quality@globalhealth.com.

National Committee for Quality Assurance (NCQA)

We pledge to provide the best care possible through continual improvement. To show our commitment, GlobalHealth is accredited by NCQA. NCQA is an independent private, not-for-profit organization dedicated to improving healthcare quality. NCQA's website (www.ncqa.org) contains information to help consumers, employers, and other make informed healthcare choices. NCQA conducts audits and surveys to make sure we are working with quality of care in mind in everything we do.

You make a difference in our NCQA accreditation. We may invite you to participate in surveys. They help us understand your needs and experience with us. We hope to exceed your expectations.

Health Survey:

We ask that you complete an HRA each year. It has questions about your current health. You may:

- Complete it online;
- Download a copy from our website to mail;
- Ask us to mail you an HRA; or
- Ask for help to complete it by phone.

Your answers help us know how to best serve you and your healthcare needs. The information you give us will remain confidential. We only disclose the HRA information to your PCP so he/she can address your health needs. **It will not be used against you in any way or prevent you from getting medical care.**

Satisfaction Surveys:

We distribute Member satisfaction surveys to see how well you believe we and your doctors are serving your needs. This may include:

- Member Satisfaction Call;
- Customer Satisfaction Study; and/or
- CAHPS[®].

Although not required, it is very important that you fill them out and send them back. Your answers will help us improve.

HEDIS[®] Audit:

We perform an audit approved by NCQA called HEDIS[®]. It measures the Preventive Care our Network Providers give. You can help by asking for Preventive Care services. See "Preventive Care Benefits" on page 109 for additional information.

Well Visit Checklists:

The chart shows Preventive Care services that you may discuss and/or get during routine well visits to your PCP or OB/GYN or your newborn may get in the Hospital. You can print a copy from our website to take with you.

Not every service will be right for you. Your PCP or OB/GYN will recommend services. Services may require more than one visit and/or PA. See “Preventive Care Benefits” on page 99 for additional information.

Advance Directives

An Advance Directive is a document to tell doctors and others of your wishes to receive, decline, or stop life-sustaining medical care. It may include a living will, appointment of a health proxy, or both.

Who can have an Advance Directive?

Any person of sound mind and at least 18 years of age can have an Advance Directive. It starts when your doctor is told and you can no longer make decisions about getting life-sustaining treatment.

You may cancel your Advance Directive in whole or in part at any time:

- When you tell your doctor or other Provider; or
- By a witness to the revocation.

You are not required to have an Advance Directive. It is your choice.

Helpful Information

- If you are admitted to a Hospital, give the Hospital a copy.
- Ask your doctor to make it part of your medical record.
- Keep a second copy in a safe place where it can be easily found.
- If you have appointed a healthcare proxy, give them a copy.
- Keep a small card in your purse or wallet which states that you have an Advance Directive and where it is located. State who your healthcare proxy is if you have one.

For more information, ask your PCP or contact us.

Continuation Coverage Rights Under COBRA

This provision may not apply to your Plan's coverage. Check with your employer to find out if your Plan is subject to COBRA regulations.

Section	Description
Introduction	<p>The right to <u>COBRA</u> continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (<u>COBRA</u>). <u>COBRA</u> continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the <u>Plan</u> and under federal law, you should review the <u>Plan's</u> Summary <u>Plan</u> Description or contact the <u>Plan</u> Administrator.</p> <p>You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual <u>Plan</u> through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health <u>Plan</u> for which you are eligible (such as a spouse's <u>Plan</u>), even if that <u>Plan</u> generally doesn't accept late enrollees.</p>

Section	Description
<p>What is <u>COBRA</u> Continuation Coverage?</p>	<p><u>COBRA</u> continuation coverage is a continuation of <u>Plan</u> coverage when it would otherwise end because of a life event. This is also called a “qualifying event.” Specific qualifying events are listed later in this notice. After a qualifying event, <u>COBRA</u> continuation coverage must be offered to each person who is a “qualified beneficiary.” You, your spouse, and your <u>Dependent</u> children could become qualified beneficiaries if coverage under the <u>Plan</u> is lost because of the qualifying event. Under the <u>Plan</u>, qualified beneficiaries who elect <u>COBRA</u> continuation coverage must pay for <u>COBRA</u> continuation coverage.</p> <p>If you’re an employee, you’ll become a qualified beneficiary if you lose your coverage under the <u>Plan</u> because of the following qualifying events:</p> <ul style="list-style-type: none"> • Your hours of employment are reduced, or • Your employment ends for any reason other than your gross misconduct. <p>If you’re the spouse of an employee, you’ll become a qualified beneficiary if you lose your coverage under the <u>Plan</u> because of the following qualifying events:</p> <ul style="list-style-type: none"> • Your spouse dies; • Your spouse’s hours of employment are reduced; • Your spouse’s employment ends for any reason other than his or her gross misconduct; • Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or • You become divorced or legally separated from your spouse. <p>Your <u>Dependent</u> children will become qualified beneficiaries if they lose coverage under the <u>Plan</u> because the following qualifying events:</p> <ul style="list-style-type: none"> • The parent-employee dies; • The parent-employee’s hours of employment are reduced; • The parent-employee’s employment ends for any reason other than his or her gross misconduct; • The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both); • The parents become divorced or legally separated; or • The child stops being eligible for coverage under the <u>Plan</u> as a “<u>Dependent</u> child.” <p>If your <u>Plan</u> provides retiree health coverage sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to your employer, and that bankruptcy results in the loss of coverage of any retired employee covered under the <u>Plan</u>, the retired employee will become a qualified beneficiary. The retired employee’s spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the <u>Plan</u>.</p>
<p>When is <u>COBRA</u> Continuation Coverage Available?</p>	<p>The <u>Plan</u> will offer <u>COBRA</u> continuation coverage to qualified beneficiaries only after the <u>Plan</u> Administrator has been notified that a qualifying event has occurred. The employer must notify the <u>Plan</u> Administrator of the following qualifying events:</p> <ul style="list-style-type: none"> • The end of employment or reduction of hours of employment; • Death of the employee; or

Section	Description
You Must Give Notice of Some Qualifying Events	<ul style="list-style-type: none"> The employee's becoming entitled to Medicare benefits (Part A, Part B, or both). <p>For all other qualifying events (divorce or legal separation of the employee and spouse or a <u>Dependent</u> child's losing eligibility for coverage as a <u>Dependent</u> child), you must notify the <u>Plan</u> Administrator within 60 days after the qualifying event occurs. You must provide notice to: your <u>Plan</u> Administrator.</p>
How is <u>COBRA</u> Continuation Coverage Provided?	<p>Once the <u>Plan</u> Administrator receives notice that a qualifying event has occurred, <u>COBRA</u> continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect <u>COBRA</u> continuation coverage. Covered employees may elect <u>COBRA</u> continuation coverage on behalf of their spouses, and parents may elect <u>COBRA</u> continuation coverage on behalf of their children.</p> <p><u>COBRA</u> continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.</p> <p>There are also ways in which this 18-month period of <u>COBRA</u> continuation coverage can be extended.</p> <p><i>Disability extension of 18-month period of continuation coverage</i></p> <p>If you or anyone in your family covered under the <u>Plan</u> is determined by Social Security to be disabled and you notify your <u>Plan</u> Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of <u>COBRA</u> continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of <u>COBRA</u> continuation coverage and must last at least until the end of the 18-month period of continuation coverage.</p> <p><i>Second qualifying event extension of 18-month period of continuation coverage</i></p> <p>If your family experiences another qualifying event during the 18 months of <u>COBRA</u> continuation coverage, the spouse and <u>Dependent</u> children in your family can get up to 18 additional months of <u>COBRA</u> continuation coverage, for a maximum of 36 months, if the <u>Plan</u> is properly notified about the second qualifying event. This extension may be available to the spouse and any <u>Dependent</u> children getting <u>COBRA</u> continuation coverage employee or former employee dies; becomes entitled to Medicare benefits (Part A, Part B, or both); gets divorced or legally separated; or if the <u>Dependent</u> child stops being eligible under the <u>Plan</u> as a <u>Dependent</u> child. This extension is only available if the second qualifying event would have caused the spouse or <u>Dependent</u> child to lose coverage under the <u>Plan</u> had the first qualifying event not occurred.</p>
Are There Other Options Besides <u>COBRA</u> Continuation Coverage?	<p>Yes. Instead of enrolling in <u>COBRA</u> continuation coverage, there may be other coverage options for you and your family through the <u>Health Insurance Marketplace</u>, Medicare, Medicaid, Children's Health Insurance Program (<u>CHIP</u>), or other group health <u>Plan</u> coverage options (such as a spouse's <u>Plan</u>) through what is called a "<u>Special Enrollment Period</u>". Some of these options may cost less than <u>COBRA</u></p>

