Section 1 – Introduction

This directory provides a list of GlobalHealth’s network providers.

You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. Generally, you must get your health care services from your PCP. Your PCP will provide a wide array of basic and routine services. Each provider type subsection in this Provider Directory tells you if you need a referral or not. For more information on services you may obtain without a referral, please see Chapter 4 of your *Evidence of Coverage*.

GlobalHealth is required to maintain written standards for timeliness of access to care (i.e., appointment wait times) that meet or exceed CMS’ standards (§ 422.112 (a)(6)). Appointment wait times for primary care and behavioral health services must meet the minimum standards as follows:

- Urgently needed services or emergency – immediately;
- Services that are not emergency or urgently needed, but the enrollee requires medical attention – within 7 calendar days; and
- Routine and preventive care – within 30 calendar days.

The network providers listed in this directory have agreed to provide you with your healthcare, vision, and dental services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

Generations Valor (HMO-POS) members may receive care from an out-of-network provider for certain benefits. However, our *Provider Directory* only includes providers who are in network. If you use an out-of-network provider, your share of the costs for your covered services may be higher. See your *Evidence of Coverage* for the list of covered services you may receive from out-of-network providers, and the costs for obtaining those services in-network or out-of-network. In cases where out-of-network providers submit a bill directly to you, you should **not** pay the bill but should submit it to the plan for processing and determination of your liability, if any. Before getting services from out-of-network providers you may want to confirm they are accepting Medicare assignment and verify with us that the services you are getting are covered by us and are medically necessary. Certain covered services may only be received from network providers.

Please note: While you can get your care from an out-of-network provider, the provider must be eligible to participate in Medicare. Except for emergency care, we cannot pay a provider who has opted out of or been excluded or precluded from the Medicare Program. If you go to a provider who is not eligible to participate in Medicare, you will be responsible for the full cost of the services you receive. Check with your provider before receiving services to confirm that they are eligible to participate in Medicare.

Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our customer service number or see your *Evidence of Coverage* for more information, including the cost-sharing that applies to out-of-network services.

You may obtain emergency services from the closest available provider, and you may obtain urgently needed services from any qualified provider when out of the plan's service area or when network providers are unavailable.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor GlobalHealth will be responsible for the costs.

Sección 1: Introducción

En este directorio, se proporciona una lista de los proveedores de la red de GlobalHealth.

Deberá elegir uno de los proveedores de nuestra red que se enumeran en este directorio para que sea su Proveedor de Atención Primaria (PCP). Por lo general, debe recibir atención médica de su PCP. El PCP le brindará una amplia variedad de servicios básicos y de rutina. En cada subsección de tipo de proveedor de este Directorio de Proveedores, se indica si se requiere una remisión o no. Para obtener más información sobre los servicios que puede obtener sin una remisión, consulte el Capítulo 4 de su *Evidencia de Cobertura*.

GlobalHealth está obligado a mantener estándares escritos para la puntualidad del acceso a la atención (es decir, los tiempos de espera de las citas) que cumplan o superen los estándares de los CMS (§ 422.112 (a)(6)). Los tiempos de espera de las citas para los servicios de atención primaria y salud conductual deben cumplir con los estándares mínimos de la siguiente manera:

- Servicios de urgencia o emergencia, de inmediato;
- Servicios que no son de emergencia o que se necesitan con urgencia, pero que el afiliado requiere atención médica, dentro de los 7 días calendario; y
- Atención de rutina y preventiva: dentro de los 30 días calendario.

Los proveedores de la red que se enumeran en este directorio aceptaron brindarle sus servicios de atención médica oftalmológica y odontológica. Puede consultar a cualquiera de los proveedores de nuestra red que se enumeran en este directorio. Sin embargo, algunos servicios pueden requerir una remisión. Si ha estado acudiendo a un proveedor de la red, no es necesario que continúe acudiendo a ese mismo proveedor. En algunos casos, es posible que obtenga servicios cubiertos de proveedores fuera de la red.

