

Transportation

GlobalHealth has partnered with RoundTrip to provide transportation benefits to our members. GlobalHealth plan members can receive between 6 and 36 one-way trips, limited to 50-miles each way, at no additional cost!

Members who have special needs may request additional assistance.

Plan-Approved Locations

- Doctor office appointments
- Lab appointments
- Chemotherapy, radiation, or dialysis appointments
- Outpatient hospital visits
- Outpatient preventive services appointments

Modes of Transportation

- Rideshare services (Uber, Lyft, etc.)
- Taxi
- Van
- Medical Transport

Process

1. Call RoundTrip directly to schedule an appointment.
2. Choose a day and time for pick-up that is at least 72 hours in advance.
3. Share your member ID, pick-up location, drop-off location, and any special needs.

Contact RoundTrip Directly!