Can I enroll in Medicare instead of <u>COBRA</u> continuation coverage after my group health plan coverage ends?	<p>In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period to sign up for Medicare Part A or B, beginning on the earlier of</p> <ul style="list-style-type: none"> • The month after your employment ends; or • The month after group health plan coverage based on current employment ends. <p>If you don't enroll in Medicare and elect <u>COBRA</u> continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect <u>COBRA</u> continuation coverage and later enroll in Medicare Part A or B before the <u>COBRA</u> continuation coverage ends, the <u>Plan</u> may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the <u>COBRA</u> election, <u>COBRA</u> coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of <u>COBRA</u> coverage.</p> <p>If you are enrolled in both <u>COBRA</u> continuation coverage and Medicare, Medicare will generally pay first (primary payer) and <u>COBRA</u> continuation coverage will pay second. Creditable Coverage Disclosure Notices

Creditable Coverage Disclosure Notice for Medicare Eligible Members

Important Notice About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current Prescription Drug Coverage and about your options under Medicare's Prescription Drug Coverage. This information can help you decide whether or not you want to join a Medicare drug Plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the

coverage and costs of the Plans offering Medicare Prescription Drug Coverage in your area. Information about where you can get help to make decisions about your Prescription Drug Coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's Prescription Drug Coverage:

1. Medicare Prescription Drug Coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers Prescription Drug Coverage. All Medicare drug Plans provide at least a standard level of coverage set by Medicare. Some Plans may also offer more coverage for a higher monthly Premium.
2. GlobalHealth has determined that this Prescription Drug Coverage is, on average for all Plan participants, expected to pay out as much as standard Medicare Prescription Drug Coverage pays and is therefore considered creditable coverage. Because your existing coverage is creditable coverage, you can keep this coverage and not pay a higher Premium (a penalty) if you later decide to join a Medicare drug Plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug Plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable Prescription Drug Coverage, through no fault of your own, you will also be eligible for a two-month Special Enrollment Period (SEP) to join a Medicare drug Plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug Plan, your current coverage will not be affected. You can keep this coverage if you elect part D and this Plan will coordinate with Part D coverage.

If you do decide to join a Medicare drug Plan and drop your current coverage, be aware that you and your Dependents will be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage and don't join a Medicare drug Plan within 63 continuous days after your current coverage ends, you may pay a higher Premium (a penalty) to join a Medicare drug Plan later.

If you go 63 continuous days or longer without creditable Prescription Drug Coverage, your monthly Premium may go up by at least 1% of the Medicare base beneficiary Premium per month for every month that you did not have that coverage. For example, if you go 19 months without creditable coverage, your Premium may consistently be at least 19% higher than the Medicare base beneficiary Premium. You may have to pay this higher Premium (a penalty) as long as you have Medicare Prescription Drug Coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact us for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug Plan, and if this coverage changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare Plans that offer Prescription Drug Coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug Plans.

For more information about Medicare Prescription Drug Coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare Prescription Drug Coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this creditable coverage notice. If you decide to join one of the Medicare drug Plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher Premium (a penalty).

ERISA Rights

You may be entitled to certain rights and protections under ERISA. These rights only apply to Members enrolled through a group health Plan governed by ERISA. Check with your Plan Administrator (your employer) to see if your group health Plan is governed by ERISA.

ERISA provides that all Plan participants shall be entitled to:

Right	Description
Receive Information About Your <u>Plan</u> and Benefits	<p>Examine, without charge, at the <u>Plan Administrator’s</u> office and at other specified locations, such as worksites and union halls, all documents governing the <u>Plan</u>, including insurance contracts and collective bargaining agreements.</p> <p>Obtain, upon request to the <u>Plan Administrator</u>, copies of documents governing the operation of the <u>Plan</u>, including insurance contracts and collective bargaining agreements and updated <u>Plan</u> materials. The <u>Plan Administrator</u> may make a reasonable charge for the copies.</p> <p>Receive a summary of the <u>Plan’s</u> annual financial report. The <u>Plan Administrator</u> is required by law to furnish each participant with a copy of this summary annual report.</p> <p><u>Continue Group Health Plan Coverage</u> Continue healthcare coverage for yourself, spouse, or <u>Dependents</u> if there is a loss of coverage under the <u>Plan</u> as a result of a qualifying event. You or your <u>Dependents</u> may have to pay for such coverage. See “<u>Continuation Coverage Rights Under COBRA</u>” on page 148.</p>
Prudent Actions by <u>Plan</u> Fiduciaries	<p>In addition to creating rights for <u>Plan</u> participants, <u>ERISA</u> imposes duties upon the people who are responsible for the operation of the employee benefit <u>Plan</u>. The people who operate your <u>Plan</u>, called “fiduciaries” of the <u>Plan</u>, have a duty to do so prudently and in the interest of you and other <u>Plan</u> participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under <u>ERISA</u>.</p>
Enforce Your Rights	<p>If your <u>Claim</u> for benefits is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to <u>Appeal</u> any denial, all within certain time schedules. Under <u>ERISA</u>, there are steps you can take to enforce the above rights. For instance, if you</p>

Right	Description
	<p>request a copy of <u>Plan</u> documents or the latest annual report from the <u>Plan Administrator</u> and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the <u>Plan Administrator</u> to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the <u>Plan Administrator</u>. If you have a <u>Claim</u> for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the <u>Plan's</u> decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that <u>Plan</u> fiduciaries misuse the <u>Plan's</u> money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your <u>Claim</u> is frivolous.</p>
<p>Assistance with Your Questions</p>	<p>If you have any questions about your <u>Plan</u>, you should contact your <u>Plan Administrator</u>. If you have any questions about this statement or about your rights under <u>ERISA</u>, or if you need assistance in obtaining documents from your <u>Plan Administrator</u>, you should contact the nearest office of the <u>EBSA</u>, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, <u>EBSA</u>, U.S. Department of Labor, 200 Constitution Avenue NW, Washington, DC 20210. You may also obtain certain publications about your rights and responsibilities under <u>ERISA</u> by calling the publications hotline of the <u>EBSA</u>.</p>

Fraud, Waste, and Abuse

“Fraud” is:

- *Knowingly and willfully* carrying out, or attempting to carry out, a plan to defraud a healthcare benefit program; or
- To obtain, by means of a lie or false pretenses, a benefit when you are not entitled.

“Waste” is:

- Overuse of services, or other methods that, directly or indirectly, result in unnecessary costs.
- Misuse of resources.

“Abuse” is:

- Asking us to pay for items and services when you are not entitled to them.
- You or your Provider has *unknowingly or unintentionally* misrepresented facts to get payment.