Los miembros de **Generations Valor (HMO-POS)** pueden recibir atención de un proveedor fuera de la red debido a ciertos beneficios. Sin embargo, nuestro *Directorio de Proveedores* solo incluye proveedores que están dentro de la red. Si consulta a un proveedor fuera de la red, es posible que su parte de los costos por los servicios cubiertos sea mayor. Consulte su *Evidencia de Cobertura* para acceder a la lista de servicios cubiertos que puede recibir de proveedores fuera de la red y los costos de obtener esos servicios dentro o fuera de la red. Cuando los proveedores fuera de la red le envíen una factura directamente a usted, no debe pagarla, sino enviarla al plan a fin de que se la procese y se determine su responsabilidad, si la hubiera. Antes de recibir servicios de proveedores fuera de la red, es posible que desee confirmar que aceptan la asignación de Medicare y verificar que los servicios que usted recibe estén cubiertos por nosotros y sean necesarios por razones médicas. Determinados servicios cubiertos solo pueden recibirse de proveedores de la red.

Tenga en cuenta lo siguiente: Si bien puede recibir atención de un proveedor fuera de la red, este debe ser elegible para participar en Medicare. Excepto por la atención médica de emergencia, no podemos pagarle a un proveedor que haya salido o que haya sido excluido o descartado del Programa de Medicare. Si consulta a un proveedor que no es elegible para participar en Medicare, usted será responsable del costo total de los servicios que reciba.

Verifique con su proveedor antes de recibir los servicios a fin de confirmar que es elegible para participar en Medicare. Los proveedores fuera de la red o no contratados no tienen la obligación de tratar a los miembros del Plan, excepto en situaciones de emergencia. Llame a nuestro número de servicio al cliente o consulte su *Evidencia de Cobertura* para obtener más información, incluido el costo compartido que se aplica a los servicios fuera de la red.

En los casos en que los proveedores fuera de la red le presenten una factura directamente a usted, usted no debe pagarla, pero debe enviarla al plan para su procesamiento y determinación de su responsabilidad, si corresponde.

Puede recibir cobertura de atención médica de emergencia cuando la necesite, en todo el mundo. Nuestro plan cubre servicios de ambulancia dentro de Estados Unidos y sus territorios en situaciones en las que el traslado a la sala de urgencias con otro medio de transporte podría poner en peligro su salud. Para obtener más información, consulte el Capítulo 4 de su *Evidencia de Cobertura*.

Debe utilizar proveedores de la red, excepto en situaciones de emergencia o de urgencia, o para recibir diálisis renal u otros servicios fuera del área. Si recibe atención de rutina de proveedores fuera de la red, ni Medicare ni GlobalHealth serán responsables de los costos.

Con excepción de las emergencias, puede costar más recibir atención de proveedores fuera de la red.

¿Cuál es el área de servicio de mi plan?

Los condados que se encuentran en nuestra área de servicio se enumeran a continuación.

¿Cómo puede encontrar proveedores de GlobalHealth que brinden servicios en su área?

Los proveedores de este directorio se enumeran en orden alfabético por condado y, a continuación, por nombre. Para encontrar el proveedor más cercano a su hogar, puede revisar la lista de proveedores de su condado o visitar www.GlobalHealth.com a fin de buscar un proveedor cerca de usted.

Sección 2: Lista de Proveedores de la Red

Todos los proveedores de este directorio de proveedores aceptan Medicare. Los proveedores que aceptan Medicaid se encuentran con un asterisco. El idioma hablado por defecto para todos los proveedores es el inglés, y aquellos que hablan otros idiomas además del inglés se han anotado en la lista individual.

Se puede identificar y ubicar los tipos de proveedores en este directorio según las siguientes categorías:

- Tipo de proveedor
- Especialidad (si corresponde)
- Condado
- Nombre, dirección, ciudad, código postal y número de teléfono del proveedor

Algunos proveedores requieren remisión y autorización previa:

- Las consultas con el Médico de Atención Primaria no requieren ni remisión ni autorización previa.
- Las consultas con especialistas no requieren ni remisión ni autorización previa; sin embargo, algunos servicios prestados pueden requerir tanto remisión como autorización previa.
 - Tenga en cuenta que los servicios de audiología y audición, quiropráctica, ginecología, obstetricia, oftalmología y optometría no requieren ni remisión ni autorización previa.
- Las consultas de salud conductual no requieren ni remisión ni autorización previa; sin embargo, algunos servicios prestados pueden requerir tanto remisión como autorización previa.
- Los hospitales, los centros de rehabilitación y de salud conductual requieren tanto remisión como autorización previa, a menos que el ingreso se realice a través del departamento de emergencias.
- Los centros de enfermería especializada requieren remisión y autorización previa.
- Los centros de diagnóstico requieren remisión y autorización previa.
- Los centros de diálisis requieren remisión y autorización previa.