Guaranteed Renewability

Your employer can choose to keep the same group health Plan from year to year, except when:

- Premium is not paid;
- Your employer commits Fraud;
- Your group does not follow participation and/or contribution rules;
- GlobalHealth no longer offers large group Plans;
- All participating employees move outside the Service Area; or
- Association membership ends, if you enrolled through an association.

In addition, you may choose to re-enroll each year if your employer chooses to keep the same Plan, except when:

- You commit Fraud; or
- You move outside the Service Area.

Medicaid and CHIP Notice

Premium assistance under Medicaid and Children’s Health Insurance Program (CHIP).

If you or your children are eligible for Medicaid or CHIP and you are eligible for health coverage from your employer, your State may have a Premium assistance program that can help pay for coverage. These States use funds from their Medicaid or CHIP programs to help people who are eligible for these programs, but also have access to Health Insurance through their employer. If you or your children are not eligible for Medicaid or CHIP, you will not be eligible for these Premium assistance programs. But, you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your Dependents are already enrolled in Medicaid or CHIP and you live in Oklahoma, you can contact your State Medicaid or CHIP office to find out if Premium assistance is available.

If you or your Dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your Dependents might be eligible for either of these programs, you can contact the State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, you can ask the State if it has a program that might help you pay the Premiums for an employer-sponsored Plan.

Once it is determined that you or your Dependents are eligible for Premium assistance under Medicaid or CHIP, as well as eligible under your employer Plan, your employer must permit you to enroll in your employer Plan if you are not already enrolled. This is called a “special Enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for Premium assistance. If you have questions about enrolling in your employer Plan, you can contact the Department of Labor electronically at www.askebsa.dol.gov or by calling toll-free 1-866-444-EBSA (3272).

If you live in Oklahoma, you may be eligible for assistance paying your employer health Plan Premiums. You should contact Oklahoma Health Care Authority for further information on eligibility.

- Make recommendations regarding our Member rights and responsibilities policy.
- Ask about any healthcare concerns, request medical advice or get more information about treatment in order to make an informed decision or refuse a Course of Treatment.
- Understand your condition, health status, and the drugs prescribed for you - what they are, what they are for, how to take them properly, and possible side effects.
- Know how your Plan operates. Get Plan materials.
- See your PCP and get Referrals to Specialists when Medically Necessary or urgent.
- Use Emergency Services when you, as a Prudent Layperson acting reasonably, believe that an Emergency Medical Condition exists.
- Information about Provider payment agreements, as well as explanations of benefits or Claims processing determinations.
- Expect problems to be fairly examined and addressed.

You are entitled to exercise these rights regardless of race, national origin, gender, sexual orientation, marital status, or cultural, economic, educational, or religious background.

Your Responsibilities

You or your legal designee has the responsibility to:

- Give information, to the extent possible, that:
 - Your Providers need in order to provide care; and
 - We need in order to determine payment for that care.
- Follow care plans that you and your Providers have agreed to.
- Understand your health problems and help create treatment goals, as much as possible.
- Show your Member ID card when getting Medical Services.
- Be on time for all appointments. Tell your doctor's office as soon as possible if you need to cancel or reschedule.
- Tell your PCP and us within 48 hours, or as soon as possible, if you:
 - Are hospitalized;
 - Get emergency care; or
 - Get out-of-area Urgent Care.
- Pay your Cost-share when you have services.
- Understand Covered Services, policies and procedures. Read your Plan materials.
- Ask questions if you do not understand your benefits or care options.

MHPAEA

The Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Act of 2008 (MHPAEA) requires employment-based group health Plans and Health Insurance issuers provide increased parity between mental health and substance use disorder benefits and medical/surgical benefits. The Departments of Labor, Treasury, and Health and Human Services (collectively, the Departments), administer MHPAEA together with the States.

MHPAEA and its implementing regulations:

- Provide that financial requirements (such as Copayments and Deductible), and quantitative treatment limitations (such as visit limits), applicable to mental health or substance use disorder benefits can generally be no more restrictive than the requirements or limitations applied to medical/surgical benefits.
- Include requirements to provide for parity for non-quantitative (NQTL) treatment limitations (such as medical management standards).
 - The Departments' regulations provide that under the terms of the Plan as written and in practice, any processes, strategies, evidentiary standards, or other factors used by a Plan or issuer in applying an NQTL to mental health or substance use disorder benefits must be comparable to, and applied no more stringently than, the processes, strategies, evidentiary standards, or other factors used in applying the limitations to medical/surgical benefits.
 - Specifically, the review and authorization of services to treat mental health and substance use disorder will be handled in a way that is comparable to the review and authorization of medical/surgical services.
 - If we make a decision to deny or reduce authorization of a service, you will receive a letter explaining the reason for the denial or reduction.
 - We will send you or your Provider a copy of the criteria used to make this decision within 30 days of your request.

GlobalHealth Plans meet the requirements of MHPAEA. If you have concerns about our compliance with MHPAEA, you can contact the Department of Labor at 1-866-444-3272 or on the web at <http://www.dol.gov/ebsa/contactEBSA/consumerassistance.html>.

Minimum Value Standard

The ACA sets a minimum value for health Plans. The Minimum Value Standard is 60% (actuarial value). This Plan's coverage does meet this standard.

A metallic name, such as Platinum, Gold, Silver, or Bronze, is not the value of the actual amount of expenses that you will pay. Your cost will vary depending on the services you use, and Plan you chose. Metallic names reflect only an estimate of the actuarial value of a Plan.

Notice of Non-discrimination

We comply with state and federal civil rights laws. We do not treat people differently because of:

- Race;
- Ethnicity;
- National origin;
- Religion;
- Gender or gender identity;
- Sexual orientation;
- Age;
- Mental or physical disability;
- Blindness or partial blindness;
- Health status;
- Medical condition (including both physical and mental illnesses);
- Claims experience;
- Healthcare received;
- Medical history;
- Genetic information;
- Evidence of insurability (including conditions due to acts of domestic violence);
- Source of payment; or
- Geographic location within the Service Area.

All Members have the same eligibility rules, benefit coverage, and base Premium rates. We may have variations in the administration, processes, or benefits. They must be:

- Based on reasonable medical management; or
- Part of a wellness program.

Section 1557 of the Affordable Care Act Grievance Procedure

It is the policy of GlobalHealth not to discriminate on the basis of race, color, national origin, sex, age, or disability. We have adopted an internal Grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by Section 1557 of the Affordable Care Act (42 U.S.C. 18116) and its implementing regulations at 45 CFR part 92, issued by the U.S. Department of Health and Human Services. Section 1557 prohibits discrimination on the basis of race, color, national origin, sex, age, or disability in certain health programs and activities. Section 1557 and its implementing regulations may be examined in the office of the Section 1557 Coordinator who has been designated to coordinate the efforts of GlobalHealth to comply with Section 1557.

Any person who believes someone has been subjected to discrimination on the basis of race, color, national origin, sex, age or disability may file a Grievance under this procedure. It is against the law for us to retaliate against anyone who opposes discrimination, files a Grievance, or participates in the investigation of a Grievance.

Procedure:

- Grievances must be submitted to the Section 1557 Coordinator within 60 days of the date the person filing the Grievance becomes aware of the alleged discriminatory action.
- A complaint must be in writing, containing the name and address of the person filing it. The complaint must state the problem or action alleged to be discriminatory and the remedy or relief sought.
- The Section 1557 Coordinator (or her/his designee) shall conduct an investigation of the complaint. This

investigation may be informal, but it will be thorough, affording all interested persons an opportunity to submit evidence relevant to the complaint. The Section 1557 Coordinator will maintain our files and records relating to such Grievances. To the extent possible, and in accordance with applicable law, the Section 1557 Coordinator will take appropriate steps to preserve the confidentiality of files and records relating to Grievances and will share them only with those who have a need to know.

- The Section 1557 Coordinator will issue a written decision on the Grievance, based on a preponderance of the evidence, no later than 3 days after its filing, including a notice to the complainant of their right to pursue further administrative or legal remedies.
- The person filing the Grievance may appeal the decision of the Section 1557 Coordinator by writing to the Compliance Officer or designee within 15 days of receiving the Section 1557 Coordinator's decision. The Compliance Officer or designee shall issue a written decision in response to the appeal no later than 30 days after its filing.

The availability and use of this Grievance procedure does not prevent a person from pursuing other legal or administrative remedies, including filing a complaint of discrimination on the basis of race, color, national origin, sex, age, or disability in court or with the U.S. Department of Health and Human Services, Office for Civil Rights. A person can file a complaint of discrimination electronically through the Office for Civil Rights Complaint Portal, which is available at: <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf>, or by mail or phone at:

Complaint forms are available at: <http://www.hhs.gov/ocr/office/file/index.html>. Such complaints must be filed within 180 days of the date of the alleged discrimination.

We will make appropriate arrangements to ensure that individuals with disabilities and individuals with limited English proficiency are provided auxiliary aids and services or language assistance services, respectively, if needed to participate in this Grievance process. Such arrangements may include, but are not limited to, providing qualified interpreters, providing taped cassettes of material for individuals with Low Vision, or assuring a barrier-free location for the proceedings. Contact us for help with such arrangements.

Notice of Protection Provided by Oklahoma Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Oklahoma Life and Health Insurance Guaranty Association (the Association) and the protection it provides for policyholders. This safety net was created under Oklahoma law, which determines who and what is covered and the amounts of coverage. The Association was established to provide protection in the unlikely event that your life, annuity, or Health Insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay Claims, in accordance with Oklahoma law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values

- Health Insurance
 - \$500,000 in Hospital, medical, and surgical insurance benefits
 - \$300,000 in disability income insurance benefits
 - \$300,000 in long-term care insurance benefits
 - \$100,000 in other types of Health Insurance benefits
- Annuities
 - \$300,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000, except that with regard to Hospital, medical, and surgical insurance benefits, the maximum amount that will be paid is \$500,000.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Oklahoma law.

To learn more about the above protections, please visit the Association’s website at www.oklifega.org, or contact:

PHI Disclosure to Plan Sponsors

We may disclose your **PHI** to your group health **Plan** sponsor (that is, the Subscriber's employer). However, we will not disclose your **PHI** to the **Plan** sponsor unless:

- Your group's **Plan** documents have been amended to comply with **HIPAA** requirements; and
- Your **Plan** sponsor has certified to us in writing that it will comply with **HIPAA**.

If these requirements are met, we may disclose your PHI to the Plan sponsor, without your authorization, when needed for treatment, payment, and healthcare.

If your Plan sponsor elects not to get PHI, we may still give “summary health information”. This includes Claims data from which we removed certain information so the Plan sponsor cannot identify a particular Plan participant. For example, your:

- Name;
- Social security number;
- Address;
- Telephone number; and
- Member ID number.

We may also give the Plan sponsor information about whether a person has enrolled in, or disenrolled from, the Plan.

If you have questions, contact your Plan Administrator.

Religious Employer Exemption and Eligible Organization Accommodation

A certification(s) may have been provided to GlobalHealth that your group health Plan is established or maintained by an organization(s) that is a “religious employer(s)” as defined in 45 C.F.R. 147.131(a), as modified or replaced, and qualifies for a religious employer exemption from the ACA requirement to cover certain contraceptive services without Cost Sharing under guidelines supported by the HRSA. Provided that the religious employer exemption is satisfied for your group health Plan, then coverage under your group health Plan, as set forth in Contraception services under medical benefits, will not include coverage for some or all of such contraceptives services. Contact us for more information. Questions regarding the religious employer exemption should be directed to your Plan Administrator.

In addition, a certification(s) may have been provided to GlobalHealth that your group health Plan is established or maintained by an organization(s) that is an “eligible organization(s)” as defined in 45 C.F.R. 147.131(b), as modified or replaced, and qualifies for an eligible organization accommodation with respect to the ACA requirement to cover certain contraceptive services without Cost Sharing under guidelines supported by the HRSA. Provided that the eligible organization accommodation is satisfied, coverage under your group health Plan, as set forth under in Contraception services under Medical Benefits, will not include coverage for some or all of such contraceptives services. If you have questions regarding the certification(s), you may contact your Plan Administrator. For other questions about the eligible organization accommodation, you may contact us.

Rights Under the Newborns’ and Mothers’ Health Protection Act

Under federal law, group health Plans and Health Insurance issuers offering group Health Insurance coverage generally may not restrict benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section. However, the Plan or issuer may pay for a shorter stay if the attending Provider (e.g., your physician, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also under federal law, Plans and issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a Plan or issuer may not, under federal law, require that a physician or other healthcare Provider obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain

Providers or Facilities, or to reduce your out-of-pocket costs, you may be required to obtain precertification. For information on precertification, contact us.

Subrogation, Third-Party Recovery, and Reimbursement

Section	Description
Benefits Subject to This Provision	<p>This provision applies to all benefits provided under any section of this <u>Plan</u> to:</p> <ul style="list-style-type: none"> • Covered Persons (or <u>Members</u>) and <u>Dependents</u>, <u>COBRA</u> beneficiaries, family members, and any other person who may recover on behalf of a Covered Person or beneficiary including, but not limited to, the estate of a deceased Covered Person or beneficiary, (collectively referred to as “Covered Person”); and • All other agents, attorneys, representatives, and persons acting for, on behalf of, in concert with, or at the direction of a Covered Person (sometimes referred to as “Covered Person’s Representatives”) with respect to such benefits.
When this Provision Applies	<p>A Covered Person may incur medical or other charges related to injuries or illnesses caused by the act or omission of Another Party including a physician or other <u>Provider</u> for acts or omissions including but not limited to malpractice. Another Party may be liable or legally responsible for payment of charges incurred in connection with such Injuries or Illnesses. If so, the Covered Person may have a <u>Claim</u> against Another Party for payment of the medical or other charges.</p>
Defined Terms	<p>“<u>Another Party</u>” means any individual or entity, other than the <u>Plan</u>, that is liable or legally responsible to pay expenses, compensation or damages in connection with a Covered Person’s injuries or illnesses. Another Party shall include the party or parties who caused the injuries or illness (first or third parties); the insurer, guarantor or other indemnifier of the party or parties who caused the injuries or illness; a Covered Person’s own insurer, such as uninsured, underinsured, medical payments, no-fault, homeowner’s, renter’s, or any other liability insurer; a workers’ compensation insurer; a medical malpractice or similar fund; and any other person, corporation, or entity that is liable or legally responsible for payment in connection with the injuries or illness.</p> <p>“<u>Recovery</u>” shall mean any and all money, fund, property, compensation, as well as all rights thereto, or damages paid or available to the Covered Person by Another Party through insurance payments, settlement proceeds, first or third party payments or settlement proceeds, judgments, reimbursements or otherwise (no matter how those monies may be characterized, designated, or allocated) to compensate for any losses caused by, or in connection with, the injuries or illness.</p> <p>“<u>Reimbursement</u>” or “<u>Reimburse</u>” means repayment to the <u>Plan</u> for medical or other benefits paid or payable toward care and treatment of the illness or injury and for any other expenses incurred by the <u>Plan</u> in connection with benefits paid or payable.</p> <p>“<u>Subrogation</u>” or “<u>Subrogate</u>” shall mean the <u>Plan’s</u> right to pursue the Covered Person’s <u>Claims</u> against Another Party for medical or other charges paid by the <u>Plan</u>.</p>
Conditions and Agreements	<p>Benefits are payable only upon the Covered Person’s acceptance of, and compliance with, the terms and conditions of this <u>Plan</u>. The Covered Person agrees that acceptance of benefits is constructive notice of this section. As a condition to receiving benefits under this <u>Plan</u>, a Covered Person and each other obligated party agree(s):</p>

Section	Description
	<p>a) That in the event a Covered Person under this <u>Plan</u>, and/or the Covered Person's Representatives receives any Recovery or other benefits arising out of any injury, accident, event, or incident for which the Covered Person has, may have, or asserts any <u>Claim</u> or right to recovery under any theory of law or equity, tort, contract, statute, regulation, ordinance, or otherwise against any other person, entity, or source including, without limitation, any third party, insurer, insurance, and/or insurance coverage (e.g., uninsured and underinsured motorist coverage, personal injury coverage, medical payments coverage, workers' compensation, etc.), any payment or payments made by the <u>Plan</u> to Covered Person for such benefits shall be made on the condition and with the agreement and understanding that the <u>Plan</u> will be reimbursed by Covered Person and Covered Person's Representatives to the extent of, but not to exceed the Recovery amount or amounts received by Covered Person from such Another Party or source by way of any agreement, settlement judgment or otherwise;</p> <p>b) That the <u>Plan</u> shall be subrogated to all rights of Recovery the Covered Person has against Another Party potentially responsible for making any payment to Covered Person as a result of any injury, damage, loss, or illness Covered Person sustains to the full extent of benefits provided or to be provided by the <u>Plan</u> to Covered Person or on Covered Person's behalf with respect to that illness, injury, damage, or loss immediately upon the <u>Plan's</u> payment or provision of any benefits to Covered Person or on Covered Person's behalf. The <u>Plan's</u> recovery, subrogation, and reimbursement rights provided herein exist even where a party allegedly at-fault or responsible for any loss, injury, damage, or illness Covered Person sustains does not admit responsibility and regardless of the designation or characterization given to the funds Covered Person receives or agrees to be disbursed from that party or that party's representative;</p> <p>c) To notify GlobalHealth's <u>Plan Administrator</u> if a Covered Person has a potential right to receive payment from someone else; to promptly execute and deliver to the <u>Plan Administrator</u>, if requested by the <u>Plan Administrator</u> or its representatives, a Subrogation and Reimbursement agreement; and, to supply other reasonable information and assistance as requested by the <u>Plan Administrator</u> regarding the <u>Claim</u> or potential <u>Claim</u>. The <u>Plan Administrator</u> may determine, in its sole discretion, that it is in the <u>Plan's</u> best interests either to pay, or to not pay, medical or other benefits for the injuries or illness before the Subrogation and Reimbursement agreement has been signed. However, in either event, the <u>Plan</u> will still be entitled to Subrogation and Reimbursement according to the terms of this Section;</p> <p>d) To serve as a constructive trustee, and to hold in constructive trust for the benefit of the <u>Plan</u> any Recovery from Another Party, and agrees not to dissipate any such Recovery without prior written consent of the <u>Plan</u>, or to otherwise prejudice or impair the <u>Plan's</u> first rights to any such Recovery, regardless of how such Recovery may be characterized, designated, or allocated. Covered Person agrees to hold, as trustee (or co-trustee) in trust for the benefit of the <u>Plan</u> all Recovery and funds Covered Person receives in payment of or as compensation for any injury, illness, damage, and loss Covered Person sustained resulting from any such event, incident, accident, injury, illness, and occurrence. Any such Recovery or funds received by, on behalf of, with the consent of, or at the direction of Covered Person, or to which Covered Person is entitled to receive or direct payment, or over which Covered Person (or a Covered Person's Representatives) has, or exercises, any control, are deemed and shall be considered and treated as assets of</p>

Section	Description
	<p>the <u>Plan</u>. Failure to hold Recovery and such funds in trust or to abide by these <u>Plan</u> terms will be deemed a breach of Covered Person's (or the Covered Person's Representative's) fiduciary duty to the <u>Plan</u>. The <u>Plan</u> has a right of subrogation or reimbursement before any Recovery and funds are paid to Covered Person from the responsible source and no attorneys' fees or costs may be subtracted from such amount. The <u>Plan</u> may, at its option and sole discretion, exercise either its subrogation and/or its repayment rights. The <u>Plan</u> is also entitled to any Recovery and funds Covered Person receives or is entitled to receive regardless of whether or not the payment represents full compensation to Covered Person. The <u>Plan</u> expressly disclaims all make whole and common fund rules and doctrines and/or any other rule or doctrine that would impair or interfere with the <u>Plan's</u> rights herein. The <u>Plan</u> shall be entitled to an accounting from the Covered Person of all Recovery, funds, and activities described herein;</p> <ul style="list-style-type: none"> e) To restore to the <u>Plan</u> any such benefit paid or payable to, or on behalf of, the Covered Person when said benefits are paid or established by Another Party; f) To transfer title to the <u>Plan</u> for all benefits paid or payable as a result of said illness or injury. The Covered Person acknowledges that the <u>Plan</u> has a property interest in the Covered Person's Recovery, and that the <u>Plan's</u> Subrogation rights shall be considered a first priority <u>Claim</u> to any Recovery, and shall be paid from any such Recovery before any other <u>Claims</u> for the Covered Person as the result of the illness or injury, regardless of whether the Covered Person is made whole; g) That the <u>Plan</u> is granted a first right and priority to, as well as a first lien against, 100% of any Recovery to the extent of benefits paid or to be paid and expenses incurred by the <u>Plan</u> in enforcing this provision; and such lien is an asset of the <u>Plan</u>. The <u>Plan's</u> first lien fully supersedes any right of first payment, or Reimbursement out of any Recovery the Covered Person procures or may be entitled to procure regardless of whether the Covered Person is made whole or has received compensation for any of his damages or expenses, including any of his attorneys' fees or costs; h) That the Covered Person also agrees to notify the <u>Plan</u> of Covered Person's intention to pursue or investigate a <u>Claim</u> to recover damages or obtain compensation with respect to any matter for which Covered Person has obtained or will obtain any benefits from the <u>Plan</u>. Covered Person will be required to provide all information requested by the <u>Plan</u> or its representative regarding any such <u>Claim</u>. Covered Person also agrees to keep the <u>Plan</u> informed as to all facts and communications that might affect the <u>Plan's</u> rights; i) To refrain from releasing Another Party that may be liable for or obligated to the Covered Person for the injury or condition without obtaining the <u>Plan's</u> written approval; j) To notify the <u>Plan</u> in writing of any proposed settlement and obtain the <u>Plan's</u> written consent before signing a settlement agreement; k) Without limiting the preceding, the <u>Plan</u> shall be subrogated to any and all <u>Claims</u>, causes, action, or rights that the Covered Person has or that may arise against Another Party for which the Covered Person <u>Claims</u> an entitlement to benefits under this <u>Plan</u>, regardless of how classified or characterized; l) If the Covered Person (or guardian or estate) decides to pursue Another Party, the Covered Person agrees to include the <u>Plan's</u> Subrogation <u>Claim</u> in that action and if there is failure to do so, the <u>Plan</u> will be legally presumed to be included in such action or Recovery;

Section	Description
	<p>m) In the event the Covered Person decides not to pursue Another Party, the Covered Person authorizes the <u>Plan</u> to pursue, sue, compromise, or settle any such <u>Claim</u> in their name, to execute any and all documents necessary to pursue said <u>Claims</u> in their name, and agrees to fully cooperate with the <u>Plan</u> in the prosecution of any such <u>Claims</u>. Such cooperation shall include a duty to provide information and execute and deliver any acknowledgement or other legal instrument documenting the <u>Plan's</u> Subrogation rights. The Covered Person (or guardian or estate) agrees to take no prejudicial actions against the Subrogation rights of the <u>Plan</u> or to in any way impede the action taken by the <u>Plan</u> to recover its Subrogation <u>Claim</u>. This includes attempts by the Covered Person, (or by his or her attorney or other agent) to have payments characterized as non-medical in nature, or to direct or consent to have payments made to others (e.g., to or on behalf of relatives, attorneys, agents, representatives, or friends).</p> <p>n) The <u>Plan</u> will not pay, offset any Reimbursement, or in any way be responsible for any fees or costs associated with pursuing a <u>Claim</u> unless the <u>Plan</u> agrees to do so in writing. The <u>Plan's</u> right of first Reimbursement will not be reduced for any reason including attorneys' fees, costs, comparative negligence, limits of collectability or responsibility, or otherwise;</p> <p>o) The <u>Plan Administrator</u> retains sole and final discretion for interpreting the terms and conditions of the <u>Plan</u> document. The <u>Plan Administrator</u> may amend the <u>Plan</u> in its sole discretion at any time without notice. This right of Subrogation shall bind the Covered Person's guardian(s), estate, executor, personal representatives, and heirs.</p> <p>p) That the <u>Plan Administrator</u> may, in its sole discretion, require the Covered Person or his or her attorney to sign a subrogation/recovery agreement acknowledging and agreeing to the <u>Plan's</u> rights herein as a condition to any payment of benefits and as a condition to any payment of future benefits for other illnesses or injuries.</p>
<p>When a Covered Person Retains an Attorney</p>	<p>If the Covered Person retains an attorney, the <u>Plan Administrator</u> may, in its sole discretion, require that the attorney sign a subrogation/recovery agreement acknowledging and agreeing to the <u>Plan's</u> rights herein as a condition to any payment of benefits and as a condition to any payment of future benefits for other illnesses or injuries. Additionally, the Covered Person's attorney must recognize and consent to the fact that the <u>Plan</u> precludes the operation of the "made-whole" and "common fund" doctrines, and the attorney must agree not to assert either doctrine in his pursuit of Recovery. The <u>Plan</u> will not pay the Covered Person's attorney's fees and costs associated with the recovery of funds, nor will it reduce its Reimbursement pro rata for the payment of the Covered Person's attorney's fees and costs. Attorneys' fees will be payable from the Recovery only after the <u>Plan</u> has received full Reimbursement. An attorney who receives any Recovery has an absolute obligation to immediately tender the Recovery to the <u>Plan</u> under the terms of this provision. A Covered Person's attorney who receives any such Recovery and does not immediately tender the Recovery to the <u>Plan</u> will be deemed to hold the Recovery in constructive trust for the <u>Plan</u>, because neither the Covered Person nor his attorney is the rightful owner of the Recovery and should not be in possession of the Recovery until the <u>Plan</u> has been fully Reimbursed.</p> <p>In addition, the <u>Plan</u> may further require that:</p>

Section	Description
	<ul style="list-style-type: none"> i. Covered Person utilizes the services of attorneys, representatives, or agents who will execute a Reimbursement Agreement and who will not assert the make whole and common fund rule or doctrines, and ii. Covered Person agrees to terminate any relationship with anyone who refuses to do so, or benefits will not be payable under the Plan in connection with that matter. iii. The <u>Plan</u> is also entitled to receive and has priority to receive the first funds from payments received by Covered Person until the <u>Plan</u> has been repaid for all sums expended. Covered Person shall execute and deliver any instruments and documents reasonably requested by the <u>Plan</u> and shall do whatever is necessary to fully protect all the <u>Plan's</u> rights. Covered Person shall do nothing to prejudice the rights of the <u>Plan</u> to such reimbursement and Subrogation, including, without limitation, any attempt by Covered Person or others to have payments characterized as non-medical in nature (e.g., for emotional distress, pain and suffering, embarrassment, mental anguish, loss of consortium, etc.) or to direct or consent to have payments made to others (e.g., to or on behalf of relatives, attorneys, agents, representatives, or friends).
When the Covered Person is a Minor or is Deceased	The provisions of this section apply to the parents, trustee, guardian, or other representative of a minor Covered Person and to the heir or personal representative of the estate of a deceased Covered Person, regardless of applicable law and whether or not the representative has access or control of the Recovery.
When a Covered Person Does Not Comply	<ul style="list-style-type: none"> a) (i) If the Subrogation agreement is not properly executed and returned as provided for in this provision; (ii) information and assistance is not provided to the <u>Plan Administrator</u> upon request; or, (iii) any other provision or obligation of this Section is not timely complied with, no benefits will be payable under the <u>Plan</u> with respect to costs Incurred in connection with such illness or injury. b) If a Covered Person fails to Reimburse the <u>Plan</u> for all benefits paid or to be paid, as a result of their illness or injury, out of any Recovery received as provided in this <u>Plan</u>, or otherwise fails to comply with any other provision or obligation of this Section, the Covered Person will be liable for any and all expenses (whether fees or costs) associated with the <u>Plan's</u> attempt to recover such money or property from the Covered Person; and, the <u>Plan</u> shall be entitled to offset and apply any future benefits that might otherwise be due, for the benefit of the Covered Person, the Covered Person's family members, or any other person who directly or indirectly acted or cooperated to interfere with, impair, or defeat the <u>Plan's</u> rights or interests against such reimbursements that should have been made to the <u>Plan</u>, as well as to suspend or terminate further coverage until such reimbursements are recovered by the <u>Plan</u>. This right of Reimbursement shall bind the Covered Person's guardian(s), estate, executor, personal representative, and heir(s). c) Additionally, Covered Person shall be fully responsible for the actions of Covered Person's Representatives, attorneys, agents, family members, and all persons acting for, on behalf of, in concert with, or at the direction of Covered Person regarding the <u>Plan</u> or Covered Person's obligations described herein. Covered Person shall be responsible to ensure that such persons cooperate and comply with Covered Person's obligations herein. If Covered Person or Covered Person's agents, attorneys, or any other representative fails to fully cooperate with any Subrogation, reimbursement, or repayment efforts, or directly or indirectly defeats, hinders, impedes, or interferes with any such efforts, Covered Person

Section	Description
	<p>shall be responsible to account for and pay to the <u>Plan</u> all attorney’s fees and costs incurred by or on behalf of the <u>Plan</u> in connection with such efforts.</p> <p>d) Additionally, the <u>Plan</u> may, in the discretion of its final decision maker, terminate Covered Person’s participation in the <u>Plan</u> or the participation of any other person who directly or indirectly acted or cooperated to interfere with, impair, or defeat the <u>Plan’s</u> rights or interest. In the event that any <u>Claim</u> is made that any wording, term, or provision set forth in this Subrogation and Right of Reimbursement portion of the <i>Member Handbook</i> is ambiguous or unclear, or if any questions arise concerning the meaning or intent of any of its terms, the <u>Plan</u> through its final decision maker, shall have the sole authority and discretion to construe, interpret, and resolve all disputes regarding the interpretation of any such wording, term, or provision.</p> <p>e) The <u>Plan’s</u> Subrogation and Reimbursement rights described herein are essential to ensure the equitable character of the <u>Plan</u> and its financial soundness, and to ensure that funds are recouped and made available for the benefit of all Covered Persons under the <u>Plan</u> collectively.</p>

Women’s Health and Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (WHCRA). Coverage will be provided in a manner determined by you and your doctor, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same Deductibles, Copayments, and Coinsurance applicable to other medical and surgical benefits provided under this Plan. See “Benefits” on page 35 for your Deductible and your Cost Sharing for applicable services. If you would like more information on WHCRA benefits, contact your Plan Administrator.

FAQS

These FAQs are subject to “Coverage Requirements” on page 37 and “Excluded Services and Limitations” on page 108.

Topic	Q&A
Chiropractic care	<p>Q. Does the <u>Plan</u> cover chiropractor visits? A. Yes.</p>
Diabetic supplies	<p>Q. Are my diabetic supplies covered? A. Yes, only certain brands. See the <i>Drug Formulary</i> at www.GlobalHealth.com.</p>
<u>Dependent coverage</u>	<p>Q. If I enroll in GlobalHealth, is my child who lives in another state covered? A. Yes, <u>Dependents</u> must establish a relationship with a <u>PCP</u> in our <u>Network</u>. We cover <u>Out-of-network</u> emergencies and <u>Urgent Care</u>. We do not cover <u>Out-of-network</u> routine care. Any <u>Out-of-network</u> services, other than <u>Emergency Services</u> or <u>Urgent Care</u>, must be preauthorized by GlobalHealth.</p> <p>Q. What about <u>Dependents</u> over 18 years of age? A. We cover eligible children through the end of the month in which they turn 26 years of age.</p>
<u>Emergencies and Urgent Care</u>	<p>Q. When I go to the <u>ER</u>, is my copay waived if I am then admitted to the <u>Hospital</u>? A. Yes, if it within the same <u>Hospital</u>. You then pay the Inpatient <u>Hospital Facility Cost-share</u>.</p> <p>Q. What if I get sick when I am out of the <u>Service Area</u>? Am I still covered? A. Emergency and <u>Urgent Care</u> is covered. In a true emergency, go immediately to the nearest medical <u>Facility</u> for care. Call the <u>PCP</u> and GlobalHealth within 48 hours of receiving the care. When same-day <u>Urgent Care</u> is needed and you cannot see your <u>PCP</u>, self-refer to an <u>Urgent Care</u> center. An <u>Out-of-network Provider</u> may balance bill you. An <u>In-network Provider</u> may not balance bill you.</p> <p>Q. What if I need to see a doctor on the weekend? Or I become sick after hours? A. Call your <u>PCP</u> for direction. Or self-refer to a <u>Network Urgent Care</u> center if you cannot wait for your <u>PCP's</u> office hours.</p>
Hearing	<p>Q. Does the <u>Plan</u> cover hearing aids? A. Yes. We cover basic hearing aids. See “<u>Hearing services - hearing aids and devices</u>” on page 66.</p>
<u>Hospital admission</u>	<p>Q. Does my <u>Hospital</u> copay cover doctor visits to the <u>Hospital</u>? A. Yes.</p> <p>Q. Does the <u>Plan</u> cover private rooms in the <u>Hospital</u>? A. When <u>Medically Necessary</u>.</p> <p>Q. What <u>Hospitals</u> are in your <u>Network</u>? A. They are listed in the <i>Provider Directory</i>. You can do a search on our website.</p>
Mental health	<p>Q. Does the <u>Plan</u> cover mental health services? A. Yes. You do not have to go through your <u>PCP</u>. See “<u>Behavioral Health Benefits</u>” on page 37.</p>

Topic	Q&A
	<p>Q. How can I find out who the mental health <u>Providers</u> are?</p> <p>A. There is a listing in the <i>Provider Directory</i>.</p>
<u>Network</u>	<p>Q. What is a “<u>Network</u>”?</p> <p>A. We require, except in specific circumstances, that you get your care through doctors, suppliers, and <u>Facilities</u> contracted with GlobalHealth. All of those together make up our <u>Network</u> of <u>Providers</u>.</p> <p>Q. What do “Preferred” and “Non-preferred” mean?</p> <p>A. Within in that <u>Network</u>, you may get some <u>Outpatient</u> services at either preferred or non-preferred locations. “Preferred” means that you will pay the lower amount listed in the “<u>Benefits</u>” section of this <i>Member Handbook</i> when more than one amount is shown. “Non-preferred” means that you will pay the higher amount listed in the “<u>Benefits</u>” section of this <i>Member Handbook</i>. Just being in the <u>Network</u> does not make a <u>Facility</u> “preferred”.</p> <p>Q. How can I tell the status of a <u>Facility</u>?</p> <p>A. The <i>Provider Directory</i> tells you the preferred/non-preferred status of a <u>Facility</u> for each type of service. Be aware that a single Facility may offer one type of service at preferred <u>Cost Sharing</u> and another type of service at non-preferred <u>Cost Sharing</u>.</p> <p>Q. How can I find out if my <u>Specialist</u> is in the <u>Network</u>?</p> <p>A. Refer to the <i>Provider Directory</i> or visit our website.</p>
<u>PCP</u>	<p>Q. Do I have to choose one of the <u>Network</u> doctors?</p> <p>A. Yes. You choose a <u>PCP</u> at <u>Enrollment</u>. Each family member may choose a different <u>PCP</u>, including a pediatrician for children. <i>Provider Directories</i> are available and you may also go to our website.</p> <p>Q. Can I change my <u>PCP</u> or am I stuck with them all year?</p> <p>A. Yes, you may change <u>PCPs</u> at any time during the year, and the change starts right away. You can make changes on our website. If you need to see a <u>PCP</u> before you receive your new <u>Member ID</u> card, contact us.</p>
<u>Pre-existing</u>	<p>Q. Does the <u>Plan</u> accept pre-existing conditions?</p> <p>A. Yes.</p>
<u>Prescriptions</u>	<p>Q. Where can I get my prescriptions filled?</p> <p>A. We have over 800 participating pharmacies across the state of Oklahoma. Magellan Rx Management, our pharmacy benefit manager, has a nation-wide <u>Network</u> that you can access. Search for pharmacies on our website - Find a Pharmacy.</p> <p>Q. Are dental prescriptions covered?</p> <p>A. Yes.</p> <p>Q. What is a <i>Drug Formulary</i>?</p> <p>A. The <i>Drug Formulary</i> is a list of drugs most commonly prescribed and approved by us. It is a preferred list. Because the development of the <i>Drug Formulary</i> is an ongoing process, this list is subject to change.</p> <p>Q. Does the <u>Plan</u> have mail order?</p>

Topic	Q&A
	<p>A. Yes, through Magellan Rx Mail Order Pharmacy. Mail order prescriptions are filled with a 90-day supply. You may get a discount on your drugs, depending on the drug <u>Tier</u>, when ordering a 90-day supply from mail order instead of a 30-day supply from a retail store.</p>
<u>Preventive Care</u>	<p>Q. Is <u>Preventive Care</u> covered? A. We cover all <u>Preventive Services</u> covered under the <u>ACA</u> at no cost to you when delivered by a <u>Network Provider</u>. See “<u>Preventive Care Benefits</u>” on page 99 for a current list of services.</p> <p>Q. How do I get <u>Preventive Services</u>? A. Start with your <u>PCP</u>. He/she will provide most services or send us a <u>Referral</u> if needed. However, you have direct access to your <u>OB/GYN</u> for services he/she handles and to a <u>Network</u> imaging center for your mammogram.</p>
<u>Referrals</u>	<p>Q. Do I need a <u>Referral</u> to see a <u>Specialist</u>? A. Yes. Except for services you get that are listed in “Self-referral Services” on page 23, your <u>PCP</u> is responsible to manage all of your care. He or she sends us a <u>Referral</u> when needed. Procedures must also have <u>PA</u>.</p>
<u>Weight loss and cosmetic surgery</u>	<p>Q. Does the <u>Plan</u> cover weight loss surgery? A. No. However, we do cover other weight loss counseling and treatment at no cost. See page 56.</p> <p>Q. Does the <u>Plan</u> cover cosmetic surgery? A. Only in specific limited circumstances. See page 56.</p>
<u>Worldwide coverage</u>	<p>Q. Am I covered worldwide? A. No.</p>

GLOSSARY

Term	Definition
Abuse	Includes requesting payment for items and services when there is no entitlement for payment of those items or services. Unlike <u>Fraud</u> , the individual or entity has not knowingly or intentionally misrepresented facts to obtain payment.
Accepting New Patients	Indicates whether the <u>Practitioner</u> is <u>Accepting New Patients</u> into their practice, or if any special conditions apply. A special condition could be, for example, a pediatrician who only treats children or a geriatric physician who only treats older patients. A physician's ability to accept new patients is provided by the <u>Practitioner's</u> application at credentialing and re-credentialing (every three years). GlobalHealth contacts <u>Network</u> (contracted) <u>Providers</u> every three months to update if the physician is <u>Accepting New Patients</u> . When GlobalHealth receives updated information, it is verified and the website updated within 30 days.
Adverse Determination	A determination that an admission, availability of care, continued stay or other healthcare service that is a covered benefit has been reviewed, and based upon the information provided, does not meet the <u>Plan's</u> requirements for medical necessity, appropriateness, healthcare setting, level of care or effectiveness, and the requested services or payment for the service is therefore denied, reduced, or terminated.
Allowed Amount	This is the maximum payment GlobalHealth will pay for covered healthcare services. May be called "eligible expense," "payment allowance," or "negotiated rate."
Ambulatory Surgical Center	A licensed public or private establishment with an organized medical staff of physicians with permanent <u>Facilities</u> that are equipped and operated primarily for the purpose of performing surgical procedures and continuous <u>Physician Services</u> and registered professional nursing services whenever a patient is in the <u>Facility</u> and which does not provide services or other accommodations for patients to stay overnight.
Appeal	A request for GlobalHealth to review a decision that denies a benefit or payment (either in whole or in part).
Approved Clinical Trial	A clinical trial that is sponsored by a credible organization and conducted in compliance with federal regulations including those relating to the protection of human subjects. The trial must have a therapeutic intent and not designed solely to identify or test disease pathophysiology.
Balance Billing	When a <u>Provider</u> bills you for the balance remaining on the bill your <u>Plan</u> doesn't cover. This amount is the difference between the actual billed amount and the GlobalHealth <u>Allowed Amount</u> . For example, if the <u>Provider's</u> charge is \$200 and the GlobalHealth <u>Allowed Amount</u> is \$110, the <u>Provider</u> may bill you for the remaining \$90. This happens most often when you see an <u>Out-of-network Provider</u> . A <u>Network Provider</u> may <i>not</i> bill you for <u>Covered Services</u> .
Behavioral Health Provider (BHP)	A behavioral healthcare professional (<u>Psychiatrist</u> , <u>Psychologist</u> , clinical social worker, marriage and family therapist, behavioral professional, behavioral <u>Practitioner</u> , and/or alcohol and drug counselor) that is licensed, certified, or accredited by State law.
Board Certification	The healthcare professional who has advanced education and training in one clinical area of practice (a " <u>Specialist</u> ") must be certified by a medical organization devoted to that <u>Specialty</u> . This medical organization is referred to as a "Board" and the healthcare professional that has been certified by this organization is said to be "Board Certified". The physician must pass an

Term	Definition
	examination given by the board for their <u>Specialty</u> as part of their requirements for “ <u>Board Certification</u> ”. <u>Board Certification</u> is provided on the healthcare professional’s application and must be verified by GlobalHealth directly with the stated Board upon credentialing and re-credentialing (every three years). When GlobalHealth receives updated information, it is verified and the website updated within 30 days.
Case Management	A process to assess, plan, implement, coordinate, monitor, and evaluate options to meet your healthcare needs based on the benefits and resources needed in order to promote a quality outcome for you.
Certified Behavioral Health Case Manager (BHCM)	A State certified <u>Practitioner</u> specializing in providing resource linkage, patient advocacy, <u>Provider</u> /resources <u>Referral</u> and coordination, and care plan monitoring for those with mental illness and/or substance use disorders.
Chronic Condition	A continuous or persistent condition over an extended amount of time which requires ongoing treatment.
Claim	A request for a benefit (including reimbursement of a healthcare expense) made by you or your healthcare <u>Provider</u> to GlobalHealth for items or services you think are covered.
COBRA	Consolidated Omnibus Budget Reconciliation Act. This is the federal law requiring certain group health <u>Plans</u> to give employees and certain family members the opportunity to continue their healthcare coverage at group rates in specific instances where coverage would otherwise end.
Coinsurance	Your share of the costs of a covered healthcare service, calculated as a percent (for example, 20%) of the <u>Allowed Amount</u> for the service. You generally pay the <u>Coinsurance</u> <i>plus</i> any <u>Deductibles</u> you owe. (For example, if GlobalHealth’s <u>Allowed Amount</u> for an office visit is \$100 and you’ve met your <u>Deductible</u> , your <u>Coinsurance</u> payment of 20% would be \$20.) GlobalHealth pays the rest of the <u>Allowed Amount</u> .
Complications of Pregnancy	Conditions due to pregnancy, labor, and delivery that require medical care to prevent serious harm to the health of the mother or the fetus. Morning sickness and a non-emergency caesarean section generally aren’t <u>Complications of Pregnancy</u> .
Copayment	A fixed amount (for example, \$15) you pay for a covered healthcare service, usually when you receive the service. The amount can vary by the type of covered healthcare service.
Cost-share	The portion of the cost for services, treatment, and supplies that you pay. This includes <u>Deductibles</u> , <u>Copayments</u> , and <u>Coinsurance</u> .
Cost Sharing	Your share of costs for services that your <u>Plan</u> covers that you must pay out of your own pocket (sometimes called “out-of-pocket costs”). Some examples of <u>Cost Sharing</u> are <u>Copayments</u> , <u>Deductibles</u> , and <u>Coinsurance</u> . Family <u>Cost Sharing</u> is the share of cost for <u>Deductibles</u> , and out-of-pocket costs you and your spouse and/or child(ren) must pay out of your own pocket. Other costs, including your <u>Premiums</u> , penalties you may have to pay, or the cost of care your <u>Plan</u> doesn’t cover usually are not considered <u>Cost Sharing</u> .
Course of Treatment	A series of treatments (you get over a period of time or number of treatments) in a structured program. It may include multiple <u>Providers</u> and <u>Facilities</u> . You should be an active participant of the planning team.
Covered Services	<u>Medically Necessary</u> services or supplies provided under the terms of this <i>Member Handbook</i> , your <i>Drug Formulary</i> , your <i>Pharmacy Directory</i> , and your <i>Provider Directory</i> .

Term	Definition
Deductible	The amount you could owe during a coverage period (usually one year) for covered healthcare services before GlobalHealth begins to pay. An overall <u>Deductible</u> applies to all or almost all covered items and services. A <u>Plan</u> with an overall <u>Deductible</u> may also have separate <u>Deductibles</u> that apply to specific services or groups of services. A <u>Plan</u> may also have only separate <u>Deductibles</u> . (For example, if your <u>Deductible</u> is \$1,000, GlobalHealth won't pay anything until you've met your \$1,000 <u>Deductible</u> for covered healthcare services subject to the <u>Deductible</u> .) The <u>Deductible</u> may not apply to all services. Not all GlobalHealth <u>Plans</u> have a <u>Deductible</u> .
Dependent	Any spouse or child up to the age of 26 (including stepchildren, foster children, and adopted children from the date placed in the home) of the <u>Subscriber</u> . GlobalHealth covers <u>Dependents</u> when they meet eligibility and <u>Premium</u> requirements.
